JOSEPH ZAMMIT McKEON**

Illum il-Hamis, 18 ta` Marzu 2021

**Kawza Nru. 6
Rikors Nru. 108/2020 JZM**

**Georgina armla minn Philip
Grima (K.I. 320638M), Joseph
Grima (K.I. 714462M), u
Doreen Grima (K.I. 213265M)**

kontra

L-Avukat tal-Istat

u

**Mary Galea (KI 443449M) u
Joseph Galea (KI 530553M)**

Il-Qorti :

I. Preliminari

Rat ir-rikors li kien prezentat fil-25 ta` Gunju 2020 li jaqra :-

1. Illi r-rikorrenti Grima huma proprjetarji tal-fond numru 125 Triq Frans Sammut gja Bishop Caruana Street, Zebbug, liema fond kien inkera lill-genituri tal-intimati.

2. Illi l-genituri tal-intimati Galea baqghu jghixu fil-fond sa mewthom u f`dan l-istess fond fil-gurnata tal-mewt taghhom kienu jghixu magghom l-intimati odjerni jew min minnhom li ai termini tal-Kap 69 tal-Ligijiet ta` Malta kellhom dritt li jibqghu jghixu fil-fond b`kera irrizorja.

3. Illi missier u-ragel tal-esponenti, Philip Grima, miet fit-2 ta` Dicembru 2015 skont certifikat tal-mewt, Dokument A u ricerki testamentarji hawn annessi u mmarkati bhala Dokumenti B u C, il-wirt tieghu ddevolva `ab intestato` wara li nfetah it-testment sigriet tieghu b`digriet tal-Qorti ta` Gurisdizzjoni Volontarja, digriet numru 855/16, Dokument D hawn anness.

4. Illi kif jirrizulta mill-istess testment huwa ma nnominax eredi bit-testment tieghu imma halla biss xi legati hemm imnizzla konsegwentement il-wirt tieghu ddevolva $\frac{1}{2}$ indiviz lil martu Georgina Grima u in kwantu ghal nofs indiviz iehor fuq l-unici wliedu r-rikorrenti Joseph Grima u Doreen Grima.

5. Illi b`dikjarazzjoni causa mortis tal-1 ta` Dicembru 2016 fl-atti tan-Nutar Herbert Cassar li estratt minnha koncernanti l-fond de quo qed tigi hawn anness u mmarkat bhala Dokument E l-fond numru 125 Triq Frans Sammut gja Bishop Caruana Street, Zebbug, Malta gie dikjarat `causa mortis` lill-Kummissarju tat-Taxxi Interni.

6. Illi konsegwentement Georgina Grima hija proprjetarja ta` $\frac{1}{2}$ indivizi tal-istess fond waqt li l-unici wlied u ahwa Joseph Grima u Doreen Grima huma proprjetarji ta` $\frac{1}{2}$ indiviz tal-istess fond bejniethom.

7. Illi l-kera li l-intimati qed ihallsu huwa dak il-minimum stabbilit mil-ligi ossia €209.30 fis-sena pagabbli bis-sitt xhur bil-quddiem, meta l-valur lokatizju tal-fond fis-suq huwa ferm aktar minn dak stabbilit bid-disposizzjonijet tal-Kap. 69 tal-Ligijiet ta` Malta li

huma marbutin mal-kera li fond seta` f`xi zmien igib fl-4 ta` Awwissu 1914, liema disposizzjonijet gew mibdula bi ftit bl-Att X tal-2009.

8. Illi l-fond imsemmi bl-emendi tal-Att X tal-2009 illum ghandu kera ta` €209.30 fis-sena pagabbli bis-sitt xhur bil-quddiem ai termini tal-Artikolu 1531C tal-Kap 16 tal-Ligijiet ta` Malta u ai termini tal-istess ligi, r-rata tal-kera ghandha tizdied kull tliet snin b`mod proporzjonali ghal mod li bih ikun jizdied l-Indici ta` Inflazzjoni bl-awment li jmiss fl-1 ta` Jannar 2022.

9. Illi qabel l-emenda ai termini tal-Att X tal-2009, kien japplika l-`fair rent` a tenur tar-`Rent Restriction Dwelling Housing Ordinance` tal-1944 fejn kien jistabilixxi l-fair rent a tenur tal-Artikolu 3 u 4 tal-istess Ordinanza, liema `fair rent` a tenur tal-Kap 69 tal-Ligijiet ta` Malta ma seta` qatt jeccedi dak li hemm stipulat fl-Artikolu 4 tal-istess Kap 69 tal-Ligijiet ta` Malta ossija kumpens ta` kera kif stabbilit bil-ligi ta` fond kieku kien inkera f`kull zmien qabel l-4 ta` Awwissu 1914.

10. Illi dan ifisser illi r-rikorrenti ma setghu qatt jikru l-fond in kwistjoni u jircievu kera gusta stante li bil-ligi dak li kienu jircievu kien kera kif stipulat fil-1914 u baqa` hekk sal-2010 bl-aggustamenti rrizorji tal-Att X tal-2009.

11. Illi billi l-kera hija fissa fil-ligi u ma tistax tinbidel minkejja li l-prezzijiet fis-suq dejjem joghlew u llum il-gurnata tezisti diskrepanza enormi bejn il-kera annwali fuq il-fond u r-redditu li l-istess fond kien igib f`suq hieles din il-kirja tilledi d-drittijiet fundamentali tar-rikorrenti stante li ma nzammx bilanc bejn id-drittijiet tas-sidien u dak tal-inkwilini.

12. Illi l-fond fis-suq hieles igib kera ta` mill-anqas €2,500 fix-xahar.

13. Illi ghalkemm xi snin ilu dahal fis-sehh l-Att X tal-2009 sabiex itaffi d-diskriminazzjoni u l-ingustizzji li l-ligijiet specjali tal-kera kienu joholqu versu s-sidien ta` proprjeta`, din l-istess ligi bl-ebda mod ma tghin lill-esponenti peress li ma taffettwax il-kera gust tal-fond u inoltre b`din l-istess ligi t-tfal tal-intimati Galea x`aktarx ser ikollhom il-jedd li jirtu l-kirja.

14. Illi effettivament bl-istat li hija l-ligi, r-rikorrenti m`ghandhomx speranza reali li qatt jiksbu l-pussess effettiv tal-fond jew redditu reali tal-istess fond tul hajjiethom.

15. Illi la r-rikorrenti u lanqas l-antekawza minnhom ma qatt kienu taw il-kunsens hieles taghhom li l-fond jinkera kif fuq premess imma gew sfurzati jaghmlu hekk minhabba l-ligi ta` rekwizzjoni vigenti stante li l-fond ma kienx fond dekontrollat u lanqas dekontrollabli kif jirrizulta mid-Dokument F u konsegwentment ma setax jithalla vojt.

16. Illi ghalkemm il-perjodu tal-kirja kien biss ghal sena, din l-istess kirja tiggdedded minn sena ghal sena u r-rikorrenti m`ghandhom l-ebda dritt jirrifjutaw li jgeddu din il-kirja.

17. Illi b`dan il-mod, ir-rikorrenti gew mqieghda u mcahhda mit-tgawdija tal-proprjeta` taghhom minghajr ma qed jinghataw kumpens xieraq ghat-tehid tal-pussess tal-istess fond u dan peress illi l-kera li jithallsu bl-ebda mod ma hux qrib il-valur lokatizzju reali tal-istess fond kif jigi ppruvat waqt it-trattazzjoni tal-kawza.

18. Illi l-privazzjoni tal-proprjeta` tar-rikorrenti hija lezzjoni tad-dritt tal-proprjeta` kif protetta mill-Kostituzzjoni u l-Konvenzjoni Ewropea.

19. Illi r-rikorrenti m`ghandhomx rimedju effettiv ai termini tal-Artikolu 6 tal-Konvenzjoni Ewropea stante illi huma ma jistghux iziedu l-kera b`mod ekwu u gust skont il-valur tas-suq illum stante illi dak li effettivament huma jistghu jircievu huwa dak kif limitat bl-artikolu 1531C tal-Kap. 16 tal-Ligijiet ta` Malta.

20. Illi dan kollu gja gie determinat fil-kawzi Amato Gauci vs Malta no. 47045/06 deciza mill-Qorti Ewropea tad-Drittijiet Fundamentali tal-Bniedem fil-15 ta` Settembru 2009 u Lindheim and others Vs Norway nru. 13221/08 u 2139/10 deciza fit-12 ta` Gunju 2012 u Zammit and Attard Cassar vs Malta applikazzjonu nru. 1046/12 deciza fit-30 ta` Lulju 2015.

21. Illi r-rikorrenti qed isofru minn nuqqas ta' "fair balance" bejn l-interessi generali tal-komunita' u l-bzonnijiet u protezzjoni tad-drittijiet fundamentali tal-bniedem kif deciz b' Beyeler vs Italy nru. 33202/96, J.A. Pye (Oxford) Ltd and J.A. Pye (Oxford) Land Ltd vs the United Kingdom [GC], nru. 44302/02, § 75, ECHR 2007-III) u ghalhekk hemm lezjoni tal-principju ta' proporzjonalita' kif gie deciz f' Almeida Ferreira and Melo Ferreira vs Portugal nru. 41696/07 § 27 u 44 tal-21 ta' Dicembru 2010.

22. Illi r-regolamenti ta' kontroll tal-kera huma interferenza mad-dritt tas-sid ghall-uzu tal-proprjeta' taghhom stante illi dawn l-iskemi ta' kontroll tal-kera u restrizzjonijiet fuq id-dritt tas-sid li jittermina l-kirja tal-inkwilin u wisq inqas ta' min qed jipprova jippresta lilu nnifsu bhala inkwilin meta mhuwiex jikkostitwixxi kontroll tal-uzu tal-proprjeta' fit-termini tat-tieni paragrafu tal-Ewwel Artikolu tal-Ewwel Protokoll tal-Konvenzjoni Ewropea (vide Hutten-Czapska vs Poland [GC], nru. 35014/97, §§ 160-161, ECHR 2006-VIII, Bitto and Others vs Slovakia, nru. 30255/09, § 101, 28 ta' Jannar 2014 u R&L, s.r.o. and Others §108).

23. Illi din hija wkoll diskriminatorja sia ai termini tal-Artikolu 45 tal-Kostituzzjoni ta' Malta u l-Artikolu 14 tal-Konvenzjoni Ewropea.

24. Illi inoltre, il-ligi hija diskriminatorja bejn dak li hemm dispost fl-Artikolu 1531C tal-Kap 16 tal-Ligijiet ta' Malta u tal-Kap 69 tal-Ligijiet ta' Malta u dak li jiddisponi l-Att XXXI tal-1995 ghal kirjiet li dahlu fis-sehh wara l-1 ta' Gunju 2005.

25. Illi l-valur lokatizju tal-post huwa ferm oghla minn dak li l-ligi imponiet li r-rikorrenti ghandhom jircievu b'tali mod illi bid-dispozizzjonijiet tal-Artikolu 34, 37 u 45 tal-Kostituzzjoni ta' Malta u l-Artikolu 14 u l-Artikolu 1 tal-Ewwel Protokoll tal-Konvenzjoni Ewropea il-Kap. 69 tal-Ligijiet ta' Malta kif emendat bl-Att XXXI tal-1995 u l-emendi li saru bl-Att X tal-2009 mhux biss ikkawzaw diskriminazzjoni bejn ulied u ohrajn kif stipulat fl-artikolu 1531F tal-Kap. 16 tal-Ligijiet ta' Malta imma wkoll jilledi d-drittijiet kostituzzjonali kif protetti taht l-Artikolu tal-Kostituzzjoni ta' Malta, kif ukoll tal-Artikolu 1 u 14 tal-Protocol Nru. 1 u l-Artikolu 6 tal-Konvenzjoni Ewropea u ghalhekk il-Ligi fuq imsemmija ghandha tigi ddikjarata li tilledi d-drittijiet kostituzzjonali kif protetti mill-Kostituzzjoni u mill-Konvenzjoni Ewropea u ghandha tigi emendata, kif del resto diga gie deciz mill-Qorti Ewropea tad-Drittijiet tal-Bniedem fil-kawza Amato Gauci vs.

Malta – deciza fil-15 ta` Settembru, 2009 u Zammit and Attard Cassar vs Malta deciza fit-30 ta` Lulju 2015 mill-Qorti Ewropea tad-Drittijiet Fundamentali tal-Bniedem.

26. Illi l-privazzjoni hija ferm iktar serja billi hemm diskriminazzjoni naxxenti mill-fatt biss illi sidien ohra li ma krewx il-proprjeta` taghhom qabel is-sena 1995, ai termini tal-Att XXXI tal-1995, ghandhom id-dritt li jirrifjutaw li jgeddu l-kuntratt lokatizzju meta z-zmien patwit tal-kirja tigi fit-tmiem taghha, u jistghu anke jassoggettaw il-kunsens taghhom ghal kundizzjoni li l-kirja tizdied.

27. Illi ghalhekk l-esponenti jhossu li fir-rigward taghhom qed jigi miksur l-Artikolu 37 tal-Kostituzzjoni ta` Malta kif ukoll l-Ewwel Artikolu tal-Ewwel Protokoll tal-Konvenzjoni Ewropea u l-Artikolu 14 tal-istess Konvenzjoni u dan billi huma b`mod diskriminatorju qed jigu privati u mcahhda mit-tgawdija tal-proprjeta` taghhom minghajr ma jinghataw kumpens gust ghal dan.

Ghaldaqstant ir-rikorrenti jitolbu bir-rispett lil din l-Onorabbli Qorti prevja kwalsiasi dikjarazzjoni necessarja u opportuna u ghar-ragunijiet premissi jghidu l-intimati ghaliex m`ghandhiex :-

i. Tiddikjara u Tiddeciedi illi fil-konfront tar-rikorrenti l-operazzjonijiet tal-Ordinanza li Tirregola t-Tigdid tal-Kiri tal-Bini ossija l-Kap 69 tal-Ligijiet ta` Malta u bl-operazzjonijiet tal-Ligijiet viginti qeghdin jaghtu dritt ta` rilokazzjoni lill-intimati Galea tal-fond Nru. 125 Triq Frans Sammut gja Bishop Caruana Street, Zebbug, Malta waqt li qed jigu vjolati d-drittijiet fundamentali tar-rikorrenti kif sanciti bl-Artikolu 37 tal-Kostituzzjoni ta` Malta, u l-Ewwel Artikolu tal-Ewwel Protokoll tal-Konvenzjoni Ewropea (l-Ewwel Skeda tal-Kap. 319 tal-Ligijiet ta` Malta) u tal-Artikolu 14 tal-istess Konvenzjoni, u ghar-ragunijiet fuq esposti u ta` dawk li ser jirrizultaw waqt it-trattazzjoni ta` dan ir-rikors ir-rikorrenti ghandhom jinghataw r-rimedji kollha li din l-Onorabbli Qorti jidhrilha xierqa fis-sitwazzjoni inkuz l-izgumbrament tal-intimati Galea mill-fond de quo.

ii. Tiddikjara u Tiddeciedi illi l-intimati jew min minnhom huma responsabbli ghal kumpens u danni sofferti mir-rikorrenti b`konsegwenza tal-operazzjonijiet tal-Kap 69 tal-Ligijiet ta` Malta kif ukoll l-Att X tal-2009 talli ma kkreatx bilanc bejn id-drittijiet tas-sid u dawk tal-inkwilin stante li ma jirriflettux is-suq u l-anqas il-valur

lokattizzju tal-proprjeta` in kwistjoni ai termini tal-Konvenzjoni Ewropea.

iii. Tillikwida l-istess kumpens u danni kif sofferti mir-rikorrenti, ai termini tal-ligi u tal-Konvenzjoni Ewropea.

iv. Tikkundanna lill-intimati jew minn minnhom ihallsu l-istess kumpens u danni likwidati ai termini tal-ligi u tal-Konvenzjoni Ewropea.

