5. Fis-16 ta' Novembru, 2022 l-Kontrollur wasal sabiex čaħad l-oppożizzjoni tal-appellant noe, wara li għamel is-segwenti konsiderazzjonijiet rilevanti għal-dan l-appell:

“

2) *Opposition to the applicant's mark based on Trademark 10027 on the grounds of Article 6(3)(a) Trademarks Act Cap 597.*

The office notes that:

a) For a trademark not to be registered under Article 6(3)(a) of the Trademarks Act, Cap 597, all of the following must apply:

- i) the trademark must be identical with, or similar to, an earlier trademark (irrespective of whether the goods or services for which the trademark is applied or registered are identical with, similar to or not similar to those for which the earlier trademark is protected)*
- ii) the earlier trademark must have a reputation in Malta*
- iii) the use of the later trademark without due cause would take unfair advantage of, or be detrimental to, the distinctive character or the repute of the earlier trademark*

b) The first requirement is fulfilled as:

- the Opponent's goods relating to National Registered Trademark Application No: 10027 are identical or similar to goods in respect of which applicant is applying for with National Trademark Application No: 59700*
- there is an average visual, aural and conceptual similarity between the marks in question;*

c) Trademark 10027 was registered with effect 17th May 1969.

d) The opponent states that:

6. during the period 1969 to 1972 the brand was introduced to/consolidated in various other markets across Europe including Malta, and was advertised in accordance with applicable local laws of the time...

11. evidence of matters indicated in paragraph numbers 2-10 (inclusive) and 12 of this Part, as well as evidence of a list of all the current trademark registrations worldwide for – or including – the expression ROYALS, in the name of the Opponent or any other company forming a part of BAT, is attached to an affidavit of Stuart Paul Aitchison a certified copy of which is attached hereto and marked as document "I" ...

12. sales of Rothmans ROYALS have been constant throughout the European Union and Malta since 1969, and details of sales in Malta over approximately 10 years (period 2008-2018) are annexed to the affidavit of Stuart Paul Aitchison as document "Annex XXIV" thereto

13. there can be no doubt that as a result of massive effort from the part of BAT, all of the Opponent's Malta-registered trademarks indicated herein at

paragraph 8, enjoy reputation in Malta. Since at least ten years all forms of advertising of tobacco products are illegal in Malta hence since then there is no evidence of advertising activities from the Opponent's part or from the part of any other person (corporate or unincorporated) connected therewith

- e) *Neither the opponent nor the affidavit of Stuart Paul Aitchison provides any evidence of any advertising campaign involving Trademark 10027 taking place close to the date when the applicant filed his application. Indeed, the opponent states that:*

“...Since at least ten years all forms of advertising of tobacco products are illegal in Malta hence since then there is no evidence of advertising activites from the Opponent's part or from the part of any other person (corporate or unincorporated) connected therewith...”

- f) *The statistics referred to by the opponent do not provide any breakdown of the sales taken place in Malta in packets or packaging bearing Trademark 10027.*
- g) *The opponent have not provided any documentation indicating to the satisfaction of the Office that Trademark 10027 has a reputation in Malta.*

Given the above the Office does not consider that any proof has been provided showing that Trademark 10027 has a reputation in Malta. Thus, the second requirement of Article 6(3)(a) of the Trademarks Act, Cap 597 is not fulfilled.

The opposition to the applicant's mark based on the opponent's mark, Trademark 10027, on the grounds of Article 6(3)(a) of the Trademarks Act, Cap 597 is rejected.

3) *Opposition to the applicant's mark based on claim of “ROYALS” as a “WELL KNOWN TRADEMARK” in Malta in respect of cigarettes as per Art. 6(1)(b)*

The Office notes that:

- a) *Article 6(1) b states:*
 - 6(1) A trademark shall not be registered or, if registered, shall be liable to be declared invalid where
 - b) because of its identity with, or similarity to, an earlier trademark and the identity or similarity of the goods or services covered by the trademarks, there exists a likelihood of confusion on the part of the public, including the likelihood of association by the public with the earlier trademark
- b) *Since in this instance the opponent when citing grounds for opposition 6(1)(b) he does so on the claim that Royals is an earlier trademark which is a well-known*

mark in Malta, the opponent must submit evidence of the mark being well known.

c) *The opponent states that:*

6. during the period 1969 to 1972 the brand was introduced to/consolidated in various other markets across Europe including Malta, and was advertised in accordance with applicable local laws of the time...

