information as the Principal Immigration Officer might have deemed proper to require.

Having seen all the documents exhibited in the acts of these proceedings by the Prosecution in particular a police document, and the consent of the Attorney General for this case to be dealt with summarily.

Having heard the accused declare that he understands the English language well and that he understood the charges brought forward against him by the prosecution.

Having heard the accused plead guilty to the charges brought forward against him.

The Court explained to the accused the consequences of his plea of guilt and after having given the accused sufficient time to reconsider his plea of guilt and saw that the same accused insisted on registering in the acts of these proceedings his plea of guilt, had no alternative but to register such plea.

In the light of the above plea of guilt which guilty plea was made voluntarily, expressly and unconditionally, the Court is satisfied that the accused is to be found guilty of the charges brought forward against him.

The Court noted that the accused corroborated fully with the prosecution.

Thus the Court having seen the relevant sections at law in particular **Section 28 of Chapter 217, of the Laws of Malta** **decides to find the accused YOUSEF MOHAMMED guilty of the charges brought against him by the prosecution and condemns him for a period of four (4) months imprisonment**