Bl-ispejjez u bl-ingunzjoni tal-intimati ghas-subizzjoni.

Rat id-dokumenti li kienu prezentati mar-rikors.

Rat ir-risposta li pprezenta l-intimat Avukat tal-Istat fit-23 ta` Lulju 2020 u li taqra :-

1. Illi preliminarjament, ir-rikorrenti ghandhom igibu prova cara tat-titolu taghhom sabiex juru li huma s-sidien tal-fond in kwistjoni kif qed jallegaw fir-rikors promotur. F`dan ir-rigward ghandhom ukoll jindikaw id-data preciza ta` meta saru s-sidien tal-fond ghaliex l-ilment kostituzzjonali u konvenzjonali taghhom jista` jigi kkunsidrat minn dik id-data u mhux qabel.

2. Illi preliminarjament ukoll, ghandhom jigu ndikati l-artikoli mill-Kap. 69 u mill-Att X tal-2009 li skont ir-rikorrenti qed jiksruhom d-drittijiet fundamentali taghhom ghat-tgawdija tal-proprjeta` msemmija.

3. Illi ghal kull buon fini, l-esponent jigbed l-attenzjoni ghall-fatt li f`paragrafu 25 tar-rikors promotur ir-rikorrenti jsemmu allegat ksur tal-artikolu 6 tal-Konvenzjoni Ewropea u tal-Artikolu 45 tal-Kostituzzjoni izda mbaghad ma jsemmu xejn fit-talbiet. L-esponent jissollecita lir-rikorrenti sabiex jaghtu spjega dwar dan.

4. Illi minghajr pregudizzju ghall-paragrafi precedenti, fil-mertu, it-talbiet tar-rikorrenti ghandhom jigu michuda in toto peress li

huma nfondati fil-fatt u fid-dritt u dan ghar-ragunijiet segwenti li qed jigu hawn elenkati minghajr pregudizzju ghal xulxin:

5. *Illi peress li r-rikorrenti qed jinvokaw il-protezzjoni tal-Artikolu 37 tal-Kostituzzjoni, l-esponent qed jeccepixxi l-improponibilità tal-Artikolu 37 tal-Kostituzzjoni u dan ghal zewg ragunijiet principali :*

a) *L-ewwel ghalix il-kirja mertu ta` dan il-kaz hija mharsa bil-Kap. 69 tal-Ligijiet ta` Malta li hija ligi li dahlet fis-sehh fid-19 ta` Gunju 1931 u skont ma jipprovdi l-artikolu 47(9) tal-Kostituzzjoni: "Ebda haga fl-artikolu 37 ta` din il-Kostituzzjoni ma ghandha tolqot il-hdim ta` xi ligi fis-sehh minnufih qabel it-3 ta` Marzu 1962 jew xi ligi maghmula fi jew wara dik id-data li temenda jew tissostitwixxi xi ligi fis-sehh minnufih qabel dik id-data (jew xi ligi li minn zmien ghal zmien tkun emendata jew sostitwita bil-mod deskritt f` dan is-subartikolu)...".*

b) *It-tieni ghalix dan l-artikolu 37 jitkellem biss dwar tehid forzuz, jigifieri b`mod obbligatorju, u dan minghajr ma jaghmel referenza ghad-dritt tat-tgawdija tal-proprjeta` - kuntrarjament ghal dak li jaghmel l-Ewwel Artikolu tal-Ewwel Protokoll tal-Konvenzjoni Ewropea. Isegwi ghalhekk li l-Artikolu 37 joffri harsien lil dak li jkun unikament meta hemm tehid tal-proprjeta` minhabba xi effett ta` xi att tal-Istat. Skont din id-disposizzjoni tal-Kostituzzjoni, l-istess protezzjoni mhix moghtija meta jkun hemm interferenza fid-dritt ghat-tgawdija pacifika tal-proprjeta`;*

6. *Sabiex wiehed jista` jitkellem dwar tehid forzuz jew obbligatorju, persuna trid tigi zvestita jew spussessata minn kull dritt li ghandha fuq dik il-proprjeta`. Huwa evidenti li fil-kaz prezenti, tali zvestment ma sarx u dan peress li bil-kirja r-rikorrenti ma tilfux ghal kollox il-jeddijiet taghhom fuq il-fond in kwistjoni u ghalhekk dan il-kaz ma jammontax ghal deprivazzjoni totali tal-proprjeta`. Illi tajjeb li jigi nnutat li l-Istat ha mizura li tinkwadra ruhha taht kontroll ta` uzu fejn irregolarizza sitwazzjoni ta` natura socjali fl-ambitu tal-gid komuni b`dana però li jibqghu mpregudikati d-drittijiet tas-sidien qua proprjetarji tal-fond. Fid-dawl ta` dan kollu, l-ilment tar-rikorrenti ma jinkwadrax ruhu fil-parametri tal-artikolu 37 tal-Kostituzzjoni u ghandu jigi michud;*

7. *Illi minghajr pregudizzju ghall-paragrafu precedenti, dato ma non concesso li l-artikolu 37 japplika ghal dan il-kaz, xorta wahda*

ma hemm ebda ksur tal-Artikolu 37 tal-Kostituzzjoni u tal-Ewwel Artikolu tal-Ewwel Protokoll tal-Konvenzjoni Ewropea stante li l-fatti tal-kaz prezenti ma jikkostitwixxux tehid forzuz jew obligatorju tal-proprjetà izda jikkostitwixxu biss kontroll ta` uzu ta` proprjetà fil-parametri tal-Kostituzzjoni u tal-Konvenzjoni Ewropea.

8. Illi safejn l-ilment tar-rikorrenti huwa msejjes fuq l-Ewwel Artikolu tal-Ewwel Protokoll tal-Konvenzjoni Ewropea, l-esponenti jirrileva li skont il-proviso tal-istess artikolu, l-Istat ghandu kull jedd li jghaddi dawk il-ligijiet li jidhrulu xierqa biex jikkontrolla l-uzu tal-proprjetà skont l-interess generali. Anki skont il-gurisprudenza kostanti tal-Qorti ta` Strasburgu, l-Istat igawdi diskrezzjoni wiesgha sabiex jidentifika x` inhu mehtieg fl-interess generali u x` mizuri ghandhom jittiehdu sabiex jigu ndirizzati dawk il-htigijiet soċjali. Tali diskrezzjoni tal-legislatur m`ghandhiex titbiddel sakemm din ma tkunx manifestament minghajr bazi ragonevoli – li zgur mhux il-kaz.

9. Il-ligijiet li qed jilmentaw minnhom ir-rikorrenti huma mahsuba sabiex jiprotegu persuni milli jigu mkeccija mid-dar ta` abitazzjoni taghhom f`gheluq it-terminu koncess lilhom fil-kuntratt tal-kiri. B`hekk dawn l-artikoli zgur li ma jistghux jigu kklassifikati bhala mhux legittimi jew mhux fl-interess generali u l-esponent jara li dawn l-artikoli assolutament m`ghandhomx jitqiesu li jmorru kontra d-drittijiet fundamentali tal-bniedem.

10. Illi l-Ewwel Artikolu tal-Ewwel Protokoll ma jikkoncedi ebda dritt li xi hadd jircievi profitt. Allura, fil-kuntest ta` proprjetà li qed isservi ghall-finijiet ta` social housing, zgur li ma jistax jigi kkontemplat xi dritt simili.

11. Illi f`cirkostanzi bhal dawn fejn jezisti interess generali legittimu, ma tistax tpoggi fl-istess keffa l-valur tal-proprjetà fis-suq hieles ma` dak il-valur li wiehed ghandu jhallas fil-kuntest ta` social housing. L-ghan wara dawn il-ligijiet huwa li jipprovdu ghall-interess generali u cjoe li jipprovdu dar ta` abitazzjoni. Huwa risaput li l-Qorti Ewropea stess fil-gurisprudenza taghha fosthom fil-kaz ta` "Amato Gauci vs Malta" rrikonoxxiet li : "State control over levels of rent falls into a sphere subject to a wide margin of appreciation by the State and its application may often cause significant reductions in the amount of rent chargeable."

12. Illi jekk fil-kaz odjern kien hemm tnaqqis fil-kera dovuta lir-rikorrenti meta mqabbla mal-valur lokatizju fis-suq, dan it-tnaqqis huwa kontro-bilancjat bil-margini wiesgha tal-Istat li jillegisla fil-kuntest ta` mizuri socjali fosthom fil-qasam tad-djar.

13. Ma hemm l-ebda dubju li kieku kellu jigi applikat il-prezz tal-kirjiet fis-suq ugwalmart u fuq l-istess binarju ghall-binjiet kollha, kemm dawk fl-ambitu tal-qafas socjali u anke fl-ambitu ta` dawk li mhumieq, allura r-rizultat ikun li tinholoq krizi li tghabbi lil hafna familji b` pizijiet li ma jifilhux ghalihom.

14. Illi jekk ir-rikorrenti qed jilmentaw li qed jigu ppregudikati minhabba l-fatt li l-ammont tal-kera ma jirriflettix il-valur reali tal-fond in kwistjoni, dan ma jistax jigi rrimedjat bit-tnehhija tal-artikoli tal-Kap. 69 jew tal-Att X tal-2009 jew bl-izgumbrament tal-okkupanti. Dan qed jinghad ghaliex ma jkunx jaghmel sens li wiehed jaghraf l-iskop, il-htiega u l-legittimita` tal-mizuri msemija biex imbaghad jinnewtralizzahom billi jaghmilhom inapplikabbli bl-izgumbrament tal-okkupanti.

15. Illi l-artikolu 1531F tal-Kap. 16 jaghti tifsira ta` min hu l-inkwilin ta` fond residenzjali u meta wiehed jixtarr dan l-artikolu, jirrizulta kemm huwa nfondat l-ilment tar-rikorrenti meta jghidu li m`ghandhomx speranza reali li qatt jiksbu lura l-pussess effettiv tal-fond.

16. Xieraq jigi sottolineat li dan l-fond gie mikri bi qbil bejn ir-rikorrenti jew l-antekawza taghhom u l-inkwilini u hadd ma mpona fuq ir-rikorrenti li dan il-fond irid jinkera bilfors. Ma jirrizulta minn imkien li kien hemm xi theddida imminenti u attwali li sfurzathom li jaghtu dan il-fond b`kiri (vide Frances Montanaro et vs Avukat Generali et, deciz nhar it-13 ta` April 2018 mill-Qorti Kostituzzjonali) u fil-fatt kien hemm diversi toroq li r-rikorrenti setghu jaghzlu dak iz-zmien, bhal ibieghu l-fond jew jikru l-fond bhala fond kummercjali.

17. Illi rigward l-artikolu 14 tal-Konvenzjoni Ewropea, kif gie deciz f`kawzi ohra ta` din ix-xorta, ma hemm l-ebda ksur tal-artikolu 14 tal-Konvenzjoni u dan ghaliex ma hemm l-ebda diskriminazzjoni fil-konfront tar-rikorrenti. Inoltre, fir-rigward ta` dan l-artikolu, ir-rikorrenti ma ssodisfawx element importanti sabiex tiskatta l-applikabbilita` ta` tali provvedimenti. Dawn l-artikoli jissottolineaw li t-

tgawdija tad-drittijiet u libertajiet ghandhom jigu assigurati minghajr diskriminazzjoni ghal kull raguni bhalma huma s-sess, razza, kulur, lingwa, religjon, opinjoni politika jew opinjoni ohra, origini nazzjonali jew socjali, assocjazzjoni ma` minoranza nazzjonali, proprjeta`, twelid jew status iehor. Fil-kaz in dizamina ma giet allegata l-ebda diskriminazzjoni ghal xi raguni ta` status kif mitlub, sabiex ikun hemm vjolazzjoni tal-artikoli msemmija.

18. Illi sabiex ir-rikorrenti jistghu jallegaw li gie lez id-dritt fundamentali taghhom ai termini tal-artikolu 14 tal-Konvenzjoni, jridu juru wkoll li saret diskriminazzjoni fuq bazi ta` `like with like` u dan ghaliex mhux kull agir huwa wiehed diskriminatorju.

19. Salv eccezzjonijiet ulterjuri.

Ghaldaqstant, l-esponent jitlob bir-rispett lil din l-Onorabbli Qorti joghgobha tichad il-pretensjonijiet kif dedotti fir-rikors promotur bhala infondati fil-fatt u fid-dritt stante li r-rikorrenti ma sofrew l-ebda ksur tad-drittijiet tal-bniedem u l-libertajiet fundamentali, u dan bl-ispejjez kontra l-istess rikorrenti.