11. evidence of matters indicted in paragraph numbers 2-10 (inclusive) and 12 of this Part, as well as evidence of a list of all the current trademark registrations worldwide for – or including – the expression ROYALS, in the name of the Opponent or any other company forming a part of BAT, is attached to an affidavit of Stuart Paul Aitchison a certified copy of which is attached hereto and marked as document “I”...

12. sales of Rothmans ROYALS have been constant throughout the European Union and Malta since 1969, and details of sales in Malta over approximately 10 years (period 2008-2018) are annexed to the affidavit of Stuart Paul Aitchison as document “Annex XXIV” thereto

...

13. there can be no doubt that as a result of massive effort from the part of BAT, all of the Opponent’s Malta-registered trademarks indicated herein at paragraph 8, enjoy reputation in Malta. Since at least ten years all forms of advertising of tobacco products are illegal in Malta hence since then there is no evidence of advertising activities from the Opponent’s part or from the part of any other person (corporate or unincorporated) connected therewith

d) *Neither the opponent nor the affidavit of Stuart Paul Aitchison provides any evidence of any advertising campaign involving Trademark ROYALS taking place close to the date when the applicant filed his application. Indeed, the opponent states that:*

“...Since at least ten years all forms of advertising of tobacco products are illegal in Malta hence since then there is no evidence of advertising activites from the Opponent’s part or from the part of any other person (corporate or unincorporated) connected therewith...”

e) *The statistics referrd to by the opponent do not provide any breakdown of the sales taken place in Malta in packets or packaging bearing the Trademark ROYALS.*

- f) *The opponent has not provided any documentation indicating to the satisfaction of the Office that Trademark ROYALS is well known in Malta.*

Given the above, the Office does not consider that any proof has been provided that the Trademark ROYALS is well known in Malta.

The opposition to the applicant's mark based on claim of "ROYALS" as a "WELL KNOWN TRADEMARK" in Malta in respect of cigarettes as per Article 6(1)(b) of the Trademarks Act (Cap 597) is rejected.

- 4) Opposition to the applicant's mark based on claim of "ROYALS" being as a "TRADEMARK OF REPUTATION in Malta ... in respect of cigarettes as per Art 6(3)(a) the Trademarks Act, Cap. 597**

The Office notes that:

- a) *in opposing the applicant's mark based on claim of "ROYALS" being as a TRADEMARK OF REPUTATION, the opponent states in the opposition Section (B) CLEAR IDENTIFICATION OF THE EARLIER MARK(S) OR RIGHT(S) ON WHICH THE OPPOSITION IS BASED..."*

"Opposition is based on the following:

...

- (B)(2) EARLIER MALTA TRADEMARK "ROYALS", in respect of cigarettes ... both as:

...

(b) a trademark "OF REPUTATION" in Malta under applicable provisions contained in Cap. 597, in particular art. 6(3)(a) thereof and its related provision art. 6(2)(d)."

- b) *The opponent basing his claim on the definition of earlier mark as provided in 6(2)(d) namely:*

(d) trademarks which, on the date of application for registration of the trademark or, where appropriate, of the priority claimed in respect of the application for registration of the trademark, are well known in Malta, in the sense in which the words "well-known" are used in Article 6bis of the Paris Convention.

- c) *since in this instance the opponent when citing grounds for opposition 6(3)(a) he does so on the claim that Royals is an earlier trademark which is as a well-known mark in Malta, the opponent must submit evidence of the mark being well known.*

d) The opponent states that:

6. during the period 1969 to 1972 the brand was introduced to/consolidated in various other markets across Europe including Malta, and was advertised in accordance with applicable local laws of the time ...

...

11. evidence of matters indicated in paragraph numbers 2-10 (inclusive) and 12 of this Part, as well as evidence of a list of all the current trademark registrations worldwide for – or – including – the expression ROYALS in the name of the Opponent or any other company forming a part of BAT, is attached to an affidavit of Stuart Paul Aitchison a certified copy of which is attached hereto and marked as document “I” ...

