vs

**Schembri Infrastructure Limited (C17388),u
Schembri & Sons Limited (C4225)**

The court:

Having seen the application of Schembri Infrastructure et. dated 11th April 2022.

Having seen the answer of the respondent dated 3 rd June 2022.

Having seen all the acts and documents of the case.

Having seen that the application was adjourned for today to be determined.

Considerations:

The court has examined the acts carefully. It is of the opinion that in such circumstances it is not in the interest of the justice to give leave to appeal from the partial decision in question at this stage of proceedings.

In such circumstances it is moot that the appeal be considered along with the final judgement on the merits of the case.

Now therefore, the court is rejecting the said application of the respondents without prejudice to their right of appeal on the final judgement of these proceedings.

Today 8th July, 2022
