Jirrizulta illi l-kumpannija Aikon Limited, illi tissemma fir-rapport fuq imsemmi, ghanda azzjonist u direttur wieħed, ossija il-kumpannija Intershore Fiduciary Services Limited, ta' liema kumpannija r-rɪkorr Joseph Cordina, flimkien ma' Charles Scerri u Dr Martin Fenech huma azzjonisti.

Jirrizulta illi, sussegwenti ghall allegazzjonijiet magħmulha minn Tonio Fenech fil-Konferenza tal-Aħbarijiet, il-gazzetta il-Mument ippubblikat suppliment fil-harga tagħha ta' nhar ta' Hadd, f'pubblikazzjoni separata inserita fil-gazzetta, liema pubblikazzjoni kienet fuq karta ehxen minn dik tal-gazzetta u ta' materjal aktar attraenti, f'liema suppliment, li kien intitolat 'Stejjer tal-Mument', kien hemm storja illi bdiet fil-faccata tas-suppliment u, hdejn ritratt ta' Joseph Cordina flimkien ma' Dr Joseph Muscat, b'tipi kbar kien hemm mitkub "**L-Amministratur Finanzjarju tal-MLP wara l-iskandlu taz-zejt**"

Jirrizulta illi l-artikolu, li imbghad ikompli fiz-zewgt pagni tan-nofs ta' l-istess suppliment, jghid is-segwenti:

Irricerka li ghamel il-Partit Nazzjonalista turikif l-uniku shareholder, l-uniku direttur, ir-rappresentant guridiku u r-rappresentant legali tal-kumpannija Aikon Ltd kienet Intershore Fiduciary Services Ltd, li wiehed mid-direttur tagħha hu proprju Joe Cordina, l-Amministratur Finazjarju tal-Partit Laburista.

Jirrizulta illi z-zewgt pagni tan-nofs tas-suppliment, imbgħad, huwa dedikati għal din l-istorja u, fuq il-parti ta' fuq taz-zewgt pagni izda mifruxa fuq iz-zewgt pagni, kien hemm titolu “Iz-zejt u l-Partit Laburista” fejn hemm tpingijiet ta’ varji azzjonjet illi saru, fi forma ta’ ‘flow chart’, fejn kollex imbgħad jippunta lejn kaxxa li bi tipa normali tħid:

*Intershore Ltd
Shareholder uniku u Direttur 2002-2011 ta’ Aikon Ltd (bejn 2002 u l-2004 kienet magħrufa bhala MD & Petrotek)
Wieħed mix-Shareholders u d-Diretturi ta’ Intershore Ltd huwa Joe Cordina*

Jirrizulta illi f’tali kaxxa, filwaqt illi l-kliem kollu huwa ppubblikat b’tipa ftit aktar minn normal, il-kliem Joe Cordina huma ppubblikati b’tipa ferm akbar u kulur differenti, jien jitfa aktar prominenza fuq tali kliem.

Jirrizulta wkoll illi sussegwentement hemm kaxxa ohra, b’ritratt tar-rikkorrent Joseph Cordina, u hdejj il-kliem segwenti:

*Joe Cordina
1. L-Amministratur Finanzjarju tal-Partit Laburista
2. Direttur ta’ Holdings Ltd tal-Partit Laburista
3. Direttur ta’ Sound Vision Print Ltd
4. Direttur ta’ Consultancy & Research Ltd
5. Sindku tal-Kunsill Lokali tax-Xaghra, Ghawdex
6. Kandidat tal-Partit Laburista ghall-Elezżjoni Generali*

Jirrizulta illi fil-parti ta’ isfel ta’ l-istess zewgt pagni tan-nofs tas-suppliment u mifruxa fuq iz-zewgt pagni, regħha hemm it-titolu “**L-Amministratur Finanzjarju tal-MLP wara l-iskandlu taz-żejt**” u hemm is-segwentu artikolu:

Dak li l-Labour sejjahlu bhala l-akbar skandlu politiku fl-istorja ta’ Malta’ - li jdur madwar allegazzjonijiet ta’ tixhim fix-xiri taż-żejt - nhar il-Hamis li ghaddha ha żvolta gdida għal kollex hekk kif il-Partit Nazzjonalista żvela fatti li jimplikaw lil Joe Cordina, l-Amministratur Finanzjarju tal-Malta Labour Party.

Joe Cordina ssospenda lilu nnifsu fit minuti biss wara li harget l-ahbar fil-pubbliku u dan jikkonferma dak li ntqal f’konferenza tal-ahbari jiet fid-Dar Centrali tal-Partit Nazzjonalista li wara l-iskandlu taż-żejt, m’hemm hadd hlief l-Amministratur Finanzjarju tal-Malta Labour Party Joe Cordina, li kien sejkun ukoll kandidat ghall-elezżjoni generali tad-9 ta’ Marzu. Cordina hu wkoll is-Sindku tax-Xaghra.

Id-dettalji li ppreżenta l-Partit Nazzjonalista permezz tal-Ministru Tonio Fenech, kienu msahħin b'dokumenti pubblici li għandha I-Awtorità Maltija għas-Servizzi Finanzjarji u li jizvelaw dettalji dwar il-kumpaniji li ssemmew mill-maltatoday, minn fejn u fejn saru tranżazzjonijiet ta’ kummissjonijiet dwar ix-xiri taż-żejt.