12. sales of Rothmans ROYALS have been constant throughout the European Union and Malta since 1969, and details of sales in Malta over approximately 10 years (period 2008-2018) are annexed to the affidavit of Stuart Paul Aitchison as document “Annex XXIV” thereto

...

13. there can be no doubt that as a result of massive effort from the part of BAT, all of the Opponent’s Malta-registered trademarks indicated herein at paragraph 8, enjoy reputation in Malta. Since at least ten years all forms of advertising of tobacco products are illegal in Malta hence since then there is no evidence of advertising activities from the Opponent’s part or from the part of any other person (corporate or unincorporated) connected therewith

e) Neither the opponent nor the affidavit of Stuart Paul Aitchison provides any evidence of any advertising campaign involving trademark ROYALS taking place close to the date when applicant filed his application. Indeed, the opponent states that:

“...Since at least ten years all forms of advertising of tobacco products are illegal in Malta hence since then there is no evidence of advertising activities from the Opponent’s part or from the part of any other person (corporate or unincorporated) connected therewith...”

f) The statistics referred to by the opponent do not provide any breakdown of the sales taken place in Malta in packets or packaging bearing the trademark ROYAL.

g) The opponent has not provided any documentation indicating to the satisfaction of the Office that Trademark ROYALS is well known in Malta.

Given the above the Office does not consider that any proof has been provided that the Trademark ROYALS is well known in Malta and hence cannot be used as earlier mark on the basis of which to claim that it is a trademark of reputation.

Consequently, the opposition to the applicant's mark based on claim of "ROYALS" being a "TRADEMARK OF REPUTATION in Malta in respect of cigarettes as per Art. 6(3)(a) of the Trademarks Act, Cap. 597 is rejected.

5) Regarding the trademarks subject to invalidity proceedings

In regards to the grounds for opposition citing the trademarks which are subject to invalidity proceedings these will be considered:

- a) *If there is an appeal and the Court does not rule in favour of the acceptance of the opposition and rules that the opposition should be rejected and*
- b) *The Office is presented with official documentation by the opponent showing that all pending actions in their regard are decided in a final manner. Provided that consideration will be only in case of those in respect of which the action of invalidity fails.*

The trademark applicant will be informed of this decision and can institute an appeal against this decision before the Court of Appeal in terms of Article 100 of the Trademark Act, Cap 597.

If an appeal is not instituted within the timeframe provided in Article 100, this office will record this application as refused in our records."

Konsiderazzjonijiet ta' din il-Qorti

8. Din il-Qorti ser tgħaddi sabiex tikkunsidra l-aggravji rispettivi tal-appellant noe, u dan fid-dawl ta' dak kollu li qal il-Kontrollur fid-deċiżjoni appellata.
9. Dwar l-ewwel aggravju tiegħu, l-appellant noe jippreżenta s-segwenti sottomiſſjonijiet: (a) f'para. 2(e) tad-deċiżjoni appellata, huwa kien qed jiġi kkritikat li ma pproduċa l-ebda evidenza “*of any advertising campaign involving Trademark 10027 close to the date when the applicant filed his application*”, u saħansitra kkastigatha fejn “*since at least ten years all forms of advertising of tobacco products are illegal in Malta hence since there is no evidence of advertising activities from the Opponent's part or from the part of any other person (corporate or unincorporated) connected therewith...*”; (b) din il-požizzjoni hija skorretta u saħansitra inkredibbli fid-dawl tad-dispožizzjonijiet tas-subartikolu 4(1) tal-Kap. 315 li ġew fis-seħħi stante d-Direttiva tal-UE 2003/33/KE, sabiex b'hekk il-perijodu tal-projbizzjoni kien ta' madwar erbatax-il sena u xahrejn qabel ma sar l-Avviz tal-Oppožizzjoni, u dan fejn il-*brand look* evolva ruħu f'dawk il-ħamsin sena fejn ġew registrati t-*trademarks* 18478 u 35235 fl-1988 u fl-2001 rispettivament, u aktar tard it-*trademarks* 44324 u 52121 fl-2005 u fl-2013 rispettivament, mingħajr ma ġie mittieħes l-element dominanti jew l-isem tal-prodott ROYALS li jinsab registrat bħala *trademark* 37183; (c) hija kienet irrilevat il-volum ta' bejgħi ta' sigaretti ROYALS bejn l-2008 u l-2018, u donnu l-Kontrollur kien aċċetta in prinċipju l-ammont għoli ta' bejgħi; (d) madankollu din l-evidenza twarrbet għaliex allegatament ma kienx hemm evidenza li setgħet turi li l-bejgħi kien proprju ta' sigaretti bil-marka