Rat ir-risposta li pprezentaw l-intimati Mary Galea u Joseph Galea fit-28 ta` Lulju 2020 u li taqra hekk :

Jeccepixxu bir-rispett u minghajr pregudizzju ghall-eccezzjonijiet imqajma mill-Avukat tal-Istat permezz tar-risposta taghha tat-23 ta` Lulju 2020 :

1. Illi preliminarjament l-azzjoni kif ittentata kontra l-intimati Galea hija invalida u antikostituzzjonali stante li azzjoni ghas-sejba ta` allegat vjolazzjoni tad-drittijiet fundamentali tal-bniedem hija azzjonabbli biss kontra l-Istat u hadd aktar. Ghalhekk l-intimati Galea mhumieq u ma jistghux ikunu l-legittimi kuntraditturi f` din il-kawza u ghandhom jigu lliberati mill-osservanza tal-gudizzju principarjament peress li :

1.1 Huwa principju ben stabbilit fil-gurisprudenza nostrana kif ukoll Ewropea illi d-drittijiet fundamentali tal-bniedem huma parti mid-dritt pubbliku u bhala tali esperibbli biss kontra l-Istat. L-Artikolu 34

tal-Konvenzjoni Ewropea dwar id-Drittijiet tal-Bniedem innifisha huwa skjett meta jghid illi l-azzjoni tista` tigi ezercitata biss "kontra ksur min-naha ta` wiehed mill-Partijiet Gholja Kontraenti" (bl-Ingiliz "High Contracting Parties") cioe` l-Istat;

1.2 L-intimati Galea, f`dan ir-rigward, jirreferu wkoll ghall-attitudni sfortunata (u bid-dovut rispettt, kostituzzjonalment zbaljata) illi l-Qrati Maltin ta` kompetenza kostituzzjonali jidher li bnew tul is-snin u li issa qed tigi applikata kwazi bhala regola generali tal-ligi kostituzzjonali, cioe` l-applikazzjoni ta` ligijiet maghmula ghall-proceduri civili, illi huma prettament konnessi mad-dritt privat, ghall-kawzi kostituzzjonali illi jirrigwardaw id-dritt pubbliku (ara dak li kellu xi jghid l-Imhalled Emeritu Giovanni Bonello fl-artikolu tieghu ppubblikat f`Id-Dritt Vol XXIX (2019): `When Civil Law Trumps the Constitutional Court`). Ghalkemm din l-intenzjoni timmanifesta ruhha mill-bidu sal-ahhar f`certu kawzi u dan anke` bir-rimedji moghtija fis-sentenzi tal-istess Qrati, l-intimati Galea sejrjn jillimataw ruhhom ghal dak applikabbli ghall-kawza odjerna cioe` l-inkluzjoni taghhom bhala parti fil-kawza. Kif imsemmi aktar `il fuq, kawzi kostituzzjonali qeghdin hemmhekk sabiex rikorrent illi jhoss li d-drittijiet tieghu gew vjolati (mill-Istat) ifittex rimedju effettiv f`Qorti munita b`kompetenza kostituzzjonali sabiex tindaga fuq l-allegata vjolazzjoni (mill-Istat) tad-drittijiet applikabbli u b`hekk ghandha thares lejn jekk fic-cirkostanzi illi taw lok ghall-vjolazzjonijiet allegati mir-rikorrent, l-Istat wettaqx xi ksur tad-drittijiet fundamentali tal-bniedem. Kif jistghu mela l-atturi fil-kawza odjerna jitolbu lil din l-Onorabbli Qorti tiddikjara u tiddeciedi illi l-intimati Galea huma responsabbli ghal kumpens u danni sofferti mill-atturi?!

2. Illi minghajr pregudizzju u subordinatament ghall-ewwel eccezzjoni u biss ghall-finijiet ta` kompletezza, din l-Onorabbli Qorti m`ghandhiex il-kompetenza illi tordna l-izgumbrament tal-intimati Galea mill-fond in kwistjoni, stante li l-limiti tal-kompetenza taghha jieqfu mal-parametri tal-analizi jekk kienx hemm vjolazzjoni tad-dritt tal-atturi o meno u dan unikament minhabba l-agir (f`dan il-kaz, promulgazzjoni ta` ligijiet) tal-Istat Malti. Addirittura, fic-cirkostanzi partikolari ta` dan il-kaz fejn l-intimati ahwa Galea, jaqghu perfettament fil-parametri tad-definizzjoni ta` "inkwilin" kif imfissra fl-Artikolu 1531F tal-Kap 16 tal-Ligijiet ta` Malta, huma t-tnejn anzjani (rispettivament 71 u 67 sena), celibi, minghajr tfal, minghajr proprjeta` alternattiva fejn jistghu jirrisjedu u minghajr introjtu u/jew kapital bizzejjed sabiex isibu proprjeta` alternattiva, ordni ta` zgumbrament twassal ghal-lezjoni tad-drittijiet fundamentali tal-intimati Galea stess. Dan qieghed jinghad b`mod partikolari in vista tal-mod kif giet impostata l-ewwel talba tal-atturi;

3. Illi minghajr pregudizzju ghas-suespost, apparti li l-intimati Galea qatt ma jistghu jinsabu b`xi mod responsabbli ghal xi allegat ksur fundamentali tal-bniedem, l-okkupazzjoni tagghom tal-fond in kwistjoni saret in linja ma` ligi vigenti u li infatti ghadha vigenti sal-lum. Ghalhekk, l-intimati Galea lanqas jistghu jigu kkundannati ghall-hlas ta` kwalunkwe` kumpens ghad-danni allegatament sofferti mill-atturi;

4. Illi kif imsemmi aktar `il fuq, l-intimati Galea huma ahwa li jghixu wahedhom fil-fond in kwistjoni, pensjonanti, it-tnejn li huma m`humiex mizzewgin u l-ebda wiehed minnhom ma ghandu tfal. Kemm Maria Galea kif ukoll Joseph Galea ma ghandhomx proprjeta` alternattiva fejn jistghu jirrisjedu u m`ghandhomx introjtu u/jew kapital bizzejjed sabiex isibu proprjeta` alternattiva. Ghalhekk il-preokupazzjoni tal-atturi li "m`ghandhomx speranza reali li qatt jiksbu l-pussess effettiv tal-fond jew redditu reali tal-istess fond tul hajjiethom" kif kontenuta f`paragrafi 13 u 14 tar-rikors promotur u msemmija fl-affidavit kongunt tat-tfal Grima pprezentat fl-20 ta` Lulju 2020, mhix gustifikata;

5. Illi l-intimati Galea jaqblu mal-eccezzjonijiet kif maghmula mill-Avukat tal-Istat fir-risposta taghha datata 23 ta` Lulju 2020 u ghalhekk taghmel l-istess eccezzjonijiet hemm maghmula, taghha, u in aggunta u minghajr pregudizzju ghalihom jew ghal dak li jsegwi, izidu li minkejja li l-atturi jsemmu diversi allegati vjolazzjonijiet fir-rigward ta` numru ta` artikoli tal-ligi, l-atturi fit-talbiet tagghom jitolbu biss sejbien ta` vjolazzjoni ai termini tal-Artikolu 37 tal-Kostituzzjoni ta` Malta, l-Ewwel Artikolu tal-Ewwel Protokoll tal-Konvenzjoni Ewropea u l-Artikolu 14 tal-Konvenzjoni Ewropea u dan fir-rigward tal-ewwel talba. Fil-kumpliment tat-talbiet ir-referenza hija "ai termini tal-ligi" jew "ai termini tal-Konvenzjoni Ewropea" minghajr ma jikkategorrizaw il-lanjanzi tagghom f`xi wahda mill-ferghat ta` kull artikolu allegatament vjolati mill-Istat. In konnessjoni ma` dan, ghalhekk, jinghad is-segweni fir-rigward tal-allegata :

5.1 Vjolazzjoni tal-Artikolu 6 tal-Konvenzjoni Ewropea

Apparti l-fatt illi dan l-Artikolu jissemma` darba a paragrafu 19 tar-rikors promotur u ma hemm l-ebda talba fir-rigward tieghu, jinghad illi dan l-Artikolu tal-Konvenzjoni Ewropea jittratta d-dritt ta` smigh xieraq li m`ghandu x`jaqsam xejn mal-kawza odjerna;

5.2 Vjolazzjoni tal-Artikolu 34 tal-Kostituzzjoni

Apparti l-fatt illi anke` dan l-Artikolu jissemma` darba a paragrafu 25 tar-rikors promotur u ma hemm l-ebda talba fir-rigward tieghu, jinghad illi dan l-Artikolu jitkellem fuq id-dritt fundamentali tal-bniedem rigwardanti protezzjoni minn arrest jew detenzjoni arbitrarja, u ghalhekk, anke` hawnhekk huwa evidenti illi dan l-Artikolu ma ghandux x`jaqsam mal-kawza odjerna;

5.3 Vjolazzjoni tal-Artikolu 14 tal-Konvenzjoni Ewropea u l-Artikolu 45 tal-Kostituzzjoni

Ma jistax jinghad illi kien hemm xi lezjoni mill-Istat tad-dritt kontra d-diskriminazzjoni ssalvagwardjat mill-Artikoli citati. Flimkien mar-ragunijiet spjegati tajjeb mill-Avukat tal-Istat fir-risposta taghha ghalfejn dawn l-Artikoli ma jistghux japplikaw ghal kaz odjern u wkoll appartu l-fatt illi anke` l-Artikolu 45 tal-Kostituzzjoni (msemmi a paragrafu 23 tar-rikors promotur) m`hemm l-ebda talba fir-rigward tieghu, jinghad illi huwa principju ben stabilit illi sabiex l-Artikolu 14 tal-Konvenzjoni Ewropea jkun enforzabbli gudizzjarjament irid ikun akkumpanjat minn lezjoni ta` dritt fundamentali iehor imsemmi fil-Konvenzjoni stess;

6. *Salv eccezzjonijiet ulterjuri jekk ikun il-kaz.*

Bl-ispejjez.

Rat id-digriet li tat fl-udjenza tal-15 ta` Settembru 2020 fejn laqghet it-talba tar-rikorrenti ghal-hatra ta` perit tekniku sabiex jistma u jirrelata dwar il-valur lokatizju fis-suq tal-fond 125, Triq Frans Sammut gja Triq l-Isqof Caruana, Zebbug, ghaz-zmien ta` bejn id-19 ta` Awwissu 1987 u kull hames snin sussegwenti sal-25 ta` Gunju 2020. Kien mahtur ghal dan l-iskop il-Perit Mario Cassar.

Rat ir-relazzjoni li pprezentat il-perit tekniku, liema relazzjoni kienet ikkonfermata bil-gurament mill-perit tekniku.

Semghet ix-xiehda u rat il-provi l-ohra li tressqu fil-kors tal-kawza, inkluzi r-risposti moghtija mill-perit tekniku ghad-domandi li saru in eskussjoni.

Rat illi l-kawza thalliet ghas-sentenza ghal-lum bil-fakolta` li l-partijiet jipprezentaw noti ta` osservazzjonijiet.

Rat in-noti ta` osservazzjonijiet.

Rat l-atti l-ohra tal-kawza.

II. Provi

1. Xhieda

Ir-rikorrenti **Doreen u Joseph ahwa Grima** xehdu illi flimkien mar-rikorrenti l-ohra ommhom Georgina Grima huma l-proprjetarji tal-fond 125, Triq Frans Sammut gia` Triq l-Isqof Caruana, Zebbug. Il-fond kien inkera lill-genituri tal-intimati ahwa Galea imma peress illi l-istess intimati kienu jirrisjedu flimkien mal-genituri taghhom meta dawn gew nieqsa, huma akkwistaw id-dritt illi jibqghu jirrisejdu fil-fond b`kera.

Xehdu illi Philip Grima, li jigi r-ragel tar-rikorrenti Georgina Grima, u missier ir-rikorrenti l-ohra Doreen u Joseph ahwa Grima, miet fit-2 ta` Dicembru 2015. Irrizulta illi kien halla testment sigriet fejn halla diversi legati. Billi ghall-fini tal-eredita` miet intestat, il-wirt tieghu ghadda in kwantu ghal nofs favur Georgina Grima u in kwantu ghan-nofs l-iehor favur uliedu r-rikorrenti Doreen u Joseph ahwa Grima.

L-intimat Joseph Galea xehed illi flimkien ma` ohtu Mary Galea trabbew mal-genituri taghhom Giuseppe u Mary konjugi Galea fil-fond mertu ta` din il-kawza. Il-genituri taghhom kienu krew il-fond fl-1953. L-ewwel ricevuta tal-kera ggib id-data tas-16 ta` Gunju 1953.

Kompla jixhed illi ommu mietet fit-30 ta` April 1989 waqt illi missieru miet fl-20 ta` Mejju 2002. Wara l-mewt ta` missierhom, hu u ohtu bdew ihallsu l-kera huma. Is-sidien dejjem irrikonoxxewhom bhala inkwilini u accettaw il-hlas tal-kera minghandhom. Hekk baqa` jsir sal-2008.

Stqarr illi fl-2009 il-kera bdiet tigi rifjutata. Huma bdew jiddepozitaw il-kera l-qorti. Jidher li r-rikorrenti bidlu fhemthom u minn Lulju 2010 sa ghaxar snin wara, bdew jaccettaw il-kera mill-gdid. Kien biss fl-2020 li r-rikorrenti rega` bdew jirrifjutaw il-hlas tal-kera u huma regghu bdew jiddepozitaw il-kera l-qorti. In segwitu saret din il-kawza.

2. Ir-relazzjoni tal-perit tekniku

Il-perit tekniku ghamel dawn **il-kostatazzjonijiet** :-

- Il-fond ghandu daqs komplessiv ta` cirka 130 metru kwadru.
- Tenut kont tas-sit, tad-daqs u tal-istat attwali tal-post, il-perit tekniku wasal ghall-konkluzjoni illi l-fond ghandu valur fis-suq, jekk liberu u frank, ta` **€235,000**.
- Fl-1987 il-valur lokatizju tal-fond kien ta` **€1405** fis-sena.
- Fl-2019 il-valur lokatizju kien ta` **€8,225** fis-sena.

3. L-eskussjoni

Il-perit tekniku wiegeb ghal domandi **in eskussjoni**.

Xehed illi fid-data meta estenda r-rapport tieghu, il-medja fis-suq ghal kull metru kwadru ta` fondi gewwa Haz Zebbug kien ta` cirka €2967. Madanakollu, huwa applika rata ta` tnaqqis tal-valur ta` aktar minn 10%.

4. Il-piz probatorju ta` relazzjoni teknika

Fis-sentenza taghha tad-19 ta` Novembru 2001 fil-kawza "**Calleja v. Mifsud**", il-Qorti tal-Appell qalet hekk -

Kemm il-kostatazzjonijiet tal-perit tekniku nominat mill-Qorti kif ukoll il-konsiderazzjonijiet u opinjonijiet esperti tieghu jikkostitwixxu skont il-ligi prova ta` fatt li kellhom bhala tali jigu meqjusa mill-Qorti. Il-Qorti ma kenitx obligata li taccetta r-rapport tekniku bhala prova determinanti u kellha dritt li tiskartah kif setghet tiskarta kull prova ohra. Mill-banda l-ohra pero` huwa ritenut minn dawn il-Qrati li kellu jinghata piz debitu lill-fehma teknika tal-espert nominat mill-Qorti billi l-Qorti ma kellhiex leggerment tinjora dik il-prova. Hu manifest illi l-mertu tal-prezenti istanza kien kollu kemm hu wiehed ta` natura teknika li ma setax jigi epurat u deciz mill-Qorti minghajr l-assistenza ta` espert in materja. B`danakollu dan ma jfissirx illi l-Qorti ma kellhiex thares b`lenti kritika lejn l-opinjoni teknika lilha sottomessa u ma kellhiex tezita li tiskarta dik l-opinjoni jekk din ma tkunx wahda sodisfacentement u adegwament tinvesti l-mertu, jew jekk il-konkluzjoni ma kenitx sewwa tirrizolvi l-kwezit ta` natura teknika. (enfasi u sottolinear ta` din il-qorti)

Ghalkemm qorti mhix marbuta li taccetta l-konkluzjonijiet ta` perit tekniku kontra l-konvinzjoni taghha (*dictum expertorum numquam transit in rem judicata*), fl-istess waqt dak ma jfissirx pero` illi qorti dan tista` taghmlu b` mod legger jew kapriccjuz. Il-konvinzjoni kuntrarja taghha kellha tkun ben informata u bazata fuq ragunijiet li gravament ipoggu fid-dubju dik l-opinjoni teknika lilha sottomessa b` ragunijiet li ma ghandhomx ikunu privi mill-konsiderazzjoni tal-aspett tekniku tal-materja taht ezami ("**Grima v. Mamo et noe**" - Qorti tal-Appell - 29 ta` Mejju 1998).