Fil-fatt, il-kumpanija li semmiet il-maltatoday hi I-kumpanija Aikon Ltd li minn kemm ilha li twaqqfet inbidlilha isimha tliet darbiet.

Il-kumpanija twaqqfet bl-isem MO Ltd. f'Ottubru 2002; sentejn wara f'Lulju 2004, l-isem inbidel ghal Petrotek Ltd, u x-xahar ta' wara, f'Awwissu 2004, l-isem inbidel ghal Aikon Ltd.

Fil-konferenza tal-ahbarijiet mill- Ministro Tonio Fenech, li xxandret live fuq it-televiżjoni, kien spjegat li skont l-istorja tal-maltatoday, il-kumpanija Aikon kienet qed tirčievi kummissjonijiet mill-kumpanija Trafigura fbank fi New York bl-isem ta' Wachovia Bank.

Ir-ricerka li ghamel il-Partit Nazzjonalista turi kif l-uniku shareholder, l-uniku direttur, ir-rappreżendant gudizzjarju u r-rappreżendant legali tal-kumpanija Aikon Ltd kienet Intershore Fiduciary Services Ltd, li d-diretturi tagħha kien Charles Scerri, Martin Fenech u proprju Joe Cordina, li hu - jew kien sal-Hamis - l-Amministratur Finanzjarju tal-Malta Labour Party.

Ta' min jinnota, li r-rwol ta' dak li jmexxi l-finanzi ta' partit politiku mhux sempliciment li jiffirma c-cekkijiet iżda jkun responsabbi biex il-finanzi tal-partit jimxu l-quddiem, u jara wkoll minn fejn igib il-flus biex il-partit ikollu minn fejn jonfoq.

Minbarra f'dan, minn Frar tas-sena 2011, Joe Cordina kien id-Direttur ta' tliet kumpaniji tal-MLP, jigifieri MLP Holdings Ltd., Sound Vision Print Ltd., kif ukoll Consultancy & Research Ltd.

Dan ifisser, spjega l-Ministro Tonio Fenech, li proprju wara dan l-iskandlu hemm dak li hu responsabbi mit-tmexxija tal-finanzi tal-Malta Labour Party, u li ta' spiss ikun fir-raba' sular tac-Centru Nazzjonali Laburista, minn fejn qed tkun deciża l-istrategija tal-Labour kif ukoll minn fejn ged tkun finanzjata l-kampanja elettorali Laburista.

Il-fatt li Joe Cordina qabad u irtira l-kandidatura tieghu u ssospenda lilu nnifsu mill-karigi li kellu fil-MLP, jigifieri ta' Amministratur Finanzjarju u direttur ta' tliet kumpaniji laburisti, juri bic-car li Cordina kien jaf mill-bidu nett x'kien ir-rwol tieghu f'dan l-iskandlu.

Minkejja li ssospenda lilu nnifsu, Joe Cordina għażel li ma jidhirx quddiem il-media biex iwiegeb il-mistoqsijiet.

Jirrizulta illi Tonio Fenech, fil-Konferenza tal-Ahbarijiet illi ttellghet fil-Kwartieri Generali tal-Partit Nazzjonalista fil 21 ta' Frar 2013, qal is-segwenti:

Il-konferenza stampa li qed naghmlu llum, u l-konkluzjonijiet tagħha huma bbazati fuq dokumenti pubblici li I-PN gabar b'relazzjon mal-iskandlu ta' xiri taz-zejt wara li hareg l-isem tal-kumpanija Intershore li kif se johrog minn din il-preżentazzjoni hi l-kumpanija li kienet responsabbi mill amministrazzjoni proprju tal-kumpanija Icon, il-kumpanija fic-centru ta dan l-iskandlu dwar ix-xiri u l-commissions relatati maz-zejt.

Tajjeb nghid ukoll qabel ma nidhol fid-dettal ta' din il-preżentazzjoni, lid-dokumenti kollha relatati ma' dak li ser nghid issa diga ntbagħtu għand il-Kummisarju tal-Pulizija,

u kopja tal-istess dokumenti se jinghataw likom mill-PN fuq pen drive biex tkunu tistghu jkollkom intkom ukoll, ikollkom l- evidenza relatata.

X’johrog minn dawn id-dokumenti li jien se nsemmi. Johrog b’mod car li wara l- iskandlu taz-zejt, wara l-kumpanija Icon, fil-perjodu li gara dan 1- iskandlu sal-bidu tal-2011, wara dan l-iskandlu hemm l-Amministratur Finanzjarju tal-PL. Wara gimghat Ii I-PL ilu jiprova jimplika politikamert minghajr success, xi ministru f’dan l-iskandlu, issa johrog bic-cara li wara dan l-iskandlu hemm l-Amministratur Finanzjarju tal-PL. U se nuri kif wasalna ghal din il-konluzjoni.

Meta l-Malta Today zvelat din l-istorja, kienet tidher f’din l-istorja, kumpanija illi kien jisimha Icon. Kumpanija li kienet qed tircievi xi forma ta kummissjoni minghand il-kumpaniji taz-zejt. Kumpanija li għandha storja ta’ bdil ta’ isminijiet. Kumpanija li fl-2002 bdiet bl-isem Mo Ltd; fl-2004, Lulju, bidlet isimha għal Petrotek Ltd; f’Awwissu 2004 bidlet isimha għal Aikon Ltd. Evidenza ta’ dan il-bdil ta’ isem huma proprju ddokumenti formalji tal-formazzjoni ta’ Aikon Ltd li juru proprju l-bdil ta’ isem ta’din il-kumpanija li f’dan il-perjodu kienet I-istess kumpanija li kienet amministrata minn din il-kumpanija Intershore.