(e) it-trademark anteċedenti hija reġistra soġgetta li “*The right to the exclusive use of the letter R; the lions and the crown which is common to the trade is disclaimed*”, sabiex b’hekk ma jista’ jkun hemm l-ebda dubju li l-konsumatur li jara dik it-trademark ser jidentifikaha bħala ‘ROYALS’ ta’ Rothmans jew marka tal-appellant noe, fejn l-element verbal i ‘ROYALS’ huwa predominant; (f) il-para. (a) tas-subartikolu 26(4) tal-Kap. 597 jipprovdi b’mod inekwivoku li użu validu ta’ trademark reġistrata tfisser ukoll “*I-użu tat-trademark f’forma li hija differenti fir-rigward tal-elementi li ma jbiddlux ix-xorta distintiva tat-trademark fil-forma li fiha tkun ġiet reġistrata*”; (g) hija kienet ippruvat li l-element ‘ROYALS’ li huwa dak li l-iktar li jispikka fit-trademark 10027, huwa wżat skont il-liġi u skont id-disposizzjonijiet tal-para. (a) tas-subartikolu 26(4) tal-Kap. 597 permezz ta’ użu kummerċjali kontinwu sa mill-1969 fir-rigward ta’ prodotti ta’ tabakk manifatturat (sigaretti)/artikli ta’ tipjip magħrufin bħala ‘ROYALS’ fejn saħansitra l-prodott huwa popolari sew hawn Malta kif jidher mill-bejgħ qawwi li ntwera għall-perijodu bejn l-2008 u l-2018; (g) għalhekk il-Kontrollur kellu jkun sodisfatt li ġie ppruvat li ‘ROYALS’, kemm bħala kelma u wkoll f’sfumatura jew f’sfumaturi figurattivi stilizzati, hija rinomata f’Malta, u għalhekk għandha reputazzjoni fost il-pubbliku; (għ) iċ-ċifri ta’ bejgħ huma tassew inkredibbli; (ħ) huwa kien esebixxa prova tar-riklamar għall-perijodu qabel ma hawn Malta kienet ġiet imposta projbizzjoni tar-reklamar ta’ prodotti tat-tabakk; (h) kuntrarjament għal dak li ngħad fil-para. 2(g) tad-deċiżjoni appellata, hija kienet

esebiet dokumentazzjoni li kellha turi a sodisfazzjoni ta' min kellu jiġgudika, li t-*trademark* anteċedenti hija rīnomata hawn Malta u għandha 'reputazzjoni' skont id-disposizzjonijiet tal-para. (a) tas-subartikolu 6(3) tal-Kap. 597; (i) il-Kontrollur jidher li injora għal kollox is-sentenzi *res judicata* mogħtija mill-Qorti Ċivili, Prim'Awla, fit-22 ta' April, 2010 u tal-10 ta' Diċembru, 2013, fejn ġiet ittrattata t-tema ta' reputazzjoni hawn Malta tat-*trademark* anteċedenti b'mod ġenerali; (ie) għalhekk jirriżulta li hija kienet ippruvat li t-*trademark* anteċedenti hija magħrufa fost il-pubbliku rilevanti hawn Malta, u b'hekk tikkostitwixxi *trademark* ta' 'reputazzjoni f'Malta' *ai termini* tal-para. (a) tas-subartikolu 6(3) tal-Kap. 597; (j) b'hekk kellha tiġi akkolta l-oppożizzjoni tagħha.

