The court is being humbly requested that when pronouncing judgment, sentence the person convicted to pay the costs incurred in connection with the employment in the proceedings of any expert or referee, that were appointed in the examination of the process verbal of the inquiry in accordance with article 533 of Chapter 9.

After having heard the evidence and seen all the records of the case;

After having heard the accused plead guilty to the charges at an early stage of the proceedings, which admission was confirmed by the same offenders after the Court, in terms of section 453 (1) of Chapter 9 of the Laws of Malta, warned them of the legal consequences of that guilty plea, and allowed them sufficient time to re-consider their reply, and to change it;

After having heard the oral submissions on the punishment;

Considered that:

From the evidence brought forward and from the guilty plea registered by the offenders themselves, the Court concludes that the offenders are guilty of the charges laid against them.

As regards the punishment, the Court took into consideration the fact that the offenders admitted to the charges at a very early stage of the proceedings and that they fully co-operated with the police.

For these reasons the Court after having seen sections 11, 142 and 533 of Chapter 9 of the laws of Malta on their admission finds offenders guilty of the charges brought against them and conditionally discharges the accused Malcolm Vincent Coleman, Tania Coleman, Gina Lucy, Silva Mary Samiddas and Jeremy Mark Dodd under the Provision of Section 22 (1) of Chapter 446 of the Laws of Malta on condition that said accused commit no offence during the period of one year as from today.