Kif johrog bic-car anke mill-invoices li gew ipprezentati anke mill-istess gurnal Malta Today, il-kumpanija Aikon Ltd kienet qed tircievi commissions mill-kumpanija taz-zejt Trafigura, gewwa kont New York, jew ahjar f’bank li kien jismu Wachovia. Dawn il-flus, kienu iddirezzjonati għal din il-kumpanija Aikon Ltd. Min kien f’dan il-perjodu l-kumpanija propju responsabbi minn Aikon Ltd? Kienet kumpanija li jisimha Intershore Fiduciary Services Ltd. Li johrog car mill-Memorandum of Articles of Association tal-formazzjoni ta’ din il-kumpanija fis-17 ta’ Awwissu 2004 Intershore Fiduciary Services Ltd kienet l-uniku shareholder, l-uniku direttur, kellha r-rappreżentanza guriċċika ta’ din il-kumpanija, u kellha r-rappreżentanza legali ta’ din il-kumpanija. Fi kliem semplice kienet il-factotum. Hekk nghidu bil-Malti. Kienet responsabbi mill-2004 sa Jannar tal-2011. Min huma x-shareholders u d-diretturi wara Intershore Fiduciary Services Ltd.

Il-PN, wara li ssemmiet din il-kumpanija, għamel ir-ricerka tieghu biex naraw min kien wara din il-kumpanija li kienet qed tamministra l-kumpanija Aikon, fic-centru propiru ta’ din il-kontroversja. Fic-centru ta’ dan il-iskandlu marbut max-xiri taż-żejt. U jissemmew tliet persuni li huma responsabbi għal din il-kumpanija: Charles Sceri, Dr Martin Fenech u Joe Cordina Ii huma x-shareholders u d-diretturi ta’ din il-kumpanija.

Wiehed jistaqsi: min hu Joe Cordina? Joe Cordina huwa l-Amministratur Finanzjarju tal-PL. Kif turi l-istess website ufficjali tal-PL, li proprju tghid li preżentament huwa I-Financial Administrator of the Malta Labour Party Financial Administrator mhux xi hadd li sempliciment jiffirma c-cekkijiet Financial Administrator huwa l-persuna li fi hdan partit politiku jamministra I-finanzi, jara minn fejn se jgib il-finanzi ghall-PL, jinvesti dawk il-flus, u jagħmel dak kollu li tagħtih l-awtorita tat-titlu tieghu biex imexxi ‘l-quddiem il-qaghda finanzjarja tal-PL.

Mhux biss. Pero s-Sur Joe Cordina hu wkoll id-Direttur, ilu fil-fatt minn Frar tal-2011, id-direttur fil-kumpaniji kollha tal-PL. Il-kumpanija MLP Holdings Ltd, il-kumpanija Sound and Vision, u l-kumpanija Consultancy and Research Ltd. Tliet kumpaniji prinċipali tal-PL li proprju s-Sur Joe Cordina hu d-direttur fuqhom fil-kapaċita tieghu wkoll tal-Amministratur Finanzjarju tal-PL.

U ghalhekk johrog bic-car li kuntrarjament ghal dak li kien qed jiġi implikat, f dan l-iskandlu hemm proprju l-PL. II-PL li proprju hu fdan ic-centru. Fic-centru ta' operazzjoni shiha ta' dak kollu li kien qed jigri, kien hemm is Sur Joe Cordina, I-Amministratur Finanzjarju tal-PL. Kif turi proprju din l-istampa semplici, il-kummissjonijiet li Trafigura kienet ged tghaddi lil kumpanija Aikon Ltd, li kienet qed imorru gol Bank Wachovia gewwa New York, il-kumpanija li kienet gegħda tamministra, topera, tagħmel dak kollu amministrattivament, hija responsabbi, u tiehu d-deċiżjonijiet fdak li kienet l-operazzjonijiet ta' din il-kumpanija, kienet propriu l-kumpanija Intershore Ltd.

U hawn irrid nena sizza, Intershore Limited ma kinitx biss tagħmel secretarial duties. Intershore Ltd kienet is-sole shareholder. Kienet l-uniku direttur, u direttur hu dak li jerfa' r-responsabbilta kollha ta' dak li tagħmel il-kumpanija quddiem il-ligi. Kellha wkoll rapprezzantanza guridika u rapprezzantanza legali.

Proprju fl-Intershore hemm Joe Cordina. Nerga' nena sizza huwa - Amministratur Finanzjarju tal-PL. U allura I-konkluzjoni ta' din il-konferenza tal-ahbarijiet hija wahda semplici hafna. Wara dan l-iskandlu taz-zejt, issa johrog li hemm proprju I-Amministratur Finanzjarju tal-PL. II-PL li issa ilu minn Jannar jipprova jimplika xort'ohra, illum johrog bic-car min hemm wara din il-kumpanija. Wara din il-kumpanija hemm proprju Joe Cordina li mhux l-ewwel darba rajnih jipprezenta flus lil Joseph Muscat.

These transactions were channeled through Bank of Valletta plc account Lascaris Wharf, Valletta US \$ account no 40013865739. The transactions were vetted by the auditor of the company and tally to the amounts reported in the financial statements.