Dwar it-tieni aggravju rigwardanti l-kap. 3 tad-deċiżjoni appellata, partikolarmen il-paragrafi (c) sa (f), u ż-żewġ paragrafi li jsegwu l-para. (f), tissottometti: (a) hija kienet ressjet prova tassew biżżejjed sabiex turi li t-*trademark* anteċedenti hija 'magħrufa sew' hawn Malta fir-rigward ta' sigaretti, u għalhekk tinstab protetta *ai termini* tal-Artikolu 6bis tal-Konvenzjoni ta' Pariġi fuq *trademarks* 'magħrufin sew', u għalhekk l-oppożizzjoni tagħha msejsa fuq il-para. (b) tas-subartikolu 6(1) flimkien ma' dik marbuta mal-para. (d) tas-subartikolu 6(2) tal-Kap. 597, kellha tintlaqa' u mhux tiġi rigettata; (b) bl-istess mod kif ċaħad is-sottomissionijiet tiegħu dwar 'reputazzjoni' hawn Malta tat-*trademark* anteċedenti, il-Kontrollur ċaħad is-sottomissionijiet tiegħu dwar *status* ta' 'well-known trademark' hawn Malta fir-rigward ta' sigaretti; (c) dawk l-argumenti ppreżentati fir-rigward tal-ewwel aggravju għandhom jgħoddha hawnhekk ukoll; (d) għandu jiġi osservat li fil-kap. 1 tad-deċiżjoni appellata, li minnu huwa mhuwiex qed jappella, il-Kontrollur sab li hemm '*likelihood of confusion*' *ai termini* tal-para. (b) tas-subartikolu 6(1) tal-Kap. 597; (e) ġaladara ba-

stabbilit li ‘ROYALS’ huwa protett hawn Malta bħala ‘well-known trademark’ ai termini tal-Artikolu 6bis tal-Konvenzjoni ta’ Parigi, id-deċiżjoni appellata kellha ssib li hemm ukoll ‘likelihood of confusion’ skont il-para. (b) tas-subartikolu 6(1), flimkien mal-para. (d) tas-subartikolu 6(2), tal-Kap. 597; (f) b’hekk kellha tiġi milqugħa din ir-raġuni ta’ oppożizzjoni sabiex b’hekk il-Kontrollur jiddeċiedi li jirrifjuta li jirregista t-trademark opposta.

Dwar it-tielet aggravju, is-soċjetà appellanta qegħda tissottometi dan li ġej fir-rigward tal-kap. 4 tad-deċiżjoni appellata, partikolarment għal dak li jingħad fil-paragrafi (d) sa (g), u ż-żewġ paragrafi li jsegwu dan tal-aħħar: (a) hija kienet ressquet prova tassew suffiċjenti sabiex turi li t-trademark anteċedenti hija ‘magħrufa sew’ hawn Malta fir-rigward ta’ sigaretti, u b’hekk tinstab protetta mill-Artikolu 6bis tal-Konvenzjoni ta’ Parigi, u għalhekk l-oppożizzjoni tagħha msejsa fuq il-para. (a) tas-subartikolu 6(3) u dak relatat para. (d) tas-subartikolu 6(2) tal-Kap. 597, kellha tintlaqa’; (b) il-Kontrollur kien čaħad bl-istess mod is-sottomissionijiet tagħha dwar status ta’ ‘well-known trademark’ / trademark ‘magħruf hawn Malta’ tal-marka ‘ROYALS’ fir-rigward ta’ sigaretti; (c) is-sottomissionijiet tagħha fir-rigward tal-ewwel aggravju jgħoddju hawnhekk ukoll; (d) ġaladarba stabbilit li t-trademark anteċedenti hija protetta hawn Malta bħala ‘well known trademark’ ai termini tal-Artikolu 6bis tal-Konvenzjoni ta’ Parigi, kelli jiġi deċiż li l-użu fil-kummerċ ta’ *Business Royal of London 1844* kien ser ikun ta’ preġudizzju għax-xorta distintiva u/jew għar-reputazzjoni f’Malta tat-trademark anteċedenti skont dak li jiddisponi għalihi il-para. (a) tas-subartikolu 6(3) u l-para. (d) tas-subartikolu 6(2) tal-istess Kap. 597; (e) għalhekk l-oppożizzjoni tagħha hawn ukoll għall-istess raġuni ta’ oppożizzjoni kellha tintlaqa’. Is-soċjetà appellanta rrilevat ukoll is-segwenti dwar il-Konvenzjoni ta’

