

SMALL CLAIMS TRIBUNAL

(EUROPEAN SMALL CLAIMS PROCEDURE)

ADJUDICATOR ADV. DR. Leontine Calleja LL.D

Today 24th February 2025

Claim Number: **6 / 2017**

Llalco Fluid Technology SL

vs

Pullmantur Cruises Monarch Ltd

The Tribunal,

Having seen the Claim Form (Form A) filed by the claimants on the 17th. July, 2017 whereby the same, in line with EC Regulation no. 861/2007, requested the Tribunal to condemn defendant to pay them the sum of two thousand and eighty six euros (€2086) with interest from 28th July 2016 for purchase order number 09602884.

Having seen that the respondent company was notified and did not file a reply to contest the claim.

Having seen that various attempts were made by the Deputy Registrar of Courts of Malta to contact the claimant.

The Tribunal considers:

That no documentation was submitted together with the claim and although various attempts were made to contact the claimant to see if the claim had been settled and if they still had an interest in their claim, they were to submit evidence to substantiate their claim, however no response was received.

Having seen that there was no interest from the claimant since no further communication was received after the initial application was filed. In

terms of article 964 (1) of Chapter 12 of the Laws of Malta, the Tribunal holds that the claim shall be deemed to be deserted unless an application for re-appointed for hearing is filed within three (3) months from today.