At no point did we or the auditor have any reason to suspect that Mr. Farrugia was doing the alleged transactions. These accounts were filed with MFSA and the tax authorities and at no point did any government department or authority call upon us to enquire about any wrong doing by the company.

The accounts from 2009 onwards were filed by George Farrugia as a director and audited by Mr. Carmel D'Amato who is not known to us.

Given the limited volume of business and transactions carried out by Aikon Ltd and the constant monitoring and discussion with the auditor and also the fact that the financial statements were submitted regularly to the Inland Revenue and other authorities, we felt comfortable enough that no illegal transactions were being carried out.

In addition, one of the directors of Intershore used to notice Mr. Farrugia at the Sliema Aquatic Club having lunch on Sundays with his family and arriving at the club with a hired car. This used to happen year after year during the summer months. Nothing came to our attention regarding a change in lifestyle or any other matters that would have lead us to believe otherwise. Furthermore, we monitored constantly the accounts presented to us and had regular meetings with his auditor that confirmed the authenticity and accuracy of the books of accounts. Furthermore we were constantly checking

The letter sent by Dr. Emmanuel Mallia to Dr. Siegfried Borg Cole and copied to us was taken very seriously. Intershore wrote to Dr. Emmanuel Mallia declaring that it will be carrying out investigations on these claims and asking for evidence to sustain these claims. No reply has been received.

Following our investigations we found out that there was a breach of trust on the part of Mr. Farrugia and we terminated our professional relationship with him on the 1st November, 2010. This breach of trust resulted from commercial transactions that Aikon Ltd was doing with a related company thus having access to insider information. Nothing illegal emerged from our investigations as claimed by Dr. Mallia.

A meeting was held between Dr. Martin Fenech, Charles Scerri, Raymond Stafrace, George Farrugia and Dr. Siegfried Borg Cole (lawyer of Farrugia) at 362 Fleur De Lys Road B'Kara whereby we asked for the information regarding the case that Aikon Ltd (George Farrugia) had with his brothers. We were informed by Mr. Farrugia that Aikon Ltd could be in competition with Power Plan Ltd (company owned by his brothers) and that it carried out some activities in this regard.

We informed George Farrugia that we were terminating the fiduciary relationship with him with immediate effect as he did not have our trust anymore. Transfer of shares and directorship was effected on 1st November, 2010.

During this period an investigative report was being carried out by FST Consulting Limited regarding John's Garage Group. This report was commissioned by the brothers of Mr. George Farrugia and signed by Mr. Joseph Azzopardi director of FST Consulting Limited. This report was dated 20 January, 2011 and was later deposited in the law courts as evidence against Aikon Ltd and Mr. George Farrugia.

From the documentation presented in court and included in this report we come to the conclusion that

(a) Aikon Ltd was issuing legitimate invoices to its clients and channeling them through Bank of Valletta plc Lascaris wharf branch. These were the transactions we and the auditor of the company were aware of.

(b) The alleged illegal transactions were passed through Wachovia Bank NA New York Swift Code PNBP US 3N NYC in favour of Banque Privee Edmond De Rothschild SA, Geneva, Account number 2000193641387, Swift PRIBCHGG for further credit to Account 700.296 Aikon.

This account was never opened in the name of Aikon Ltd but was opened under Aikon by Mr. George Farrugia. This account was never brought to the attention of the auditor of the company nor to the Fiduciary. In fact when specifically asked about the holding of any foreign accounts in the meeting of the 2nd November, 2010, he categorically denied having any foreign bank accounts. A declaration to this effect is held in our files.

Now it is evident that the intention of fraud on the part of Mr. George Farrugia against the company auditor and the fiduciary was from the outset. Whereas the invoices issued in respect of regular transactions were channeled through BOV, the others were channeled through Wachovia Bank. We now understand that he was doing parallel operations. We categorically deny having any knowledge of such activity.

From the documentation presented in court, it resulted that the invoices issued by Mr. Farrugia were purposefully misleading in that the address of the company was given as Maria Dolores Fl 1 Mensija Road San Gwann Malta and the telephone numbers were given as Tel 00356 213747 and Fax 00356 213746.

The correct address and telephone numbers of Intershore Fiduciary Services was Maria Dolores Fl 2 Mensija Road San Gwann Malta and the telephone numbers were Tel 00356 21374747 and Fax 00356 21374646.

We suspect that this was also done purposefully so that any third party who tried to contact the company Aikon Ltd would not be able to do so.

The court case referred to above was filed by Power Plan Ltd, John's Group Limited, Raymond Farrugia, Anthony Farrugia, Gaetano Farrugia, Saviour Farrugia and Emanuel Farrugia (brothers) against George Farrugia his wife Katherine, Aikon Ltd and Intershore Fiduciary Services Limited. Powerplan and George Farrugia arrived at an amicable settlement whereby George Farrugia paid a substantial amount of money

case was eventually withdrawn. to Power Plan or his brothers. At no stage was Intershore participant in this agreement. The case was eventually withdrawn.

Please be informed that even though Powerplan Ltd included Intershore Fiduciary Services Limited as one of the defendants, we were assured by the lawyers of the plaintiffs that this was being done for court procedural requirements. In fact when the court case was amicably settled no monies or funds were being done for were paid out by Intershore. At that time, we felt that this was a normal commercial dispute between the members of the Farrugia family, which could not have had a bearing on our license status.