Pariġi: (a) huwa paċifiku li l-Artikolu 6bis huwa rikonoxxut fil-ligi tagħna u anki enforzabbli permezz tal-istess; (b) stante li hija ġiet imċaħħda mill-*protezzjoni ai termini* tal-Artikolu 6bis u anki li l-Kontrollur interpreta l-provi b'mod żbaljat, din il-Qorti għandha teżamina l-mertu wara li tikkunsidra l-Avviż ta' Oppożizzjoni, il-Kontro-dikjarazzjoni, l-Avviż dwar Manteniment tal-Oppożizzjoni, il-provi relatati u d-deċiżjoni appellata stess. Dan kollu rilevat għandu jwassal sabiex din il-Qorti tiddikjara li l-applikazzjoni tat-*trademark* opposta mhijiex reġistrabbi *ai termini* tal-para. (b) tas-subartikolu 6(1) u tal-para. (a) tas-subartikolu 6(3) tal-Kap. 597, u dan ukoll fid-dawl tal-jeddijiet tagħha msemmija taħt il-kapi 2, 3, u 4 tad-deċiżjoni appellata.

10. Il-Qorti tibda billi tikkunsidra dak li jiddisponu għaliex il-para. (b) tas-subartikolu 6(1), il-para. (d) tas-subartikolu 6(2) u l-para. (a) tas-subartikolu 6(3) tal-Kap. 597:

“(1) Trademark m’għandhiex tiġi reġistrata jew, jekk tkun reġistrata, tista’ tiġi dikjarata invalida meta

...

(b) minħabba l-identità jew similarità tagħha ma’ trademark preċedenti u l-identità jew is-similarità tal-oġġetti jew is-servizzi koperti mit-trademarks, teżisti l-probabbiltà ta’ konfużjoni min-naħha tal-pubbliku, inkluża l-probabbiltà ta’ assoċjazzjoni mill-pubbliku mat-trademark preċedenti;

...

(2) “Trademarks preċedenti” fil-kuntest tat-tifsira tas-subartikolu (1) tfisser:

...

(d) trademarks li, meta ssir l-applikazzjoni għar-reġistrazzjoni tat-trademark li, meta ssir l-applikazzjoni għar-reġistrazzjoni tat-trademark jew, meta jkun xieraq, tal-priorita’ pretiżże fir-rigward tal-applikazzjoni għar-reġistrazzjoni tat-trademark, ikunu

magħrufa sew f'malta, fis-sens li fih il-kliem “magħrufa sew” jintużaw fl-Artikolu 6bis tal-Konvenzjoni ta' Pariġi;

...

(3) Aktar minn hekk, trademark m'għandhiex tigi registrata jew, jekk tiġi registrata, din tkun tista' tiġi dikjarata invalida meta:

- (a) din tkun identika, jew simili, għal trademark preċedenti irrispettivament minn jekk l-oġġetti jew is-servizzi li għalihom tiġi applikata jew registrata trademark ikunux identiči, jew simili jew mhux ma' dawk li dwarhom it-trademark preċedenti tkun protetta, meta t-trademark preċedenti jkollha reputazzjoni f'Malta jew, fil-każ ta' trademark tal-UE, għandha reputazzjoni fl-Unjoni u l-użu tat-trademark sussegwenti, mingħajr raġuni valida, jieħu vantaġġ ingust mit-trademark preċedenti jew huwa detrimentali għax-xorta distintiva jew għar-reputazzjoni tat-trademark preċedenti;”

11. Il-Kontrollur għarraf li fil-każ odjern jinsab sodisfatt l-ewwel rekwiżit li jitlob dan il-provvediment, jiġifieri li “...the trademark must be identical with, or similar to, an earlier trademark (irrespective of whether the goods or services for which the trademark is applied or registered are identical with, similar to or not similar to those for which the earlier trademark is protected)”. Iżda rrileva li “[n]either the opponent nor the affidavit of Stuart Paul Aitchison provides any evidence of any advertising campaign involving Trademark 10027 taking place close to the date when the applicant filed his application”, u kkunsidra dak li saħansitra stqarr l-appellant noe stess li “[s]ince at least ten years all forms of advertising of tobacco products are illegal in Malta hence since then there is no evidence of advertising activities from the Opponent's part or from the part of any other person (corporate or unincorporated) connected therewith...”, u li “[t]he statistics referred to by the opponent do not provide any breakdown of