Jigifieri qorti ma tistax tinjora r-relazzjoni peritali sakemm ma tkunx konvinta li l-konkluzjoni ta` tali relazzjoni ma kinetx gusta u korretta. Din il-konvinzjoni pero` kellha tkun wahda motivata minn gudizzju ben informat, anke fejn mehtieg mil-lat tekniku. ("**Cauchi v. Mercieca**" - Qorti tal-Appell - 6 ta` Ottubru 1999 ; "**Saliba v. Farrugia**" - Qorti tal-Appell - 28 ta` Jannar 2000 u "**Calleja noe v. Mifsud**" - op. cit.)

*Il-giudizio dell'arte espress mill-perit tekniku ma jstax u ma ghandux, aktar u aktar fejn il-parti nteressata ma tkunx ipprevaliet ruhha mill-fakolta` lilha moghtija ta` talba ghan-nomina ta` periti addizzjonali, jigi skartat facilment, ammenokke` ma jkunx jidher sodisfacement illi l-konkluzjonijiet peritali huma, fil-kumpless kollha tac-cirkostanzi, irragonevoli” – (“**Bugeja et v. Muscat et**” – Qorti tal-Appell – 23 ta` Gunju 1967).*

Fil-kaz tal-lum, jirrizulta bhala fatt li wara li kienet prezentata u mahlufa r-relazzjoni peritali, il-partijiet ma ressqux talba ghall-hatra ta` periti addizzjonali izda saret eskussjoni tal-perit tekniku.

Wara li rat ir-relazzjoni, il-qorti sejra taghmel taghha l-kostatazzjonijiet u l-konkluzjonijiet tal-perit tekniku, u sejra tqishom bhala prova ta` fatt flimkien mal-provi l-ohra.

III. L-eccezzjonijiet ta` natura preliminari

1. L-ewwel (1) eccezzjoni tal-intimat Avukat tal-Istat

Kien except mill-intimat Avukat tal-Istat li r-rikorrenti kellhom jaghmlu l-prova tat-titolu ghall-fond in kwistjoni.

Il-gurisprudenza tal-qradi taghna hija fis-sens illi fil-kawzi ta` ndole kostituzzjonali mhuwix indispensabbli illi r-rikorrent jipprova t-titolu tieghu ghaliex kawzi bhal din tal-lum mhumiex kawzi ta` rivendika fejn il-prova tat-titolu hija *sine qua non* sabiex tirnexxi l-azzjoni.

Fis-sentenza li tat fis-7 ta` Frar 2017 fil-kawza **Robert Galea v. Avukat Generali et** din il-qorti diversament presjeduta qalet hekk :-

*“Illi biex wiehed ikun f`qaghda li juri li garrab ksur tal-jedd fundamentali tieghu taht l-artikolu 37 tal-Kostituzzjoni m`ghandux ghalfejn jipprova titolu assolut u lanqas wiehed originali bhallikieku l-azzjoni dwar ksur ta` jedd fundamentali kienet wahda ta` rivendika (Kost. 27.3.2015 fil-kawza fl-ismijiet **Ian Peter Ellis et vs Avukat Generali et**). Huwa*

bizzejjed, għall-finijiet ta` dak l-artikolu, li wiehed juri li għandu jedd fil-haga li tkun li bih jista` jjeqaf għall-pretensjonijiet ta` haddiehor.

Imbagħad, għall-finijiet tal-artikolu 1 tal-Ewwel Protokoll tal-Konvenzjoni, huwa bizzejjed li l-persuna turi li kellha l-pussess tal-haga li tkun."

Dan premess, il-qorti tgħid illi bhala fatt ir-rikorrenti għamlu l-prova tat-titolu tagħhom għall-fond de quo.

Infatti jirrizulta ppruvat illi l-fond għadda b` wirt in kwantu għal nofs lir-rikorrenti Georgina Grima (armla ta` Philip Grima) u in kwantu għal nofs lir-rikorrenti Doreen u Joseph ahwa Grima ulied l-istess Philip u Georgina Grima. B`dikjarazzjoni causa mortis tal-1 ta` Dicembru 2016 fl-atti tan-Nutar Dr Herbert Cassar, ir-rikorrenti ddikjaraw l-eredita` ta` Philip Grima u hallsu t-taxxi relattivi inkluz fuq il-fond in kwistjoni.

Il-provi tar-rikorrenti ma gewx kontestati.

Wara li rat l-atti, il-qorti hija sodisfatta li r-rikorrenti għandhom titolu tajjeb sabiex jipponu l-kawza odjerna.

Billi t-titolu tar-rikorrenti jirrizulta ppruvat, sejra tastjeni milli tiehu konjizzjoni ulterjuri tal-ewwel (1) eccezzjoni tal-intimat Avukat tal-Istat.

2. It-tieni (2) eccezzjoni tal-intimati Galea

L-intimati Galea qeghdin jeccepixxu li mhumiex legittimu kontradittur fil-kawza odjerna billi huwa biss l-Istat illi għandu jwiegeb għall-vjolazzjoni tad-drittijiet fundamentali.

Huwa accettat mill-gurisprudenza tagħna illi f`kawzi ta` indole kostituzzjonali u/jew konvenzjonali huwa l-Istat illi għandu jirrispondi għall-vjolazzjoni ta` drittijiet fundamentali billi huwa l-Istat illi għandu

l-obbligu illi jassigura illi l-ligijiet ma johlqux zbilanc ingust bejn id-drittijiet tac-cittadin privat u l-obbligi tal-Istat.

Fil-kawza tal-lum, ir-rikorrenti qeghdin jilmentaw mill-fatt illi d-disposizzjonijiet tal-Kap 69 qeghdin johlqu relazzjoni forzuza ghad-detriment taghhom vis-à-vis l-intimati Galea bhala inkwilini taghhom. Ghalhekk talbu dikjarazzjoni illi bl-applikazzjoni tad-disposizzjonijiet tal-Kap 69 huma garrbu ksur tal-jeddijiet fundamentali taghhom kif imharsa bl-Art 37 tal-Kostituzzjoni, bl-Art 1 Prot 1 tal-Konvenzjoni u bl-Art 14 tal-Konvenzjoni.

Fis-sentenza li tat fis-7 ta` Dicembru 1990 fil-kawza fl-ismijiet **Joseph Abela v. Onor. Prim` Ministru et**, il-Qorti Kostituzzjonali qalet hekk :-

"F`kawzi ta` natura kostituzzjonali bbazati fuq id-drittijiet fundamentali, il-legittimi kontraditturi ta` dawk l-azzjonijiet jinqasmu fi tliet kategoriji. L-ewwel kategorija tikkomprendi dak li huwa allegat li huma, direttament jew indirittament, responsabbli ghall-kummissjoni jew omissjoni ta` xi fatt li jikser xi dritt fundamentali protett mil-ligi. Fit-tieni kategorija huma dawk li ghall-omissjonijiet jew kummissjonijiet tal-persuni tal-ewwel kategorija jistghu jkunu responsabbli biex jaghtu jew jiffornixxu r-rimedji li s-sentenza, li takkolji l-lament tal-ksur ta` dritt fundamentali, tissanzjona. It-tielet kategorija mbaghad hemm dawk il-partijiet kollha li jkunu in kawza meta l-kwistjoni kostituzzjonali tinqala` fuq jew waqt xi procedura gudizzjarja.

Dawn it-tliet kategoriji ta` persuni huma kollha legittimi kontraditturi fi proceduri ta` natura kostituzzjonali, li f`dan ir-rigward ukoll hija specjali, ghaliex biex zgumbrament ikunu kompiti u effikaci jirrikjedu l-prezenza ta` persuni li normalment fi proceduri ordinarji jithallew barra, ghaliex minghajrhom il-gudizzju xorta wahda huwa integru. F`azzjoni ta` natura kostituzzjonali wkoll, il-gudizzju jkunu integru, jekk il-persuni tat-tieni kategorija jithallew barra mill-kawza, ghalkemm jista` jkun li l-azzjoni tirrizulta ineffikaci."

Fil-procediment tal-lum l-Istat huwa rapprezentat mill-Avukat tal-Istat. Jekk ir-rikorrenti jaghmlu l-prova tal-allegat ksur tad-drittijiet fundamentali taghhom, u bhala rimedju jinghataw kumpens (kemm

jekk pekunarju kif ukoll jekk morali) huwa l-Istat illi ghandu jaghmel tajjeb ghall-hlas tal-kumpens.

Fil-kaz tal-intimati, il-lezjoni lamentata mir-rikorrenti fil-kawza odjerna mhijiex diretta kontra taghhom izda jinsabu mharrka billi ghandhom interess fl-esitu tal-procediment. Tajjeb jinghad illi proceduri tax-xorta tal-lum jinvolvu zewg aspetti : i) ir-responsabbilita` ghall-vjolazzjoni ; u ii) l-persuna li trid twiegeb. Dawn iz-zewg aspetti mhux necessarjament illi jkunu konnessi tant illi waqt li l-vjolazzjoni tkun giet imwettqa minn persuna, ir-rimedju jista` jolqot persuna ohra.

Fil-kawza fl-ismijiet **Raymond Cassar Torreggiani et v. Avukat Generali et**, deciza mill-Qorti Kostituzzjonali fit-22 ta` Frar 2013, il-qorti ghamlet din l-osservazzjoni :-

*" ... **biex gudizzju jkun integru jehtieg li, ghall-ahjar gudizzju tal-Qorti, jippartecipaw fih dawk kollha li huma nteressati fil-kawza.** B`hekk tigi assicurata kemm jista` jkun l-effikacita` tal-gudizzju inkwantu dan jorbot biss lil dawk li jkunu partecipi fih, kif ukoll jigi rispettata il-principju tal-ekonomija tal-gudizzju sabiex ma jkunx hemm bzonni ta` ripetizzjoni ta` proceduri kontra l-persuni kollha interessati fid-diversi kawzi billi dawn ma jkunux hadu parti f`gudizzju wiehed. Il-gudizzju jibqa` integru mill-mument li jiehd parti fih dawk li jkollhom id-dritt, u dawk li kontra taghhom dak l-istess dritt jikkompeti". (enfasi mizjuda)*

...

Mill-premess ghandu jirrizulta car li l-intimati konjugi Tabone, bhala inkwilini tal-fond de quo, u tenut kont tal-fatt li proprju l-inkwilinat taghhom jifforma l-mertu tal-kawza odjerna, ghandhom interess guridiku u ghalhekk ikunu partecipi fil-kawza li jista` jkollha effetti legali anke fuqhom."

Il-qorti taghmel referenza wkoll ghal dak illi nghad fis-sentenza li tat il-Qorti Kostituzzjonali fis-6 ta` Frar 2015 fil-kawza fl-ismijiet **Sam Bradshaw et v. l-Avukat Generali et** :-

"20. Din il-Qorti tosserva li, ghalkemm taqbel mat-tezi li, ladarba l-kazin agixxa skont il-ligi, allura m`ghandux legalment jirrispondi ghall-inkostituzzjonalita` tal-ligi applikata minnu jew jehel spejjez tal-kawza, izda mill-banda l-ohra, il-proceduri odjerni necessarjament jaffettwaw lill-kazin stante li dan hu parti fir-rapport guridiku li huwa regolat b`ligi li l-kostituzzjonalita` taghha qed tigi attakkata. Ghaldaqstant il-prezenza tieghu f`dawn il-proceduri hija necessarja ghall-finijiet tal-integrata` tal-gudizzju. Il-kazin bhala inkwilin tal-fond ghandu interess guridiku f`din il-kawza peress li l-meritu jikkoncerna lilu direttament. Ghal din ir-raguni huwa ghandu jkun partecipi fil-gudizzju u ghalhekk huma legittimi kuntraditturi. Ghaldaqstant l-ewwel Qorti kienet korretta meta laqghet it-talba ghas-sejha fil-kawza tal-kazin intimat."

Billi r-rikorrenti qeghdin jitolbu l-izgumbrament tal-intimati Galea mill-fond in kwistjoni, l-effett ta` dak li qed jintalab mir-rikorrenti jolqot lill-intimati direttament. Ghalhekk ghandhom l-interess li trid il-ligi sabiex jiddefendu l-pozizzjoni taghhom. Ghandhom ikun parti fil-kawza, anke jekk finalment il-legittimita` taghhom tkun tirrizulta bhala passiva.

L-ewwel (1) eccezzjoni tal-intimati Galea qeghda tigi respinta.

IV. It-talbiet u l-eccezzjonijiet fil-mertu

1. L-ewwel talba

a) L-Art 37 tal-Kostituzzjoni

Safejn ir-rikorrenti talbu dikjarazzjoni mill-qorti li garrbu vjolazzjoni tal-jeddijiet fundamentali taghhom kif dawn huma mharsa bl-Art 37 tal-Kostituzzjoni ta` Malta ("**il-Kostituzzjoni**") l-Avukat tal-Istat ressaq il-hames (5) eccezzjoni fejn taht il-paragrafu (a) eccepixxa li skont l-Art 47(9) tal-Kostituzzjoni, l-Art 37 tal-Kostituzzjoni m`ghandux jimpatta fuq it-thaddim tad-dispozizzjonijiet tal-Kap. 69. Imbaghad fil-paragrafu (b), l-Avukat tal-Istat jeccepixxi li l-Art 37 tal-Kostituzzjoni jsib applikazzjoni biss fil-kaz ta` tehid forzuz.

L-Art 47(9) tal-Kostituzzjoni jaqra hekk :

"Ebda haga fl-artikolu 37 ta` din il-Kostituzzjoni ma ghandha tolqot il-hdim ta` xi ligi fis-sehh minnufih qabel it-3 ta` Marzu 1962 jew xi ligi maghmula fi jew wara dik id-data li temenda jew tissostitwixxi xi ligi fis-sehh minnufih qabel dik id-data (jew xi ligi li, minn zmien ghal zmien, tkun emendata jew sostitwita bil-mod deskritt f` dan is-subartikolu) u li ma -

(a) izzidx max-xorta ta` proprjeta` li jista` jittiehed pussess taghha jew id-drittijiet fuq u interess fi proprjeta` li jistghu jigu miksuba;

(b) izzidx mal-finijiet li ghalihom jew cirkostanzi li fihom dik il-proprjeta` jista` jittiehed pussess taghha jew tigi miksuba;

(c) taghmilx il-kondizzjonijiet li jirregolaw id-dritt ghal kumpens jew l-ammont tieghu anqas favorevoli lil xi persuna li jkollha jew li tkun interessata fil-proprjeta`; jew

(d) tipprivax xi persuna minn xi dritt bhal dak li huwa msemmi fil-paragrafu (b) jew paragrafu (c) tal-artikolu 37(1) ta` din il-Kostituzzjoni."