In conclusion, we like to point out that what has been reported in some sectors of the media was purely the result of political allegations. It has now transpired through the sworn evidence of the assistant commissioner of police Mr. Michael Cassar that Mr. George Farrugia under oath admitted the following:

- (1) *He carried out parallel trading on his own accord.*
- (2) *He never informed Intershore or any of its directors of this parallel activity*
- (3) *He issued the false invoices himself*
- (4) *He received the funds in his own name.*
- (5) *He disposed of these funds without knowledge of Intershore*
- (6) *He even declared in court that Intershore could have never known of these facts.*

We feel that we were being politically victimized to the detriment of our personal and company's reputation. We also are of the belief that this victimization has tarnished the reputation of the financial services industry in general, when considering that the facts show otherwise.

Jirrizulta illi Dr Manfred Galdes, dak iz-zmien Direttur tal-Financial Intelligence Analysis Unit, fil 11 ta' Lulju 2013 kiteb lura lill Charles Scerri u qal is-segwenti: (fol 42 – Rik Nru 59/13)

We thank you for the information and documentation provided in your letter dated 4th June 2013 in relation to the actions that Intershore Fiduciary Services Limited had taken to fulfill its obligations under the Prevention of Money Laundering and Funding of Terrorism Regulations, 2008 when providing services to Aikon Limited.

Following careful consideration of the information and documentation provided, we would like to inform you that the FIAU has no further enquires at this stage.

Jirrizulta illi l-intimat, bhala linja difensjonali qajjem zewgt eccezzjonijiet, ossija wahda illi rappurtagg kien kopert mill-privilegg kwalifikat pprovdut fl-illum defun Artikolu 12A tal-Kap 248, u l-ohra illi dak illi ntqal kien fair comment.

Il-Qorti ser tghaddi biex l-ewwel tikkunsidra l-ewwel linja difensjonali – ossija tal-privilegg kwalifikat:

L-Artikolu 12A ta' l-illum defunct Kap 248 intitolat Att dwar l-Istampa kien jghid li gej:

Fi proċeduri meħuda in forza ta' dan l-Att tkun difiżha għall-editur jew għar-responsabbi għall-pubblikkazzjoni li jipprova li l-informazzjoni pubblikata kienet tikkonsisti frappo report preciz ta' diskors li sar f'avveniment pubbliku importanti minn persuna identifikata u li kienet taf jew raġonevolment setgħet tkun taf jew tistenna li l-kontenut ta' dak id-diskors se jiġi pubblikat f'gazzetta jew f'mezz tax-xandir, u li l-pubblikkazzjoni tal-istess diskors kienet raġonevolment ġustifikabbli f'soċjetà demokratika.

Minn qari akkurat tal-artikolu meritu tal-kawza odjerna, kif ukoll il-mod illi dina giet rappurtata, bl-utilizz ta' skeda illustrata b'kummenti varji, il-Qorti ma tistax ma tosseqx illi, fil-kaz odjern, l-artikolist illi rrediga tali rrappo ma illimitax ruhu biss fir-rappurtagg ta' dak illi kien qal Tonio Fenech fil-Konferenza tal-Ahbarjiet tieghu, izda ghadda varji kummenti, bhalma hija meta qal is-segmenti:

Il-fatt li Joe Cordina qabad u irtira l-kandidatura tieghu u ssospenda lilu nnifsu mill-karigi li kelli fil-MLP, jiegħi fher ta' Amministratur Finanzjarju u direttur ta' tliet kumpaniji laburisti, juri bic-car li Cordina kien jaf mill-bidu nett x'kien ir-rwol tieghu f'dan l-iskandlu.

Il-Qorti tosseqx illi kieku l-artikolist illimita ruhu billi jirrapporta dak illi kien qal Tonio Fenech fil-Konferenza tal-Ahbarjiet, kienah għalhekk ikun gustifikat illi jqajjem tali eccezzjoni b'success, stante illi l-Ligi kienet tipprotegiex.

Madanakollu, il-fatt illi l-artikolist ghazel illi, flimkien mar-rappurtagg, jzid kummenti tieghu, bhal dawk fuq imsemmija, huma sufficjenti biex id-difiza tal-l-artikolu 12A ma jaapplikax, stante illi l-artikolist għaqqa flimkien rappurtagg u kument, bir-rizultat illi rrenda lilu nnifsu suxxettibbli ghall-azzjoni ta' libel mingħajr il-protezzjoni mogħtija lill-gurnalist illi fedelment jirrapporta dak illi jintqal u jieqaf hemm.

It-tieni linja difensjonali ta' l-intimat kienet dik relatata mad-dritt illi jesprimi l-opinjoni tieghu bbażata fuq fatti sostanzjalment veri u għalhekk tammonta għall- "fair comment" jew "value judgement" dwar persuna pubblika, u dana huwa dritt ta' kull cittadin protett kemm mill-Kostituzzjoni ta' Malta u kemm mill-Konvenzjoni Ewropea

L-ewwel u qabel kollex, huwa fatt illi r-rikorrent fil-mument meta saret il-pubblikkazzjoni kien persuna pubblika peress illi kien Kandidat għall-elezzjoni generali mal-Partit Laburista meta harget l-istorja meritu tal-kawza odjerna. Kif intqal fis-sentenza **Ligens vs Austria**, mhaddna mill-Qorti Maltin ukoll:-

Freedom of the press furthermore affords the public one of the best means of discovering and forming an opinion of the ideas and attitudes of political leaders. More generally, freedom of political debate is at the very core of the concept of a democratic society which prevails throughout the Convention.

