The Tribunal,

Having seen the Notice of Claim filed by Plaintiff Company on the 28<sup>th</sup> March 2016 whereby they demanded that Defendant be ordered to pay the sum of six hundred and seventy four euro and ninety cent (€674.90) which represents balance in price for the provision of telecommunication services by Plaintiff Company on Defendant's request, with costs and interests;

Having seen that the case was put for hearing for the sitting of the 9<sup>th</sup> May 2016 (a fol 7);

Having seen the reply filed by Defendant on the 1<sup>st</sup> July 2016 (a fol 54) whereby, he contested the claim;

Having heard the evidence produced by Plaintiff Company;

Having taken cognisance of the records of the case;

Having considered that the Defendant failed to produce any evidence in the course of the proceedings;

Having considered;

By means of this action, Plaintiff Company is demanding that Defendant be ordered to pay the sum of €674.90 which sum represents balance of price for telecommunications services

rendered by Plaintiff Company to Defendant. This claim has been confirmed on oath by a representative of Plaintiff Company. On his part, Defendant while stating reasons why the claim should be rejected, he failed to produce any evidence to substantiate his pleas.

From the records of the case, it is clear that Plaintiff's claims have been duly proven.

In the circumstances, the Tribunal decides this case by rejecting Defendant's pleas and consequently upholds the claim put forward by Plaintiff Company and orders Defendant to pay the sum of €674.90 with interests from date of service of the notice of claim. Expenses are to be borne by Defendant.