Fil-kaz tal-lum il-kirja favur l-intimati Galea hija regolata bil-Kap 69 liema ligi saret qabel it-3 ta` Marzu 1962 u allura kienet saved bl-Art 47(9) tal-Kostituzzjoni.

Il-qorti rat il-gurisprudenza dwar l-Art 37 u l-Art 47(9) tal-Kostituzzjoni fil-kuntest tal-Kap 88 billi dik il-gurisprudenza ssib applikazzjoni *mutatis mutandis* ghall-kaz tal-Kap 69.

Fil-kawza fl-ismijiet **Lawrence Fenech Limited v. Kummissarju tal-Artijiet et** deciza mill-Qorti Kostituzzjonali fid-9 ta` Novembru 2012 tressaq aggravju fis-sens li l-Ewwel Qorti ma setghetx issib ksur tal-Art 37 tal-Kostituzzjoni minhabba l-Art 47(9). L-aggravju kien milqugh proprju ghaliex il-Kap 88 sar ligi tal-pajjiz qabel it-3 ta` Marzu 1962.

Fis-sentenza ta` din il-qorti tal-4 ta` Ottubru 2016 fil-kawza fl-ismijiet **Melina Micallef v. Il-Kummissarju tal-Artijiet** (hekk kif riformata mill-Qorti Kostituzzjonali fl-24 ta` Novembru 2017) kien riaffermat illi *d-disposizzjonijiet tal-Kap 88 kienu saved bl-Art 47(9) tal-Kostituzzjoni* u ghalhekk *ma tistax tigi nvokata vjolazzjoni tal-Art 37 tal-Kostituzzjoni*.

Similment fis-sentenza ta` din il-qorti tat-3 ta` Ottubru 2014 fil-kawza fl-ismijiet **Francis Bezzina Wettinger et vs Kummissarju tal-Artijiet et** (konfermata mill-Qorti Kostituzzjonali fl-24 ta` April 2015) inghad hekk :-

"L-intimati jikkontendu li l-Art 37 tal-Kostituzzjoni mhuwiex applikabbli ghall-kaz tal-lum in vista tal-Art 47(9) tal-Kostituzzjoni.

*Il-Qorti terga` taghmel riferenza ghas-sentenza tal-Qorti Kostituzzjonali fil-kawza "**Bezzina Wettinger et vs Il-Prim` Ministru et**" (op. cit.)*

Fis-sentenza taghha, il-Qorti Kostituzzjonali kkonfermat dak li qalet l-Ewwel Qorti :-

Illi ghalhekk din il-Qorti taqbel mal-konkluzjoni tal-Ewwel Qorti illi l-Kapitolu 88 – bhala ligi li kienet fis-sehh qabel it-3 ta` Marzu 1962 – huwa salvagwardjat bl-istess Kostituzzjoni ai termini tal-Artikolu 47(9), u konsegwentement dan l-aggravju qed jigi respint.

*Illi dwar dan il-punt, din il-Qorti taghmel riferenza wkoll ghas-sentenza ta` din il-Qorti (PA/RCP) tat-22 ta` Marzu 2002 fil-kawza "**Francis Bezzina Wettinger et vs Kummissarju tal-Artijiet**" fejn inghad hekk :-*

*Illi kif inghad f` **Pawlu Cachia vs Avukat Generali et** (9/4/99 Rik. Nru. 586/97/VDG), il-hdim ta` xi ligi fis-sehh minnufih qabel id-data msemmija ma tistax tkun anti-kostituzzjonali fis-sens li tippekka kontra l-artikolu 37. L-istess jinghad ghal xi amending act jew substituting act maghmula f` dik id-data jew wara dik id-data purche` li tali att li hekk jemenda jew jissostitwixxi dik il-ligi ma jkunx*

jagħmel xi wahda mill-affarijiet imsemmi fil-paragrafi (a) sa (d) tal-imsemmi artikolu 47(9).

Illi kif kompliet tghid dik il-Qorti, ma hemmx dubbju li l-Kap. 88 kien fis-sehh qabel it-3 ta` Marzu 1962. Ma hemmx dubju wkoll li l-imsemmija ligi giet emendata wara dik id-data, izda r-rikorrent f` ebda hin ma ndika xi emenda li b`xi mod taqa` taht xi wiehed mill-paragrafi (a) sa (d) tal-artikolu 47(9). Illi hafna mill-emendi magħmula wara t-3 ta` Marzu 1962 kienu ta` natura formali bhas-sostituzzjoni tal-Gvernatur Generali bil-President ta` Malta. Illi din il-Qorti b`hekk ezaminat jekk fir-rigward tad-dikjarazzjonijiet ta` esproprijazzjoni meritu ta` din il-kawza u fir-rigward tal-proceduri għall-kumpens gewx imhaddma xi amending provisions li jaqghu taht l-imsemmija paragrafi (a) sa (d). Din il-Qorti ma tarax li dan huwa l-kaz, fis-sens li d-dispozizzjonijiet imhaddma fir-rigward tal-ordnijiet ta` esproprijazzjoni de quo huma kollha salvati bl-Artikolu 47(9) milli jiksru l-Artikolu 37.

Issa l-Qorti tirribadixxi li fil-kawza tal-lum, ir-rikorrenti qegħdin jilmentaw minn vjolazzjoni tal-Art 37 tal-Kostituzzjoni għaliex il-Bord tal-Arbitragg dwar l-Artijiet illikwida kumpens li, skont ir-rikorrenti, ma kienx xieraq u adegwat.

Il-Qorti tirrileva li l-kumpens li l-Bord kien u għadu jillikwida jsegwi l-kriterji li huma stabbiliti fid-dispozizzjonijiet tal-Kap 88. Għalhekk billi l-Kap 88 huwa ligi li giet saved ai termini tal-Art 47(9) tal-Kostituzzjoni, din l-Qorti mhijiex sejra tqis ix-xorta ta` ilment li għandhom ir-rikorrenti skont l-Art 37 tal-Kostituzzjoni fejn dan l-ilment jolqot it-twettieq tal-Kap 88."

Il-Kap 69 sar qabel it-3 ta` Marzu 1962. Għalhekk l-Ordinanza kienet saved bl-Art 47(9) tal-Kostituzzjoni. Ghalkemm wara t-3 ta` Marzu 1962, saru emendi għall-Kap 69, is-saving clause tghodd ukoll għal dawk l-emendi. Għall-fini ta` kompletezza, b`referenza għall-fattispeci tal-kaz tal-lum, il-qorti m`għandhiex prova li saru emendi għall-Kap 69 li jaqghu taht xi wahda mill-eccezzjonijiet ravvizati fil-paragrafi (a) sa (d) tal-Art 47(9) tal-Kostituzzjoni. Tghid dan għaliex bl-introduzzjoni tal-Artikolu 1531B il-legislatur għamilha cara illi għal kirja li kienet fis-sehh qabel l-1 ta` Gunju 1995 għandha tibqa` tghodd il-ligi kif kienet fis-sehh qabel l-1 ta` Gunju 1995. Madanakollu bl-emendi li saru u dahlu fis-sehh bis-sahha tal-Att X tal-2009 il-legislatur haseb illi jipprovdli għal skaletta ta` zidiet fil-quantum tal-kera waqt li

gie ffissat ammont bhala l-anqas rata ta` kera permissibbli. Zgur ghalhekk illi bl-introduzzjoni ta` dawn l-emendi il-legislatur ma poggjex fis-sehh kondizzjonijiet li jirregolaw id-dritt ghal kumpens b`mod anqas favorevoli ghas-sidien. Ma tirrizultax ghalhekk l-eccezzjoni ravvizata taht il-paragrafu (c) tal-Art 47(9) tal-Kostituzzjoni. Lanqas ma jista` jinghad illi l-emendi ntrodotti bl-Att X tal-2009 jaqghu taht l-eccezzjoni mahsuba fil-paragrafu (b) tal-Art 47(9) tal-Kostituzzjoni ghaliex l-Art 1531F jaghmel elenku specifiku tal-persuni li f`determinati cirkostanzi tista` tigi tramandata l-kirja favur tagghom. Ghalhekk mhux talli dawn l-emendi ma jzidux mal-finijiet jew cirkostanzi li fihom jista` jinkiseb lura l-pussess battal tal-proprjeta` talli jservu sabiex jistabilixxu *cut off date* u determinati cirkostanzi li tahtom biss tista` tigi mgedda l-kirja favur qrafa tal-inkwilin. Jekk l-inkwilin ma jkollux jghixu mieghu persuni li jissoddisfaw il-kriterji partikolari ndikati fl-Artikolu 1531F, is-sid jaf b`certezza li mal-mewt tal-inkwilin huwa sejjer jikseb lura l-pussess battal. Il-qorti hija tal-fehma illi l-emendi introdotti bl-Att X tal-2009 ma jzidux aktar piz fuq is-sidien ma` dak li kien diga` mpost bil-Kap 69.

Il-qorti terga` tishaq illi d-disposizzjonijiet tal-Kap 69 kienu *saved* bl-Art 47(9) tal-Kostituzzjoni. Ghalhekk ma tistax tigi avanzata mir-rikorrenti pretensjoni ta` vjolazzjoni tal-Art 37 tal-Kostituzzjoni.

Fic-cirkostanzi ma hemmx il-htiega li tistharreg l-eccezzjoni sollevata taht il-paragrafu (b) tal-eccezzjoni numru hamsa (5) kif tressqet mill-Avukat tal-Istat.

L-ewwel (1) talba limitament u safejn tirreferi ghal vjolazzjoni tal-Art 37 tal-Kostituzzjoni qeghda tkun respinta.

b) L-Art 1 Prot 1 tal-Konvenzjoni

Id-disposizzjoni taqra hekk :-

Kull persuna naturali jew persuna morali ghandha d-dritt ghat-tgawdija pacifika tal-possedimenti taghha.

Hadd ma ghandu jigi pprivat mill-possedimenti tieghu hlief fl-interess pubbliku u bla hsara tal-kundizzjonijiet provduti bil-ligi u bil-principji generali tal-ligi internazzjonali.

Izda d-disposizzjonijiet ta` qabel ma ghandhom b`ebda mod inaqqsu d-dritt ta` Stat li jwettaq dawk il-ligijiet li jidhrulu xierqa biex jikkontrolla l-uzu tal-proprjeta skont l-interess generali jew biex jizgura l-hlas ta` taxxi jew kontribuzzjonijiet ohra jew pieni.

Id-disposizzjoni hija gwidata minn tliet principji :-

a) Illi kull persuna, sew dik naturali kif ukoll dik morali, ghandha dritt ghat-tgawdija tal-proprjeta` b`mod pacifiku.

b) Illi tnaqqis fit-tgawdija tal-proprjeta` jista` jkun biss gustifikat jekk jintwera li jkun sar fl-interess pubbliku. Ghalhekk id-dritt mhuwiex assolut u huwa soggett ghall-kundizzjonijiet mahsuba fil-ligi u ghall-principji tad-dritt internazzjonali. Min ikun imcahhad, huwa ntitolat ghal kumpens xieraq.

c) Illi jibqa` d-dritt tal-Istat illi jghaddi ligijiet sabiex *inter alia* b`mod xieraq jikkontrolla l-uzu tal-gid fl-interess pubbliku, bhal meta jintroduci legislazzjoni ntiza sabiex ittaffi problemi ta` akkomodazzjoni.

i) Gurisprudenza tal-ECtHR

L-Istat ghandu s-setgha u d-dritt li jirregola l-uzu tal-propjeta` fl-interess generali. Madanakollu l-interess tal-privat ghandu jkun tutelat ukoll ghaliex fl-ezercizzju tas-setgha tal-Istat li jikkontrolla l-uzu tal-proprjeta` ghandu jkun sodisfatt ir-rekwizit tal-proporzjonalita`.

Fis-sentenza **Amato Gauci v. Malta** (15 ta` Settembru 2009 : finali 15 ta` Dicembru 2009) l-ECtHR kienet qalet :-

56. Any interference with property must also satisfy the requirement of proportionality. As the Court has repeatedly stated, a fair balance must be struck between the demands of the general interest of the community and the requirements of the protection of the individual's

fundamental rights, the search for such a fair balance being inherent in the whole of the Convention. The requisite balance will not be struck where the person concerned bears an individual and excessive burden (see **Sporrong and Lönnroth** cited above, §§ 69-74, and **Brumărescu v. Romania** [GC], no. 28342/95, § 78, ECHR 1999-VII).

57. The concern to achieve this balance is reflected in the structure of Article 1 of Protocol No. 1 as a whole. In each case involving an alleged violation of that Article the Court must therefore ascertain whether by reason of the State`s interference the person concerned had to bear a disproportionate and excessive burden (see **James and Others**, cited above, § 50; **Mellacher and Others**, cited above, § 48, and **Spadea and Scalabrino v. Italy**, judgment of 28 September 1995, § 33, Series A no. 315-B).

58. In assessing compliance with Article 1 of Protocol No. 1, the Court must make an overall examination of the various interests in issue, bearing in mind that the Convention is intended to safeguard rights that are "practical and effective". It must look behind appearances and investigate the realities of the situation complained of. Indeed, where an issue in the general interest is at stake, it is incumbent on the public authorities to act in good time, and in an appropriate and consistent manner (see **Immobiliare Saffi v. Italy**, [GC], no. 22774/93, § 54, ECHR 1999-V; and **Broniowski**, cited above, § 151).

59. Moreover, in situations where the operation of the rent-control legislation involves wide-reaching consequences for numerous individuals and has economic and social consequences for the country as a whole, the authorities must have considerable discretion not only in choosing the form and deciding on the extent of control over the use of property but also in deciding on the appropriate timing for the enforcement of the relevant laws. Nevertheless, that discretion, however considerable, is not unlimited and its exercise cannot entail consequences at variance with the Convention standards (see, mutatis mutandis, **Hutten-Czapska**, cited above, § 223)."

...

"In the present case, having regard to the low rental value which could be fixed by the Rent Regulation Board, the

*applicant`s state of uncertainty as to whether he would ever recover his property, which has already been subject to this regime for nine years, the lack of procedural safeguards in the application of the law and the rise in the standard of living in Malta over the past decades, the Court finds that a disproportionate and excessive burden was imposed on the applicant. The latter was requested to bear most of the social and financial costs of supplying housing accommodation to Mr and Mrs P. (see, mutatis mutandis, **Hutten-Czapska**, cited above, § 225). It follows that the Maltese State failed to strike the requisite fair balance between the general interests of the community and the protection of the applicant`s right of property.*

Ta` rilevanza kien il-pronunzjament tal-ECtHR fil-kaz ta` **Cassar v. Malta** deciz fit-30 ta` Jannar 2018 fejn inghad :-

*43. The Court reiterates that in order for an interference to be compatible with Article 1 of Protocol No. 1 it must be lawful, be in the general interest and be proportionate, that is to say it must strike a "fair balance" between the demands of the general interest of the community and the requirements of the protection of the individual`s fundamental rights (see, among many other authorities, **Beyeler v. Italy** [GC], no. 33202/96, § 107, ECHR 2000-I, and **J.A. Pye (Oxford) Ltd and J.A. Pye (Oxford) Land Ltd v. the United Kingdom** [GC], no. 44302/02, § 75, ECHR 2007-III). The Court will examine these requirements in turn.*

(a) Whether there was an interference

*44. In connection with the development of property, the Court has previously found that having been aware of the fact that their property had been encumbered with restrictions when they had bought it (for example, its designation in a local development plan), the applicants could not hold that circumstance against the authorities (see **Lacz v. Poland**, (dec.) no. 22665/02, 23 June, 2009; and the case-law cited therein), specially when a complaint has not been made that they had a legitimate reason to believe that the restrictions encumbering their property would be removed after they bought the property. However, the Court*

has not excluded that there might be particular cases where an applicant who bought a property in full knowledge that it was encumbered with restrictions may subsequently complain of an interference with his or her property rights, for example, where the said restrictions are alleged to be unlawful (ibid.).