The limits of acceptable criticism are accordingly wider as regards a politician as such than as regards a private individual. Unlike the latter, the former inevitably and knowingly lays himself open to close scrutiny of his every word and deed by both

journalists and the public at large, and he must consequently display a greater degree of tolerance. No doubt Article 10 para. 2 (art. 10-2) enables the reputation of others - that is to say, of all individuals - to be protected, and this protection extends to politicians too, even when they are not acting in their private capacity; but in such cases the requirements of such protection have to be weighed in relation to the interests of open discussion of political issues.

Mill-banda l-ohra, kif qalet il-Qorti Ewropea fil-kawza **Fresos & Roire vs France**

“the press plays an important role in a democratic society, although it must not overstep certain bounds, in particular in respect of reputation and rights of others. People exercising freedom of expression including journalists undertake duties and responsibilities.”

Jirrizulta, di fatti, illi l-intimat, fid-difiza, qieghed jappella għad-dritt tal-liberta ta' l-espressjoni w id-dritt tal-għurnalista illi huwa kellu, u f'dana il-kuntest il-Qorti tagħmel ukoll referenza għall-kawza deciza mill-Grand Chamber tal-Qorti Ewropea għad-Drittijiet tal-Bniedem fl-ismijet **Axel Springer AG vs Germany** deciza fis-7 ta' Frar 2012, fejn intqal is-segwenti:

78. Freedom of expression constitutes one of the essential foundations of a democratic society and one of the basic conditions for its progress and for each individual's self-fulfilment. Subject to paragraph 2 of Article 10, it is applicable not only to “information” or “ideas” that are favourably received or regarded as inoffensive or as a matter of indifference, but also to those that offend, shock or disturb. Such are the demands of pluralism, tolerance and broadmindedness without which there is no “democratic society”. As set forth in Article 10, freedom of expression is subject to exceptions, which must, however, be construed strictly, and the need for any restrictions must be established convincingly

79. The Court has also repeatedly emphasised the essential role played by the press in a democratic society. Although the press must not overstep certain bounds, regarding in particular protection of the reputation and rights of others, its duty is nevertheless to impart – in a manner consistent with its obligations and responsibilities – information and ideas on all matters of public interest. Not only does the press have the task of imparting such information and ideas; the public also has a right to receive them. Were it otherwise, the press would be unable to play its vital role of “public watchdog”

L-istess Qorti tkompli tghid:

81. Journalistic freedom also covers possible recourse to a degree of exaggeration, or even provocation (see Pedersen and Baadsgaard, cited above, § 71). Furthermore, it is not for the Court, any more than it is for the national courts, to substitute its own views for those of the press as to what techniques of reporting should be adopted in a particular case.

Din il-Qorti ma tistax ma tosservax illi, kif jghidu l-Qrati nostrani u esteri, ir-rwol importanti tal-għurnalista u d-dritt tal-liberta' ta' l-espressjoni, madanakollu, għandu jigi bilancjat bi drittijiet u

obbligi fuq l-istess gurnalist fil-qadi ta' dmirijietu, u, di fatti, il-Qorti, dwar tali doveri da' parte tal-gurnalist, u ghalhekk, kif tghid il-Qorti Ewropeja għad-Drittijiet tal-Bniedem fil-kawza già fuq imsemmija:

82. However, Article 10 § 2 of the Convention states that freedom of expression carries with it “duties and responsibilities”, which also apply to the media even with respect to matters of serious public concern. These duties and responsibilities are liable to assume significance when there is a question of attacking the reputation of a named individual and infringing the “rights of others”. Thus, special grounds are required before the media can be dispensed from their ordinary obligation to verify factual statements that are defamatory of private individuals. Whether such grounds exist depends in particular on the nature and degree of the defamation in question and the extent to which the media can reasonably regard their sources as reliable with respect to the allegations.

L-istess intqal fil-kawza **Delphi AS vs Estonia** deciza mill-Qorti Ewropeja tad-Drittijiet tal-Bniedem fl-10 ta' Ottubru 2013, fejn ziedet tghid:

.... the Court reiterates the essential function the press fulfils in a democratic society. Although the press must not overstep certain bounds, particularly as regards the reputation and rights of others and the need to prevent the disclosure of confidential information, its duty is nevertheless to impart – in a manner consistent with its obligations and responsibilities – information and ideas on all matters of public interest. In addition, the Court is mindful of the fact that journalistic freedom also covers possible recourse to a degree of exaggeration, or even provocation. The limits of permissible criticism are narrower in relation to a private citizen than in relation to politicians or governments.

Tali principju reggħa gie ripetut fil-kawza **Erla Hlynsdottir vs Iceland** deciza mill Qorti Ewropeja għad-Drittijiet tal-Bniedem rientement, ossija fil 21 ta' Ottubru 2014, fuq meritu simili għal dak in-ezami, fejn intqal is-segwenti:

62. The protection of the right of journalists to impart information on issues of general interest requires that they should act in good faith and on an accurate factual basis and provide “reliable and precise” information in accordance with the ethics of journalism. Under the terms of paragraph 2 of Article 10 of the Convention, freedom of expression carries with it “duties and responsibilities” that also apply to the media, even with respect to matters of serious public concern. Those “duties and responsibilities” are significant when there is a question of attacking the reputation of a named individual and infringing the “rights of others”. Thus, special grounds are required before the media can be dispensed from their ordinary obligation to verify factual statements that are defamatory of private individuals. Whether such grounds exist depends in particular on the nature and degree of the defamation in question and the extent to which the media can reasonably regard their sources as reliable with respect to the allegations.

