Vs

ANTHONY-MARIO VELLA

IL-QORTI;

Wara li rat li l-imputat **Anthony-Mario Vella**, detentur tal-karta tal-identita` numru **579855M** gie akkuzat talli fil-21 ta` Dicembru 2000 u x-xhur ta` wara f'dawn il-Gzejjer, fil-kapacita` tiegħek ta' Direttur tas-socjeta 'Veltrade Limited' approprijajt, billi dawwart bi profit għalik jew għal persuna ohra, is-somma ta' 15,500 Dollari Amerikani migbura mingħand Olena Tretyak residenti Pieta` li giet fdata jew ikkunsinnata lilek taht titolu illi jgħib mieghu l-obbligu tar-radd tal-haga jew li jsir uzu minnha specifikat, jew minhabba l-professjoni, industrija, kummerc, kariga jew servizz tiegħek. Dan bi ksur tal-artikolu 293 u 294 tal-Kap.9 tal-Ligijiet ta' Malta.

Rat l-atti u d-dokumenti esebiti;

Rat il-kunsens ta` l-Avukat Generali tal-21 ta` Gunju 2004 li jinsab *a folio* 4 sabiex din il-kawza tigi trattata u deciza bil-procedura sommarja;

Qieset id-depozizzjonijiet tax-xhieda mressqa f'dan il-procediment, inkluz dik ta` l-imputat innifsu;

Semghet it-trattazzjoni finali tal-ufficial prosekutur u ta` l-Avukat difensur;

Tippuntwalizza illi dawn l-atti kellhom jigu rikostruwi wara li kienu gew, flimkien ma processi ohra, severament danneggjati in segwitu ghal hruq li kien hakem l-Awla fejn kienu qed jinzammu;

Ikkunsidrat;

Illi in succint, il-fatti rizultanti mill-provi mressqa f'dan il-procediment huma s-segwenti. L-imputat kelly l-lukanda Travellers' Lodge gewwa Bugibba u kien direttur tas-socjeta` Veltrade Limited li kienet topera mill-imsemmija lukanda. L-imputat kelly jiehu xi flus minghand certu Vladimir Zokhov in konnessjoni ma akkomodazzjoni ta` turisti. Zokhov ma kellux flus biex ihallsu w offra lill-imputat li jhallsu bi fliexken tal-vodka. L-imputat, li kif jidher car mill-provi, kien jigghestixxi n-negoju tieghu b'manjiera konfuzjonali ghall-ahhar, accetta. Biex pero` seta jigi mpurtat dan il-container bil-vodka, bilfors kelly jkun hemm isem ta` mali jew kumpanija maltija. L-imputat offra li l-container jigi mpurtat f'isem il-kumpanija tieghu Veltrade Limited. Zokhov, li ha hsieb din l-operazzjoni, kien importa aktar milli kien necessarju biex jithallas l-imputat.

Wara li gie mpurtat dan il-container, l-imputat skopra li ma setghax jirrilaxxjah ghax ma kellux flus biex ihallas id-dazju. Kien qed jipprova jbiegh minn dan il-vodka biex jehles minnu. F'mument partikolari inqalghet wahda bl-isem ta` Olena Tretyak li riedet tixtri xi vodka. Sar inkontru u jidher li sar arrangament biex din Olena Tretyak tixtri xi numru ta` kaxxi tal-vodka. Kien imdahhal fin-nofs l-imsemmi Zokhov, li kien il-persuna li qed jiehu hsieb din l-operazzjoni kollha peress illi hu ried jigbor il-flus biex ihallas lill-imputat. Saru xi hlasijiet – Olena Tretyak tghid li hallset lill-imputat; l-imputat jghid li effettivament il-flus hadhom l-imsemmi Zokhov. Jidher li Olena Tretyak kienet interessata li tixtri dan il-vodka peress illi l-prezz kien wiehed ragonevoli u kienet qed tipprospera li tagħmel qliegħ tajjeb meta tbieghu fis-suq lokali. Jidher car illi t-transazzjoni saret – hi harget il-flus biex tixtri l-vodka liema vodka kienet tezisti gol-container partikolari. Gara izda illi anki hija sussegwentement irrealizzat li biex toħrog

il-vodka mid-dwana, kellha tagħmel aktar hlasijiet ta` dazju – fatt li ma ghogobha xejn ghax kien ser ikun detrimentali ghall-qlegh li kienet qed tipprossetta li tagħmel.