45. *More specifically in the context of restrictions on lease agreements (in particular the prohibition on bringing a tenant`s lease to an end), the Court has found that there was an interference as a result of the domestic courts` refusals of the applicants` demands, despite the applicants` knowledge of the applicable restrictions when they had entered into the lease agreement, a matter which however carried decisive weight in the assessment of the proportionality of the measure (see **Almeida Ferreira and Melo Ferreira v. Portugal**, no. 41696/07, §§ 27 and 34, 21 December 2010).*

46. *Subsequently, in **R & L, s.r.o. and Others** (cited above) the Court specifically examined whether Article 1 of Protocol No. 1 protected applicants who had purchased property in the knowledge that rent restrictions imposed on the property might contravene the Convention. In that case, when the applicants had acquired their respective properties their rents had been set in accordance with the rent regulations applicable at the time and the applicants could not have increased the rents above the threshold set by the State. Nor were they free to terminate the rent agreements and conclude new ones with different – higher – levels of rent. The Court did not find it decisive that one of the applicants had purchased the property before the domestic courts had taken issue with the legislation in place which had given a legitimate expectation that the status of such properties would be addressed by the national legislator in due course. The Court held that it could not be said that the applicants as landlords had implicitly waived their right to set the level of rents, as, for the Court, waiving a right necessarily presupposed that it would have been possible to exercise it. There was no waiver of a right in a situation where the person concerned had never had the option of exercising that right and thus could not waive it. It followed that the rent-control regulations had constituted an interference with the landlords` right to use their property (ibid., § 106).*

47. In the more recent **Zammit and Attard Cassar** (cited above, § 50) case, in a situation where the applicants' predecessor in title had knowingly entered into a rent agreement in 1971 with relevant restrictions (specifically the inability to increase rent or to terminate the lease), the Court held that, at the time, the applicants' predecessor in title could not reasonably have had a clear idea of the extent of inflation in property prices in the decades to follow. Moreover, the Court observed that when the applicants had inherited the property in question they had been unable to do anything more than attempt to use the available remedies, which had been to no avail in their circumstances. The decisions of the domestic courts regarding their request had thus constituted interference in their respect. Furthermore, as in **R & L, s.r.o. and Others**, in **Zammit and Attard Cassar** (both cited above) the applicants, who had inherited a property that had already been subject to a lease, had not had the possibility to set the rent themselves (or to freely terminate the agreement). It followed that they could not be said to have waived any rights in that respect. Accordingly, the Court found that the rent-control regulations and their application in that case had constituted an interference with the applicants' right (as landlords) to use their property (**Zammit and Attard Cassar**, cited above, § 51).

48. Turning to the present case, the Court also notes that the applicants had bought their property before the European Court of Human Rights took issue with the Maltese legislation applicable in cases such as **Amato Gauci** (cited above). That judgment was eventually followed in most cases in domestic case-law. However, again the Court finds this not to be decisive given the passage of time between the purchase of the property and now. In this connection the Court reiterates that what might be justified at a specific time might not be justified decades later (see **Amato Gauci**, cited above, § 60). In the present case, while it is true that the applicants knowingly entered into the rent agreement in 1988 with the relevant restrictions (specifically the inability to increase the rent or to terminate the lease), the Court considers that the applicants could not reasonably have foreseen the extent of inflation in property prices in the decades that followed (see **Zammit and Attard Cassar**, cited above, § 50). Once the discrepancy in the rent applied and that on the market became evident, they were unable to do anything more than attempt to use the available remedies, which they did in 2010, but which were to no avail in their circumstances. The

decisions of the domestic courts regarding their application thus constituted interference in their respect. Furthermore, the applicants, who bought a property that was already subject to a restricted lease, did not have the possibility to set the rent themselves or to freely terminate the agreement. Clearly, they could not be said to have waived any rights in that connection (see **Zammit and Attard Cassar**, cited above, § 50).

49. Accordingly, the Court finds that the rent-control regulations and their application in the present case constituted an interference with the applicants' right (as landlords) to use their property (see **Zammit and Attard Cassar**, cited above, § 51). Nevertheless, in circumstances such as those of the present case a number of considerations need to be made in connection with the proportionality of the interference.

50. The Court has previously held that rent-control schemes and restrictions on an applicant's right to terminate a tenant's lease constitute control of the use of property within the meaning of the second paragraph of Article 1 of Protocol No. 1. It follows that the case should be examined under the second paragraph of Article 1 of Protocol No. 1 (see **Hutten-Czapska v. Poland** [GC], no. 35014/97, §§ 160-61, ECHR 2006-VIII; **Bittó and Others v. Slovakia**, no. 30255/09, § 101, 28 January 2014; and **R & L, s.r.o. and Others**, cited above, § 108).

(b) Whether the Maltese authorities observed the principle of lawfulness and pursued a "legitimate aim in the general interest"

51. The Court refers to its general principles on the matter as set out in *Amato Gauci* (cited above, § 53-54).

52. That the interference was lawful has not been disputed by the parties. The Court finds that the restriction arising from the 1979 amendments was imposed by Act XXIII of 1979 and was therefore "lawful" within the meaning of Article 1 of Protocol No. 1.

53. In the present case the Court can accept that the applicable legislation in the present case pursued a legitimate

social-policy aim, specifically the social protection of tenants (see **Amato Gauci**, cited above, § 55, and Anthony Aquilina, cited above, § 57). It is, however, also true that the relevance of that general interest may have decreased over time, particularly after 2008 (see Anthony Aquilina, cited above, § 57), even more so given that following that date, the only person benefiting from the impugned measures was P.G., whose financial situation as shown before the domestic courts and which is not being contested before this Court, leaves little doubt as to P.G.'s necessity for such a property, and at a regulated rent. This Court will therefore revert to this matter in its assessment as to the proportionality of the impugned measure.

(c) Whether the Maltese authorities struck a fair balance

54. The Court refers to its general principles on the matter as set out in *Amato Gauci* (cited above, § 56-59).

55. The Court will consider the impact that the application of the 1979 Act had on the applicants' property. It notes that the applicants could not exercise their right of use in terms of physical possession as the house was occupied by tenants and they could not terminate the lease. Thus, while the applicants remained the owners of the property they were subjected to a forced landlord-tenant relationship for an indefinite period of time.

56. Despite any reference to unidentified procedural safeguards by the Government (see paragraph 41 above) the Court has on various occasions found that applicants in such a situation did not have an effective remedy enabling them to evict the tenants either on the basis of their own needs or those of their relatives, or on the basis that the tenants were not deserving of such protection (see **Amato Gauci**, cited above, § 60, and **Anthony Aquilina**, cited above, § 66). Indeed, when their need arose (some years after they had purchased it) and later despite the little need of it by the tenant – who was not in any particular need of housing (at least after 2008) – the applicants were unable to recover the property. Consequently, the application of the law itself lacked adequate procedural safeguards aimed at achieving a balance between the interests of the tenants and those of the

owners (see **Anthony Aquilina**, cited above, § 66, and *mutatis mutandis*, **Zammit and Attard Cassar**, cited above, § 61). The Court further considers that the possibility of the tenant leaving the premises voluntarily was remote, especially since the tenancy could be inherited – as in fact happened in the present case. It is clear that these circumstances inevitably left the applicants in uncertainty as to whether they would ever be able to recover their property.

57. As to the rent payable, the Court is ready to accept that EUR 466 annually was a more or less reasonable amount of rent in 1988 - particularly given that it was an amount of rent which the applicants were aware of and in spite of which they decided to purchase the property with the relevant restrictions. Furthermore, it was an amount of rent which the applicants expected to receive for a number of years, at least until the demise of J.G. and his wife. Moreover, the Court accepts that at the relevant time the measure pursued a legitimate social-policy aim (see paragraph 53 above) which may call for payments of rent at less than the full market value (see **Amato Gauci**, § 77).

58. The same cannot be said after the passage of decades, during which the rent had remained the same (as stated by the parties and the domestic courts, the rent is still EUR 466 annually). The Court has previously held that there had been a rise in the standard of living in Malta over the past decades (see **Amato Gauci**, cited above, § 63, and **Anthony Aquilina**, cited above, § 65). Thus, the needs and the general interest which may have existed in 1979 must have decreased over the three decades that ensued (see **Anthony Aquilina**, cited above, § 65). It is noted that as stated by the Government in paragraph 40 above, the minimum wage in 2015 was EUR 720.46 per month, while in 1974 (the date when Malta adopted a national minimum wage) it amounted to the equivalent of less than EUR 100 per month (see **Amato Gauci**, cited above, § 60).

59. The Court need not identify the exact year at which the rent payable was no longer reasonable. It observes that cases against Malta concerning the same subject matter, that is to say renewal of leases by operation of law - whose rent had been set on an open market – (see **Amato Gauci**, **Anthony Aquilina**, and **Zammit and Attard Cassar**, all cited above), which have invariably lead to findings of a violation of Article 1 of Protocol No. 1, concerned periods

after the year 2000. Furthermore, the Government of the respondent State have often argued that Malta suffered a boom in property prices in 2003 (see, for example, **Apap Bologna v. Malta**, no. 46931/12, § 97, 30 August 2016). Lastly, although not determinative, it was only in 2008 that the applicants refused to accept the rent, once P.G. had inherited the property. In the light of the above it suffices for the Court to consider that a rent based on the value of the property as it stood in 1962 with the relevant adjustment which amounted to EUR 466 annually in 1988 and thereafter – was certainly not reasonable for the years following 2000.

60. In particular, even if one had to concede that the valuations submitted by the applicants are on the high side, the Court notes that the first-instance domestic court, in 2011, accepted EUR 3,000 per month (that is to say EUR 36,000 per year) as the rental market value of the property (see paragraph 18 above). Thus, the amount of rent received by the applicants, around EUR 39 a month, that is to say EUR 466 per year, for a fourteen-room house in Sliema, a highly sought-after location, is indeed “derisory” as was also found by the first-instance domestic court (see paragraph 18 above). Indeed, that amount of rent contrasts sharply with the market value of the premises in recent years, as accepted by the domestic court or as submitted by the applicant, as it amounted to a little more than 1% of the market value. The Court considers that State control over levels of rent falls into a sphere subject to a wide margin of appreciation by the State and its application may often cause significant reductions in the amount of rent chargeable. Nevertheless, this may not lead to results which are manifestly unreasonable (see **Amato Gauci**, cited above, § 62).

61. In the present case, having regard to the low rental payments to which the applicants have been entitled in recent years, the applicants` state of uncertainty as to whether they would ever recover their property, which has already been subject to this regime for nearly three decades, the rise in the standard of living in Malta over the past decades, and the lack of procedural safeguards in the application of the law, which is particularly conspicuous in the present case given the situation of the current tenant as well as the size of the property and the needs of the applicants, the Court finds that a disproportionate and excessive burden was imposed on the applicants. It follows that the Maltese State failed to strike the requisite fair balance between the

general interests of the community and the protection of the applicants` right of property.

62. *There has accordingly been a violation of Article 1 of Protocol No. 1 to the Convention.*

Kaz iehor ta` interess kien dak ta` **Zammit and Attard Cassar v. Malta** li kien deciz mill-ECtHR fit-30 ta` Lulju 2015.

L-ilment tal-applikanti kien illi r-restrizzjonijiet dwar kera kienu ta` piz eccessiv. Kien allegat ghalhekk mill-applikanti li garrbu vjolazzjoni tal-jeddijiet fundamentali taghhom hekk kif tutelati bl-Art 1 Prot 1 tal-Konvenzjoni. Il-kaz kien jittratta dwar kirja ta` fond kummercjali li kienet qed tigi mgemma *ope legis* u cioe` bis-sahha tal-Kap 69. Ghalkemm tal-lum huwa kaz ta` fond residenzjali, il-principji jghoddu xorta. L-ECtHR sabet li kien hemm lezjoni tal-Art 1 Prot 1 tal-Konvenzjoni minkejja l-emendi tal-Att X tal-2009.

Inghad hekk :-

47. *The Court reiterates that in order for an interference to be compatible with Article 1 of Protocol No. 1 it must be lawful, be in the general interest and be proportionate, that is, it must strike a "fair balance" between the demands of the general interest of the community and the requirements of the protection of the individual`s fundamental rights (see, among many other authorities, **Beyeler v. Italy** [GC], no. 33202/96, § 107, ECHR 2000-I, and **J.A. Pye (Oxford) Ltd and J.A. Pye (Oxford) Land Ltd v. the United Kingdom** [GC], no. 44302/02, § 75, ECHR 2007-III). The Court will examine these requirements in turn.*

(a) Whether there was interference

48. *In previous cases concerning restrictions on lease agreements, the Court considered that there had been interference (as a result of the domestic courts` refusals of the applicants` demands) despite the applicants` knowledge of the applicable restrictions at the time when they entered into the lease agreement, a matter which however carried*

weight in the assessment of the proportionality of the measure (see **Almeida Ferreira and Melo Ferreira v. Portugal**, no. 41696/07, §§ 27 and 34, 21 December 2010).

49. More recently, in **R & L, s.r.o. and Others v. the Czech Republic** (nos. 37926/05, 25784/09, 36002/09, 44410/09 and 65546/09, 3 July 2014) the Court specifically examined whether Article 1 of Protocol No. 1 protected applicants who had purchased property in the knowledge that rent restrictions imposed on the property might contravene the Convention. In that case, when the applicants had acquired their respective houses their rents had been set in accordance with the rent regulations applicable at the time and the applicants could not have increased the rents above the threshold set by the State. Nor were they free to terminate the rent agreements and conclude new ones with different – higher – levels of rent. The Court held that it could not be said that the applicants as landlords had implicitly waived their right to set the level of rents, as, for the Court, waiving a right necessarily presupposed that it would have been possible to exercise it. There was no waiver of a right in a situation where the person concerned had never had the option of exercising that right and thus could not waive it. It followed that the rent-control regulations had constituted an interference with the landlords` right to use their property (*ibid.* § 106).