Huwa għalhekk dover ta' dina il-Qorti sabiex tassikura illi jintlahaq bilanc bejn id-dritt tal-liberta' ta' l-espressjoni u id-dritt tal-protezzjoni tar-reputazzjoni, u dana sabiex jigi assikurat li hemm tali

bilanc, ghal liema bilanc il-Qorti Ewropeja għad-Drittijiet tal-Bniedem niedet sitt kriterji importanti sabiex jigi assikurat illi, kif tħid il-Qorti, "the right to freedom of expression is being balanced against the right to respect for private life".

Tali kriterji gew mhaddna anke mill-Qrati tagħna, kif qalet il-Prim Awla tal-Qorti Civili fil-kawza **Dr Louis Galea vs Etienne St John u Felix Agius** deciza fit 30 ta' April 2015, fejn osservat korrettamente illi :

dwar l-aspett tad-difiża tal-kumment ġust ilu żmien jingħad mill-Qrati tagħna li, biex id-difiża tal-kumment ġust tkun tgħodd, jeħtieg li min jistrieħ fuqha jseħħlu juri li

- (a) *l-kumment kien imsejjes fuq fatt li jkun issemmu fil-pubblikazzjoni li minnha jitressaq l-ilment;*
- (b) *il-fatt imsemmi jrid ikun sostanzjalment minnu;*
- (c) *il-kumment irid jintwera li jkun ġustifikabbli jew mistħoqq;*
- (d) *il-kumment irid ikun tali li jikkwalifika bħala kritika u mhux żebliħ, tgħajjur jew insolenza; u*
- (e) *irid jagħti l-fehma onesta tal-kumentatur u li l-pubblikazzjoni ta' dik il-fehma ma saritx b'hażen jew bil-ħsieb preciż li jweġġa' lil dak li jkun.*

Dawna l-qrati, madanakollu, dejjem ipprotegew il-gurnalizmu investigattiv, u di fatti, kif stqarret il-Qorti tal-Appell fil-kawza **Dr. Louis Galea vs Dr. Joe Mifsud**, deciza fit-3 ta' Frar, 2012:

"gurnalizmu investigattiv għandu jingħata ampja protezzjoni f'socjeta' demokratika, anke jekk certi allegazzjonijiet jigu michuda minn dak milqut, il-gurnalist dejjem jibqalghu d-dritt li jinvestiga u jistħarreg fuq allegazzjoni anke jekk tibqa' allegazzjoni mhux pruvata kif trid il-Ligi. F'dak li jsir gurnalizmu investigattiv serju, anke meta jirrizulta zball genwin, jista' wkoll ikun tollerat."

Din il-Qorti, madanakollu, ma tistax ma tergħax tirripeti dak illi hija gia kellha l-opportunita tħid fil-kawza mhux appellata fl-ismijet "**Alan Camilleri vs Saviour Balzan**" u deciza fl-20 ta' Gunju 2016 fejn dwar il-gurnalizzi w id-doveri tagħha, sahqet li

"... ghalkemm huwa d-dover tal-gurnalist illi jgharrraf u jzomm lill-pubbliku w il-qarrejja a korrent ta' kull informazzjoni relatata ma' agir ta' persuni pubblici, kemm politici kif ukoll persuni fis-servizz civil u f'posizzjonijiet importanti fis-socjeta civili, huwa ferm aktar importanti illi l-gurnalist jassikura ruhu illi l-fatti kif minnu indikat huma sostanzjalment veri u, fkaz illi huwa ma jkollux konfort ta' provi sufficjenti, għandu jzomm lura milli jippubblika tali stejjer, stante illi l-pubblikazzjoni ta' l-istess jwasslu sabiex il-kredibilita' tal-gurnal u l-gurnalist tigi pregudikata u, aktar importanti, il-pubbliku in generali jingħata informazzjoni illi ma jkunx minnu, fatt illi, minnu nnifissu, huwa ta' hsara kemm lill-persuna illi dwarha qed issir l-istorja u, aktar u aktar, lill-gurnalizmu il-generali, li jistħoqglu rispett ghax-xogħol siewi u ta' utilita' kbira għas-socjeta demokratika hajja illi Malta tgawdi illum il-gurnata.

Di fatti, kif gie osservat mill-Qorti tal-Appell (Sede Inferjuri) fis-sentenza '**Sylvana**

Debono vs Alexander Farrugia', deciza fis-27 ta' Jannar, 2016.

Id-dritt tal-liberta tal-espressjoni m'huwiex licenzja biex thammeg ir-reputazzjoni ta' haddiehor u mbaghad tiprova tistahba wara dan id- dritt.

Dwar il-kuncett ta' ‘*value judgment*’, il-Qorti tagħmel referenza għal dak illi qalet il-Qorti Ewropeja għad-Drittijiet tal-Bniedem, fil-kawza **Jerusalem vs Austria** (2003) EHRR 567, para 43, tghid is-segwenti:

... even where a statement amounts to a value judgment, the proportionality of an interference may depend on whether there exists a sufficient factual basis for the impugned statement, since even a value judgment may be excessive if it has no factual basis to support it .”