Dan huwa x-xenarju principali f'dan il-kaz.

Ikkunsidrat:

Minn ezami akkurat tar-rizultanzi processwali din il-Qorti hi tal-fehema li l-prosekuzzjoni f'dan il-kaz – ta` appropriazzjoni indebita - ma rnexxietx skond il-ligi. Indipendentement minn min ircieva l-flus, jekk hux l-imputat jew Vladimir Zokhov, il-fatt krucjali f'dan il-kaz huwa wieħed specifiku – Olena Tretyak harget xi flus biex tixtri l-vodka; u l-vodka kienet tezisti ghax ittiehdet biex tarah fil-container gewwa dd-dwana. L-intenzjoni tagħha li tixtri u li għalhekk harget il-flus, kienet konformi mal-intenzjoni ta` Zokhov u/jew ta` l-imputat li l-vodka ezistenti qed tinbiegħ.

Li allura, sussegwenti għal din it-transazzjoni, Olena Tretyak irrealizzat li għadha trid thallas id-dazju (fatt li jidher li fixkilha hafna meta giet biex tinnegozja din il-vodka), ma jfissirx li l-flus li kienu ghaddew, kienu ghaddew bi ksur tad-dispozizzjonijiet ta` l-Artikoli 293 u 294 tal-Ligijiet ta` Malta. Din it-transazzjoni kienet, almenu prima facie, tidher wahda legittima, fejn xi hadd qed jixtri u xi hadd qed ibiegh. Għalhekk ghaddew il-flus, u fl-ebda hin ma kien hemm xi obbligu li l-flus jintraddu lura. Din il-Qorti hi tal-fehema li kull ma gara f'dan il-kaz hu li Olena Tretyak għamlet zball kbir, ossia għamlet transazzjoni hazina hafna. Effettivament, fid-depozizzjoni tagħha, hija tħid senjatament *a folios* 95, 96, 97 :

“ I think that I was mistreated as a companion and I was told a lie about taxes. I was lied about amount of taxes, first of all I was not informed what amount of taxes at all. I would not buy this one dollar seventy five cents if I knew that I had to pay extra three pounds thirty, to get it. I would not do it, I was not informed, but even if it was my fault that I was not even questioned, I given wrong information.....four pound thirty, and then when I needed a sample he refused to release me even sample after I bought all he wanted me to buy extra ten boxes by five pounds and then he stole three out of them.

Parte civile: Mrs. Tretyak, when you went to the police inspector to make the report, was the report made out in writing? Was it written down?

Xhud: It was about four hours of interrogation and in front of me Miss Edele she put in on computer, yes I have a copy, and I saw how she was putting it, I did not bring it with me today.

Qorti: I am exhibiting to the Court as document number seven the statement which I released to the police.

Parte Civile: Now, regarding to the payments which you made to the accused one thousand five hundred, this is US dollars

Xhud: Yes, this is for three hundred boxes, original, and this is deposit for the rest seven hundred boxes, so actually all container.

Qorti: I am exhibiting in Court as document number eight the receipt for the ten thousand, five hundred dollars in respect of the purchase of the first three hundred boxes which I purchased from Mario Vella.

I am exhibiting in Court as document number nine a receipt for five thousand US dollars which amounts to the deposit on the container as I explained in my evidence.

Parte civile: On these documents which you have just exhibited, do you recognize the signatures?

Xhud: This is my signature, this is the signature Mario Vella made in front of me.

Qorti: I am referring to document number eight; And on document number nine there is also the signature of Mario Vella.

Parte civile: If I understood correctly you took the first ten boxes which you had to pay for.

Xhud: Five pounds per each bottle extra.

Parte civile: So the ones you were supposed to be samples you paid again for them.

Xhud: They were not from three hundred. They were from seven hundred which I

Qorti: Not paid, a deposit of five thousand.

Parte civile: And the second ten boxes?

Xhud: Wait a second – they were in a container one thousand something, maybe one thousand one hundred, so if I bought three hundred, then seven hundred deposit, there still were about one hundred boxes which Mario Vella could sell to whoever he wanted. So if he sold me ten boxes from his, it could be, I did not ask from which one, but I bought them extra, they are not included in this price. I paid extra.

Parte civile: How many boxes did you pay extra?

Xhud: Those ten boxes.