50. In the present case the Court observes that the applicants` predecessor in title knowingly entered into the rent agreement in 1971. It is the Court`s considered opinion that, at the time, the applicants` predecessor in title could not reasonably have had a clear idea of the extent of inflation in property prices in the decades to come. Moreover, the Court observes that when the applicants inherited the property in question they had been unable to do anything more than attempt to use the available remedies, which were to no avail in their circumstances. The decisions of the domestic courts regarding their request thus constitute interference in their respect. Furthermore, as in **R & L, s.r.o. and Others** (cited above), the applicants in the present case, who inherited a property that was already subject to a lease, did not have the possibility to set the rent themselves (or to freely terminate the agreement). It follows that they could not be said to have waived any right in that respect.

51. Accordingly, the Court considers that the rent-control regulations and their application in the present case constituted an interference with the applicants' right (as landlords) to use their property.

52. The Court has previously held that rent-control schemes and restrictions on an applicant's right to terminate a tenant's lease constitute control of the use of property within the meaning of the second paragraph of Article 1 of Protocol No. 1. It follows that the case should be examined under the second paragraph of Article 1 of Protocol No. 1 (see **Hutten-Czapska v. Poland** [GC], no. 35014/97, §§ 160-161, ECHR 2006-VIII, **Bittó and Others v. Slovakia**, no.30255/09, § 101, 28 January 2014; and **R & L, s.r.o. and Others**, cited above, § 108).

(b) Whether the Maltese authorities observed the principle of lawfulness and pursued a "legitimate aim in the general interest"

53. The first requirement of Article 1 of Protocol No. 1 is that any interference by a public authority with the peaceful enjoyment of possessions be lawful. In particular, the second paragraph of Article 1, while recognising that States have the right to control the use of property, subjects their right to the condition that it be exercised by enforcing "laws". Moreover, the principle of lawfulness presupposes that the applicable provisions of domestic law are sufficiently accessible, precise and foreseeable in their application (see, *mutatis mutandis*, **Broniowski v. Poland** [GC], no. 31443/96, § 147, ECHR 2004-V, and **Amato Gauci**, cited above, § 53).

54. Furthermore, a measure aimed at controlling the use of property can only be justified if it is shown, *inter alia*, to be "in accordance with the general interest". Because of their direct knowledge of their society and its needs, the national authorities are in principle better placed than the international judge to appreciate what is in the "general" or "public" interest. The notion of "public" or "general" interest is necessarily extensive. Finding it natural that the margin of appreciation available to the legislature in implementing social and economic policies should be a wide one, the Court has on many occasions declared that it will respect the legislature's judgment as to what is in the "public" or

"general" interest unless that judgment is manifestly without reasonable foundation (see, *mutatis mutandis*, **Hutten-Czapska**, cited above, §§ 165-66, and **Fleri Soler and Camilleri v. Malta**, no. 35349/05, § 65, ECHR 2006-X).

55. The Court finds that the restriction was imposed by the *Reletting of Urban Property (Regulation) Ordinance* and was "lawful" within the meaning of Article 1 of Protocol No. 1. This was not disputed by the parties.

56. As to the legitimate aim pursued, the Government submitted that the measure, as applied to commercial premises, aimed to protect the stability of businesses and the public services such businesses provided. The measure was also aimed at protecting the employment of those persons who depended on the activity of those businesses and safeguarded against property owners taking advantage of the economic activity of a tenant. The Court observes that the Commission has previously accepted that rent regulation to preserve the economic viability of commercial enterprises in the interest of both those enterprises and the consumer, was in the general interest (see **G v. Austria** no. 12484/86, Com. Dec., 7 June 1990). Similarly, the Court can accept that, in principle, the overall measure, which also applied to commercial premises, may be considered as being in the general interest.

(c) **Whether the Maltese authorities struck a fair balance**

57. In each case involving an alleged violation of Article 1 of Protocol No. 1, the Court must ascertain whether by reason of the State's interference, the person concerned had to bear a disproportionate and excessive burden (see **James and Others**, cited above, § 50, and **Amato Gauci**, cited above, § 57).

58. In assessing compliance with Article 1 of Protocol No. 1, the Court must make an overall examination of the various interests in issue, bearing in mind that the Convention is intended to safeguard rights that are "practical and effective". It must look behind appearances and investigate the realities of the situation complained of. That assessment may involve not only the conditions of the rent received by

individual landlords and the extent of the State's interference with freedom of contract and contractual relations in the lease market, but also the existence of procedural and other safeguards ensuring that the operation of the system and its impact on a landlord's property rights are neither arbitrary nor unforeseeable. Uncertainty – be it legislative, administrative or arising from practices applied by the authorities – is a factor to be taken into account in assessing the State's conduct (see Immobiliare Saffi v. Italy, [GC], no. 22774/93, § 54, ECHR 1999-V, and Broniowski, cited above, § 151).

59. *The Court notes, in the first place, that the Government's final argument (submitted at an advanced stage in the proceedings, see paragraph 46 above) is misconceived in so far as the property they were referring to was not the property at issue in the present case. From the documents and submissions provided to the Court it transpires that the property is in use and thus the applicants were not entitled, on the grounds established by law (Article 12 of Ordinance, paragraph 26 above), to evict the tenant.*

60. *The Court observes that in the present case the lease was subject to renewal by operation of law and the applicants had no possibility to evict the tenant on the basis of any of the limited grounds provided for by law. Indeed, any such request before the RRB, in the circumstances obtaining in their case, would have been unsuccessful, despite the fact that the tenant was a commercial enterprise that possessed other property (a matter which has not been disputed), as the latter fact was not a relevant consideration for the application of the law. Furthermore, the applicants were unable to fix the rent – or rather to increase the rent previously established by their predecessor in title. The Court notes that, generally, increases in rent could be done through the RRB. They were, however, subject to capping, in that any increase could not go beyond 40% of the fair rent at which the premises were or could have been leased before August 1914. Indeed, in the applicants' case no increase was possible at all, because the rent originally fixed in 1971 was already beyond the capping threshold.*

61. *Whereas the RRB could have constituted a relevant procedural safeguard by overseeing the operation of the system, in the present case it was devoid of any useful effect, given the limitations imposed by the law (see, mutatis*

mutandis, see **Amato Gauci**, cited above, § 62 and **Anthony Aquilina v. Malta**, no. 3851/12, § 66, 11 December 2014). Consequently, the application of the law itself lacked adequate procedural safeguards aimed at achieving a balance between the interests of the tenants and those of the owners (*ibid* and, *mutatis mutandis*, **Statileo v. Croatia**, no. 12027/10, § 128, 10 July 2014).

62. The Court further notes that for the first decade of the rental contract, during which – according to the applicants – the market value of the property was EUR 7,000, the rent payable to the applicants was EUR 862 a year. Subsequently, for the year 2010 the rent amounted to EUR 990, for 2011 EUR 1,138, for 2012 EUR 1,309 and for 2013 EUR 1,505. For the years 2014 onwards it would increase by 5% a year. The Court reiterates that State control over levels of rent falls into a sphere that is subject to a wide margin of appreciation by the State, and its application may often cause significant reductions in the amount of rent chargeable. Nevertheless, this may not lead to results which are manifestly unreasonable, such as amounts of rent allowing only a minimal profit (see **Amato Gauci**, cited above, § 62). While the applicants do not have an absolute right to obtain rent at market value, the Court observes that, despite the 2009 amendments, the amount of rent is significantly lower than the market value of the premises as submitted by the applicants, which was not effectively contested by the Government. However, the applicants have not argued that they were unable to make any profit. Even so, this element must be balanced against the interests at play in the present case.

63. While the Court has accepted above that the overall measure was, in principle, in the general interest, the fact that there also exists an underlying private interest of a commercial nature cannot be disregarded. The Government have not argued that in the present case the viability of the tenant's commercial enterprise was in any way dependent on the favourable conditions of the lease on the premises used for storage – a matter which was irrelevant in the application of the law to the premises. In such circumstances, both States and the Court in its supervisory role must be vigilant to ensure that measures such as the one at issue, applied automatically, do not give rise to an imbalance that imposes an excessive burden on landlords while allowing tenants of commercial property to make inflated profits. It is

also in such contexts that effective procedural safeguards become indispensable.

64. Lastly, the Court notes that unlike in other rent-control cases where the applicants were in a position of uncertainty as to when and if they would recover their property (see, *inter alia*, **Amato Gauci**, cited above, § 61, and **Saliba and Others v. Malta**, no. 20287/10, § 67, 22 November 2011), in the present case, under the laws currently in force and in the absence of any further legislative interventions, the applicants' property will be free and unencumbered as of 2028. It follows that the effects of such rent regulation are circumscribed in time. However, the Court cannot ignore the fact that by that time, the restriction on the applicants' rights would have been in force for nearly three decades, and to date has been in force for over a decade.

65. Having assessed all the elements above, and notwithstanding the margin of appreciation allowed to a State in choosing the form and deciding on the extent of control over the use of property in such cases, the Court finds that, having regard to the relatively low rental value of the premises and the lack of procedural safeguards in the application of the law, a disproportionate and excessive burden was imposed on the applicants, who have had to bear a significant part of the social and financial costs of supporting a commercial enterprise. It follows that the Maltese State failed to strike the requisite fair balance between the general interests of the community and the protection of the applicants' right to the enjoyment of their property.

66. There has accordingly been a violation of Article 1 of Protocol No. 1 to the Convention.

Fid-decizjoni li tat l-ECtHR fil-11 ta' Dicembru 2018 fil-kaz ta' **Buttigieg and others v. Malta** inghad :-

"41. The Court notes that it has found in plurality of cases against Malta concerning the same subject matter that, despite the considerable discretion of the State in choosing the form and deciding on the extent of control over the use of property in such cases, having regard to the low rental value which could have or was received by the applicants, their

state of uncertainty as to whether they would ever recover the property (despite more recent amendments), the lack of procedural safeguards in the application of the law and the rise in the standard of living in Malta over the past decades, a disproportionate and excessive burden was imposed on the applicants who were made to bear most of the social and financial costs of supplying housing accommodation (see Amato Gauci, cited above, § 63; Anthony Aquilina v. Malta, no. 3851/12, § 67, 11 December 2014; and Cassar v. Malta, no. 50570/13, § 61, 30 January 2018). In those cases the Court found that the Maltese State had failed to strike the requisite fair balance between the general interests of the community and the protection of the applicant's right of property and that there had thus been a violation of Article 1 of Protocol No.1 to the Convention.

42. Having regard to the facts of the case and the parties' observations, the same considerations apply in the present case. There has accordingly been a violation of Article 1 of Protocol No.1 to the Convention."

ii) Gurisprudenza tal-Qrati Maltin

Fejn jidhol l-Art 1 Prot 1 tal-Konvenzjoni, bosta kienu matul is-snin id-decizjonijiet tal-qrati taghna fejn kienet dikjarata vjolazzjoni. Il-lista tad-decizjonijiet hija twila u facilment traccjabbli. Fl-assjem taghhom id-decizjonijiet kienu mirquma, attenti u ndirizzaw il-qofol tal-kwistjoni. Kellhom piz sinjifikanti li wassal ghal bidla fil-legislazzjoni. Fl-istess waqt il-qorti tghid li l-bidliet fil-legislazzjoni kienu tardivi. Min-naha tal-Istat matul is-snin kien hemm wisq tkaxkir tas-saqajn li wassal ghal pronunzjamenti wiehed wara l-iehor mill-ECHR kontra pajjizna. Fil-qasam tal-harsien tal-jeddijiet fundamentali tal-persuna, il-qawl : *meglio tardi che mai* : ma jaghmel ebda sens. Ragunament ta` dik ix-xorti forsi jaghmel sens ghall-gejjieni ; certament pero` ma jaghmel ebda sens ghall-imghoddi. Fejn si tratta ta` ksur ta` jeddijiet fundamentali, l-Istat ghandu l-obbligu, ladarba qeghdin nghixu f`socjeta` demokratika fondata fuq is-saltna tad-dritt u l-gustizzja, li jiddritta l-imghawweg fil-pront u bla dewmien.

iii) Sfont storiku legali/Risultanzi

Meta sar il-Kap 16 fl-1868, is-suq tal-kera kien totalment hieles b` mod u manjiera illi meta taghlaq kirja s-sid kellu l-jedd jgholli l-kera jew ma jgeddidhiex. Meta la s-sid u lanqas l-inkwilin ma kienu jitolbu tibdil fil-kondizzjonijiet tal-kirja, il-kirja kienet tiggdedded *ope legis*.

Wara l-Ewwel Gwerra Dinija, il-kirjiet bdew joghlew b`rata mgħagħla. Għalhekk kienet mehtiega regolamentazzjoni. L-Att I tal-1925 kien l-ewwel att legislattiv li kien intiz sabiex jirregola zidiet fil-kera tant li mpona arbitragg meta ma kienx jintlahaq ftehim dwar izidiet fil-kera. Dan l-Att kellu jkollu effett temporanju sal-31 ta` Dicembru 1927.

Inhasset il-htiega ta` kontroll aktar strett. Għalhekk sar l-Att XXIII tal-1929, fejn is-sidien kienu prekluzi milli jghollu l-kera jew milli jirrifjutaw li jgeddu l-kera mingħajr il-permess tal-Bord li Jirregola l-Kera. Il-Bord inghata s-setgha illi jilqa` talbiet għal zgumbrament biss wara li jkunu sodisfatti numru ta` kondizzjonijiet. In kwantu għal talbiet ta` zieda fil-kera, il-Bord seta` jawtorizza awment sa massimu ta` 40% tal-kera gusta f` Awwissu 1914. Din il-mizura wkoll kellha tkun wahda temporanja sakemm is-suq jistabilizza ruhu. L-Att XXIII tal-1929 kellu jkollu effett sal-31 ta` Dicembru 1933.

L-Ordinanza XXI tal-1931 li Tirregola t-Tigdid tal-Kiri ta` Bini (illum Kap 69 tal-Ligijiet ta` Malta) hadet post l-Att XXIII tal-1929 u kienet intiza sabiex ikollha effett sal-31 ta` Dicembru 1933 għalkemm in segwitu saret definittiva. Il-ligi kienet necessitata minn nuqqas qawwi ta` djar ta` abitazzjoni wara l-herba tat-Tieni Gwerra Dinija. Għalhekk kien mehtieg illi l-kera tad-djar titrazzan fi zmien ta` skarsezza sabiex il-valur lokatizju jkun gust. Kien frott dan l-intervent legislattiv illi hafna nies setghu jifilhu jhallsu sabiex ikollhom saqaf fuq rashom. Waqt li l-ligi serviet l-iskop originali tagħha, maz-zmien gabet magħha konsegwenzi negattivi fis-sens illi bdiet tohnoq is-suq u bdew jonqsu l-postijiet disponibbli għall-kera.