the sales taken place in Malta in packets or packaging bearing Trademark 10027". Il-Kontrollur irrileva wkoll li l-appellant noe ma kienx esebixxa dokumentazzjoni li setgħet turi a sodisfazzjoni tiegħu li t-trademark anteċedenti għandha reputazzjoni hawn Malta. Il-Qorti tgħid fl-ewwel lok li fid-dawl ta' dak li jipprovdi għalih is-subartikolu 4(1) tal-Kap. 315, l-appellant noe għandu raġun jilmenta minn kif il-Kontrollur wasal sabiex ċaħad l-oppożizzjoni tiegħu ai termini tal-para. (a) tas-subartikolu 6(3) tal-Kap. 597. Il-projbizzjoni fil-liġi ta' kull xorta ta' reklamar hija čara, u ma jistax jinftiehem kif l-ottemperanza tal-appellant noe mal-istess liġi setgħet ittieħdet bħala raġuni għaċ-ċaħda tal-oppożizzjoni tiegħu. Il-Qorti tgħid li jirriżulta mill-provi esebiti quddiem din il-Qorti konsistenti f'Dok. LAS01 u Dok. LAS02, li huma MISCO survey reports li t-trademark anteċedenti reġistrata f'isem l-appellant noe għandha reputazzjoni sostanzjalment qawwija hawn Malta kuntrarjament għat-trademark opposta, li tirriżulta saħansitra mhux magħrufa. Għalhekk il-Qorti hija konvinta li jekk l-applikazzjoni għar-ħar-reġistrazzjoni ta' din tal-aħħar tiġi milquġha, m'hemm l-ebda dubju li ser tgawdi u ser tiġi aġevolata mir-reputazzjoni tat-trademark anteċedenti fl-istess suq ta' bejgħ ta' sigaretti, sabiex b'hekk sidha ser jagħmel inġustament gwadann finanzjarju ta' kwalunkwe xorta bis-saħħha tar-reputazzjoni tat-trademark anteċedenti, li sidha ġertament ħadem għalih bis-sħiħ matul dawn is-snин kollha. Dan huwa biżżejjed sabiex jirnexxi l-ilment tal-appellant noe taħt is-subartikolu 6(3) tal-Kap. 416. Iżżejjid tgħid li meta l-Kontrollur ikkunsidra li ma kinitx ġiet esebita informazzjoni dwar il-bejgħ hawn Malta ta' pakketti jew ippakkjar bit-trademark anteċedenti fuqhom, dan kien qed ikun restrittiv wisq fl-interpretazzjoni li kien qed jagħti lil-liġi. Kif sewwa jirrileva l-appellant noe, l-iktar element li jispikka huwa l-element verbali

‘ROYALS’, u saħansitra I-Kontrollur stess wara li għaraf li bħala prinċipju l-element l-iktar distintiv huwa dak verbali, qal li fil-każ odjern dan kien jikkonsisti fil-kliem ‘Rothmans’ u ‘ROYALS’. Għalhekk il-Qorti tikkunsidra li l-bejgħ elevat tal-prodott marbut mal-isem ‘ROYALS’, kellu jkun prova suffiċjenti tar-reputazzjoni tat-*trademark* anteċedenti.

12. Għaldaqstant il-Qorti tqis li l-aggravji tal-appellant noe huma ġustifikati, u tilqagħhom.

Decide

- (c) fit-tielet lok, tiddikjara li l-applikazzjoni tat-trademark numru ta' applikazzjoni 59700 *Business Royals of London 1844* ma hijiex registrabbli *ai termini* tal-artikolu 6(3)(a) tal-Att dwar it-Trademarks (Kap. 597 tal-Liġijiet ta' Malta), in vista tal-jeddijiet tal-kumpannija appellanta naxxenti mit-trademark ROYALS qua trademark 'magħrufa sew' *ai termini* tal-Artikolu 6bis tal-Konvenzjoni ta' Pariġi għall-Protezzjoni tal-Proprietà Industrijali tal-20 ta' Marzu 1883 (kif riveduta jew emendata minn żmien għal żmien).