Finalment, dwar l-principju tad-difiza tal-‘fair comment’ **Gatley on Libel and Slander** jghid:

To succeed in a defence of fair comment the defendant must show that the words are comment, and not a statement of fact. He must also show that there is a basis of fact for the comment, contained or referred to in the matter complained of. Finally, he must show that the comment is on a matter of public interest, one which has expressly or implicitly put before the public for judgment or is otherwise a matter with which the public has a legitimate concern. If, however, the plaintiff can show that the comment was not made honestly or was actuated by malice, he will defeat the plea.

Jirrizulta car, għalhekk, mill-gurisprudenza fuq imressqa, illi hemm sabiex id-difiza ta’ ‘fair comment’ u ‘value judgment’ tirnexxi, irid jigi ppruvat illi dak allegat huwa bbazat fuq fatti sostanzjalment veri.

Jirrizulta illi, in sostenn ta’ tali allegazzjonijiet, Tonio Fenech, illi kien il-persuna li għamel tali allegazzjonijiet pubblici, ressaq varji dokumentazzjoni, fosthom rapport intitolat Powerplan Limited Investigative Audit Report datat 20 ta’ Jannar 2011 u redatt minn Joseph Farrugia fuq struzzjoniet ta’ John’s Garage Group of Companies.

Jirrizulta, di fatti, illi hut George Farrugia kienu qed jallegaw illi l-istess George Farrugia, li kien qiegħed imexxi l-kumpannija Powerplan Limited, li kienet wahda mill-kumpanniji fil-grupp ta’ kumpanniji John’s Garage, kien qiegħed attwalment jghaddi xogħol tramite il-kumpannija privata tiegħu, Aikon Limited, flok ma uza l-kumpannija Powerplan Limtied, u dana biex iqarraq b’ħutu.

Jirrizulta illi l-persuna mqabbda minn hut George Farrugia sabiex jirredigi rapport biex jipprova illi l-istess George Farrugia kien qieghed iqrarraq b'hutu, kelli dan xi jghid, fost affarjet ohra: (fol 103 – 59/13)

The sole director in Aikon Limited is Intershore Fiduciary Services Limited and it is presumed that a mandate was given by said director to open both bank accounts as indicated above. This would also indicate that the director in Aikon was cognizant of the scope of the business of the company. It is also presumed that Intershore Fiduciary Services Limited being a licenced fiduciary, undertook a know-your-client (KYC) exercise on Mr. George Farrugia prior to the registration of the company which KYC should have been updated on a regular basis. This KYC exercise should have indicated that Mr. George Farrugia was a full time employee and a director of Powerplan Limited, a company that carries on a business identica! to that undertaken by Aikon Limited. The fiduciary relationship between Intershore Fiduciary Services Limited and Mr. George appears to have been used to veil a parallel operation in which Mr. George Farrugia had a distinct conflict of interest. As a director in Powerplan Limited Mr. George Farrugia was obliged to act in good faith towards the interest of the company. Chanelling business and funds away from Powerplan Limited to Aikon Limited and using a fiduciary relationship to hide a parallel operation is definitely not in the interest of Powerplan Limited. It appears that the sole director of Aikon Limited was an accomplice in this structure.

Jirrizulta illi l-intimat fl-ebda mument ma ressaq bhala prova lill dan Joseph Azzopardi u/jew lill George Farrugia sabiex jixhed dwar tali fatti u Tonio Fenech strieh unikament fuq tali dokument minghajr ma ghamel verifikasi ulterjuri.

Jirrizulta illi minnufih is-socjeta Intershore Fiduciary Services Limited bdiet tagħmel l-investigazzjonijet tagħha u, kif tħid l-istess socjeta Intershore Fiduciary Services Limited lill FIAU, "Following our investigations we found out that there was a breach of trust on the part of Mr. Farrugia and we terminated our professional relationship with him on the 1st November, 2010".

Jirrizulta wkoll, kemm mill-ittra tas-socjeta Intershore Fiduciary Services Limited lill FIAU kif ukoll minn dokumentazzjoni ippresentata minn Tonio Fenech, illi George Farrugia kien qieghed juza bank iehor illi ma kienx il-bank tas-socjeta Aikon Limited, ossija il-Bank ta' New York, Wachovia Bank, u dana sabiex it-transazzjonijiet ma jigux registrati mas-socjeta Aikon Limited, tant hu illi l-istess invoices esebiti minn Tonio Fenech (fol 73 sa 75) juru li d-dettalji imnizzla ma humiex tas-socjeta Aikon Limited, izda Aikon.

Jirrizulta illi l-Financial Intelligence Analysis Unit, wara illi qieset d-dokumentazzjoni kollha pprovduta mis-socjeta tar rikorrenti, gharrfet lill-istess socjeta illi “*Following careful consideration of the information and documentation provided, we would like to inform you that the FIAU has no further enquires at this stage.*”

Jirrizulta, ghalhekk, illi l-Financial Intelligence Analysis Unit, illi hija l-entita' ufficjali inkarigata mill-istharrig ta' transazzjonijiet suspecti ta' kumpanniji u persuni involuti f'tali kumpanniji, ikkonkludiet illi ma kellha ebda investigazzjoni ulterjuri x>tagħmel abbażi tad-dokumentazzjoni u informazzjoni mghoddija, indikazzjoni li ma sabet xejn irregolari dwar l-agir tas-socjeta Intershore Fiduciary Services Limited, a differenza ta' dak illikien qieghed jigi allegat.