Parte civile: Besides those then boxes which you paid extra, did you pay anymore?

Xhud: Yes I took in one year after, I took ten boxes which I released or included in three hundred boxes.

Parte civile: The rest she never got back.

Xhud: Nothing. Opposite, Mario Vella was asking me all the time ‘What you give me a sample because I have a person from Dubai.’ and I was giving him and he never paid me for such samples.

Parte civile: And the money did you ever get the money back?

Xhud: Never.”.

Dan kollu juri bic-car illi l-kaz kollu kien jikkoncerna transazzjoni civili/kummerciali li marret hazin.

Dan huwa wkoll rifless f'dak li jirrizulta a folio 167 (domandi u risposti fix-xhieda ta` l-imputat) u senjatament :

“ Pros: *Jekk nghanid li din Olena tal-bitek kemm-il darba biex tiehu lura l-Vodka u giet għandek biex tiehu s-sehem tagħha u dejjem sibtilha skuza biex ma tagħthiex lura dak li kienet diga hallset għaliex*

Xhud: Le le no way

Pros: U l-flus li ghaddietlek kien fuq Vodka, x'għandek xi tghid?

Xhud: Le l-flus li ghaddiet mhux lili. Lili, tan-nofs l-iehor, kienu tal-Vodka u xejn iktar. Pero hi kellha zmien xahar biex tmur u tagħtih il-kumplament tal-flus lili halli mbagħad hu jaġħihom lili. U din m'għamlitux dan. Bieghet 20 jew 30 kaxxa u daqshekk. Hi setghet tmur teħodhom any time. Kienet libera biex teħodhom. Basta thallas id-dazju ghax tad-dwana, is-Sur Peter Grima qalilha li trid thallas LM3 dazju kull flixkun u hi ma kellhiex flus biex thallashom.”.

Dan il-kwadru ta` fatti kif sufficjentement huwa rizultanti mill-atti jinnewtralizza l-allegazzjoni tal-prosekuzzjoni li dan kien kaz ta` appropriazzjoni indebita.

Hemm imbagħad il-kwistjoni ta` l-allegazzjoni tal-prosekuzzjoni li l-imputat iddispona mill-bqija tal-container a detriment ta` l-istess Olena Tretyak. F'dan ir-rigward, il-provi mressqa huma konfuzjonali. X'seta gara mill-bqija tal-vodka li kien hemm gol-container jidher li se jibqa ffit misterjuz. Li hu zgur hu li l-provi huma tali li l-imputat ma jistax jigi addebitat b'dan il-fatt, u cioe` li l-bqija tal-vodka li kien hemm fil-container hareg mill-isfera tal-pussess tad-dwana.

Din il-Qorti hi tal-fehema illi dak kollu li seta gara wara (li effettivament seħħet it-transazzjoni ta` bejgh u xiri meta ghaddew xi flus biex tinxtara l-vodka), mill-vodka

u/jew il-container tal-vodka *de quo*, ma għandhux influwenza fuq l-ezitu ta` din il-kawza. Il-prosekuzzjoni ma addebitatx lill-imputat bil-ksur tal-ligijiet tad-dwana jew addirittura bir-reati ta` frodi fil-forom differenti tieghu. Jekk kien hemm xi gideb u/jew xi forma ta` ingann, wara t-transazzjoni msemmija, din il-Qorti ma tistax tindirizzah f'din il-kawza. Olena Tretyak, li xorta tibqa vittma, tista titqies sfortunata jew addirittura negligenti fil-mod kif dahlet f'din it-transazzjoni. Anki jekk il-potenzjal li tirkupra dak li harget kien wiehed remot, ir-rimedju għal Olena Tretyak ma kienx fil-Qrati ta` Gustizzja Kriminali izda fi Qrati ohra ta` kompetenza civili/kummercjali.

Jirrizulta evidenti li l-kwistjoni li nibtet bejn Olena Tretyak u l-imputat u/jew Vladimir Zokhov kienet wahda ta` natura purament civili/kummercjali u l-Qorti hi tal-fehma li effettivament ma kienx hemm lok, *ab initio*, ghall-procediment kriminali.

Decide.

GHAL DAWN IL-MOTIVI L-QORTI ssib u tiddikjara lill-imputat Anthony-Mario Vella mhux hati ta` l-imputazzjoni kif migjuba kontra tieghu u konsegwentement minnha tillibera skond il-ligi.