Kien biss snin wara bl-Att XXXI tal-1995 illi l-legislatur addotta posizzjoni differenti sabiex jagħti nifs lis-suq tal-kera. B`dak l-Att il-kirjiet il-godda u cioe` dawk li jsiru wara l-1 ta` Gunju 1995 ma baqghux soggetti għal-ligijiet speċjali tal-kera. Għall-kirjiet li saru qabel l-1 ta` Gunju 1995 baqghu jghoddu l-ligijiet ta` qabel ; għalkemm saru emendi fil-kaz ta` dawn il-kirja, il-piz fuq is-sidien fis-sostanza ma ttaffhiex.

iv) **Konsiderazzjonijiet**

L-Ordinanza XXI tal-1931 kellha skop legittimu u saret fl-interess generali ghaliex kienet mahsuba sabiex tevita sitwazzjoni fejn persuni jispicaw minghajr saqaf fuq rashom. L-istorja socio-ekonomika ta' dawn il-Gzejjer turi li din il-ligi kienet necessarja. Il-legislatur ipprova jsib bilanc bejn interessi konfliggenti. Fl-istess waqt ghandu jinghad li t-tkattir tal-gid fil-kors tas-snin wera li dak l-intervent legislattiv, ghalkemm kellu propositi tajbin, ma kienx baqa' joffri bilanc, anzi holoq sproporzjon u zvantagg evidenti u notevoli ta' parti fil-konfront ta' ohra.

Abbinati l-fatti tal-kaz tal-lum mal-insenjamenti giurisprudenzjali, il-qorti tqis illi d-disposizzjonijiet dwar it-tigdid awtomatiku tal-kera kif ukoll il-kontroll fl-ammont tal-kera huma mizuri mahsuba sabiex jikkontrollaw l-uzu u t-tgawdija tal-proprjeta'. Kemm il-modalita' tat-tigdid tal-kera u kif ukoll il-kontroll fl-ammont ta' kera percepibbli jikkostitwixxu interferenza fl-uzu u t-tgawdija tal-proprjeta'.

Jirrizulta ppruvat illi l-kera li r-rikorrenti setghu jippercepixxu minhabba l-effetti tal-Kap 69 meta mqabbla mal-kera fis-suq hieles oggettivament hija bil-wisq baxxa. Il-kirja bdiet fl-1953. Dak iz-zmien il-kera kienet fl-ammont ta' £17 fis-sena. Mill-prospett li pprezentaw il-partijiet rispettivament, jirrizulta illi bejn l-1987 u l-2009 kienet tithallas kera ta' fl-ammont ta' Lm17 kull sitt xhur ossia Lm34 fis-sena ekwivalenti ghal €79.20. Il-kera gholiet matul is-snin skont il-ligi u llum qed tithallas kera ta' €212.55 fis-sena.

Kienet x' kienet ir-raguni li wasslet ghall-kirja bosta snin ilu favur l-inkwilini Galea jibqa' l-fatt illi jekk dak iz-zmien is-sid ried jiehu xi gwadann mill-proprjeta' tieghu ma kellux triq ohra hlief illi jottempra ruhu mal-ligijiet vigenti. Zgur illi ma kienx previst mill-antekawza tar-rikorrenti li tant snin wara kien sejjer ikun hemm bdil tant qawwi `l fuq fis-suq tal-kera li gab mieghu bidla fil-ligijiet. L-istat ta' nuqqas ta' ghazla kienet realta' fil-pajjiz taghna li thalla jippersisti mill-Istat sa zminijiet ricenti. L-isvolta lejn l-ahjar giet unikament minhabba s-sentenzi tal-ECtHR u tal-Qorti Kostituzzjonali taghna. Hemm kien dikjarat *senza se e senza ma* li bl-applikazzjoni tal-ligijiet specjali tal-kera seh ksur tal-jeddijiet fundamentali tas-sidien. Fid-decizjoni tal-ECtHR fil-kaz ta' **Zammit and Attard Cassar v. Malta** (op. cit.) kien rimarkat illi :- *"at the time, the applicants' predecessor in title could not reasonably have had a clear idea of the extent of inflation in*

property prices in the decades to come ..." (para 50). Fis-sentenza li tat il-Qorti Kostituzzjonali fid-29 ta` April 2016 fil-kawza fl-ismijiet **Maria Ludgarda sive Mary Borg v. Rosario Mifsud et** inghad illi :-

"kien biss fl-ahhar snin illi ghall-ewwel darba gie dikjarat li l-Artikolu 12(2) jilledi d-dritt fundamentali protett taht l-Artikolu 1 tal-Ewwel Protokoll tal-Konvenzjoni Ewropea (sentenza tal-Qorti Ewropea fil-kaz Amato Gauci vs Malta, 15 ta` Dicembru 2009). Dan m`huwiex kaz ta` ksur ta` dritt fundamentali li jsehh ta` darba, izda vjolazzjoni kontinwata tal-Artikolu 1 tal-Ewwel Protokoll. Fic-cirkostanzi dan l-argument hu nfondat. Issir ukoll riferenza ghas-sentenza tal-Qorti Ewropea fil-kaz Anthony Aquilina v Malta Applikazzjoni 3851/12) tal-11 ta` Dicembru 2014, li kienet titratta wkoll kaz ta` controlled rent. Minkejja li s-sid kien baqa` jircievi l-kera l-qorti xorta ddikjarat ksur tal-Artikolu 1 tal-Ewwel Protokoll tal-Konvenzjoni, ghalkemm ikkunsidrat dan `il fatt meta llikwidat id-danni."

(ara wkoll : **Rose Borg v. Avukat Generali et** deciza mill-Qorti Kostituzzjonali fil-11 ta` Lulju 2016 ; u **Rebecca Hyzler et v. Avukat Generali et** deciza minn din il-Qorti diversament presjeduta fid-9 ta` Mejju 2018)

Bl-emendi l-aktar ricenti ghall-Kap 69, gara li filwaqt li l-inkwilini nghataw protezzjoni, ma garax l-istess lis-sidien li kellhom joqghodu ghal dak li kienet tipprovdi l-ligi ghaliex il-legislatur naqas milli joffrilhom rimedju adegwat skont il-ligi ordinarja sabiex joggezzjonaw b`mod effettiv ghar-restrizzjonijiet fuq il-kundizzjonijiet lokatizji. L-uniku triq disponibbli ghas-sidien kienet li jfittxu kenn quddiem il-qrati ta` indole kostituzzjonali jew konvenzjonali.

Tajjeb jinghad illi a tenur tal-Art 14 tal-Kap 69 is-sid illi "*irid jgholli l-kera jew ibiddel il-kondizzjonijiet tal-kiri*" kellu jsegwi l-procedura stabbilita fl-Ordinanza, u jindika l-kondizzjonijiet il-godda qabel l-iskadenza tal-kirja. L-inkwilin jibqa` bil-jedd illi jressaq l-oggezzjonijiet tieghu quddiem il-Bord li Jirregola l-Kera. Ghad illi l-legislatur haseb ghal ezenzjoni ghar-regola stabbilita fl-Art 3, fl-istess waqt holoq eccezzjoni bl-Art 4 ghaliex kienu limitati s-setghat tal-Bord billi dan ma setax jawtorizza awment fil-kera li jkun oghla minn 40% tal-valur lokatizju tal-fond kif kien fl-1914. Anke fil-kaz li s-sid jitlob lura l-pussess tal-fond, il-legislatur haseb ghal cirkostanzi specifici fejn

il-Bord jista` jilqa` t-talba tas-sid. Dan johrog mid-dispost tal-Art 9 tal-Kap 69. L-assjem tal-premess iwassal ghall-fehma li l-uniku rimedju tajjeb u effettiv li kellhom ir-rikorrenti kien proprju procediment bhal dak tal-lum.

Kif inghad minn din il-Qorti diversament presjeduta fis-sentenza li tat fit-30 ta` Mejju 2018 fil-kawza fl-ismijiet **David Pullicino et v. Avukat Generali et** :

*"Il-fatt wahdu li sid jipprova jikseb l-akbar gid minn sitwazzjoni legali li tikkundizzjonah, ma jfissirx b`daqshekk li jkun qabel ma` dik il-qagħda u warrab kull ilment li jista` ghandu dwar ic-caħda jew l-indhil fit-tgawdija ta` hwejgu minhabba f`ligi bhal dik jew illi rrinunzja għall-jedd li jitlob rimedju (ara **Robert Galea vs Avukat Generali et, 07/02/2017**)"*

Jirrizulta għalhekk illi l-kirja tal-fond de quo kienet imgedda ope legis b`mod u manjiera illi s-sid kien kostrett a suo malgrado li joqghod għal dak ir-regim ta` dritt certament sfavorevoli għalih. Anke li kieku ntab awment fil-kera, il-ligi ma kinitx tipprovdi għal kondizzjonijiet biex eventwali awment ikun tassew reali u gust. Għalhekk ir-rikorrent u l-awturi tagħhom ma kellhomx rimedji effettivi.

Jirrizulta li l-legislazzjoni attwali tolqot lir-rikorrenti bi sproporzjon evidenti u sfavorevoli għalihom. Mhuwiex in diskussjoni l-jedd tal-Istat illi jikkontrolla b`legislazzjoni l-uzu tal-proprjeta` meta dan ikun fl-interess pubbliku. Fl-istess waqt l-Istat huwa obligat juri li fl-applikazzjoni ta` dik il-legislazzjoni jkunu qegħdin jinzammu bilanc u proporzjonalita` bejn l-interess generali u ta` dak privat. Il-kwistjoni għandha tibqa` nkwadrate madwar il-fatt illi bl-applikazzjoni tad-disposizzjonijiet tal-Kap 69 għas-sitwazzjoni tar-rikorrenti qed ikun hemm ksur tal-Art 1 Prot 1 tal-Konvenzjoni. Fil-kaz tar-rikorrenti huwa ppruvat sproporzjon notevoli kontra tagħhom fir-ritorn li jista` jkollhom li kieku t-tgawdija tal-propjeta` kellha tithalla tilhaq il-milja tagħha.

Huwa evidenti li matul iz-zmien anke l-legislatur irrealizza li dak li wasslu biex jintervjeni fl-1931 kien jehtieg ripensament motivat minn bidla lejn l-aħjar fil-qagħda ekonomika u soċjali tal-pajjiz. Il-Qorti tosserva illi waqt illi bl-Att XXXI tal-1995 il-legislatur intervjena favur il-liberalizzazzjoni tal-kera, għazel illi jillimita dan għal dawk il-

kirjiet illi bdew wara l-1 ta` Gunju 1995, bil-konsegwenza illi kollox baqa` kif kien ghal dawk il-kirjiet (bhal din tal-lum) li kienu saru qabel l-1 ta` Gunju 1995.

Tajjeb jinghad illi bl-emendi li kienu ntrodotti ghall-Kap 16 bl-Att X tal-2009, ghad li kien hemm awment fil-kera, xorta wahda baqa` jirrizulta sproporzjon kontra r-rikorrenti bejn l-awment fil-kera skont l-Art 1531C tal-Kap 16 u l-valur lokatizju tal-fond fis-suq hieles. Dan oltre ghall-fatt li s-sid baqa` kostrett joqghod ghal quantum ta` zieda dettat mil-ligi li stabbiliet mhux biss kemm ghandu jkun l-awment izda anke kull meta. Qabel id-dhul fis-sehh tal-emendi, ir-rikorrenti odjerni kienu ilhom snin twal igarrbu lezjoni tal-jedd taghhom skont l-Art 1 Prot 1 tal-Konvenzjoni.

Fid-decizjoni taghha tal-11 ta` Dicembru 2014 fil-kaz ta` **Anthony Aquilina v. Malta** l-ECtHR irrimarkat illi : *"the 2009 and 2010 amendments (only) slightly improved a landlord`s position"*.

Fil-kaz ta` **Zammit and Attard Cassar v Malta** (op. cit.) l-ECtHR irrimarkat :-

"While the applicants do not have an absolute right to obtain rent at market value, the Court observes that, despite the 2009 amendments, the amount of rent is significantly lower than the market value of the premises as submitted by the applicants, which was not effectively contested by the Government. ...While the Court has accepted above that the overall measure was, in principle, in the general interest, the fact that there also exists an underlying private interest of a commercial nature cannot be disregarded."

Fil-kaz ta` **Ian Peter Ellis et vs Avukat Generali et**, (op cit) il-Qorti Kostituzzjonali stabbiliet illi :-

"Lanqas l-emendi ghall-Kodici Civili li sehew bl-Att tas-sena 2009 ma jistghu jitqiesu bhala li jaghtu rimedju effettiv ghall-lanjanzi tar-rikorrenti, kemm ghax tezisti diskrepanza enormi bejn l-awment fil-kera kontemplat fl-artikolu 1531C u l-valur lokatizju tal-fond fis-suq hieles, kif ukoll ghax id-disposizzjonijiet tal-artikolu 1531F, fic-cirkostanzi tal-kaz, jaghmlu remota l-possibilita` li dawn jipprendu l-pussess tal-fond taghhom."

B`referenza ghall-kaz tal-lum, jirrizulta ppruvat illi l-kera percepita mir-rikorrenti, abbazi tad-disposizzjonijiet tal-Kap 69, hija bil-wisq inferjuri ghall-kera fis-suq. Il-figuri li saret referenza ghalihom aktar kmieni jikkellmu wahedhom. Ghalhekk huwa ppruvat l-isproporzjon li ma jridx l-Art 1 Prot 1 tal-Konvenzjoni u li qed jingarr mis-sid.

Hija l-fehma konsiderata ta` din il-qorti illi meqjusa l-fatti u cirkostanzi tal-kaz tal-lum kif evolwew mal-medda tas-snin sal-lum il-piz li kellu jgorr is-sid kien sproportjonat u eccessiv.

Fid-dawl tal-premess, il-qorti qeghda tilqa` l-ewwel (1) talba tar-rikorrenti in kwantu illi t-thaddim tad-dispozizzjonijiet tal-Kap 69 qeghdin jaghtu lok ta` tigidid tal-kirja *ope legis*. Tichad l-eccezzjonijiet kollha tal-intimati safejn dawn jolqtu l-mertu ta` dik il-parti tal-ewwel (1) talba li tirrigwarda d-dikjarazzjoni ta` ksur tal-jeddijiet fundamentali tar-rikorrenti kif protetti bl-Art 1 Prot 1 tal-Konvenzjoni. Ghalhekk tilqa` l-ewwel (1) talba tar-rikorrenti safejn din tirrigwarda ksur tal-jeddijiet fundamentali taghhom kif tutelati bl-Art 1 Prot 1 tal-Konvenzjoni.

c) L-Art 14 tal-Konvenzjoni

Ghalkemm fil-premessi tar-rikors, ir-rikorrenti jilmentaw minn diskriminazzjoni skont l-Art 45 tal-Kostituzzjoni u l-Art 14 tal-Konvenzjoni *bejn dak li hemm dispot fl-Artikolu 1531C tal-Kap 16 tal-Ligijiet ta` Malta u tal-Kap. 69 tal-Ligijiet ta` Malta u dak li jiddisponi l-Att XXXI tal-1995 ghal kirjiet li dahlu fis-sehh wara l-1 ta` Gunju 2005, fl-ewwel talba mbaghad jitolbu dikjarazzjoni ta` vjolazzjoni skont l-Art 14 tal-Konvenzjoni **biss**.*

Ghalhekk ghalkemm fil-premessi ssemma l-Art 45 tal-Kostituzzjoni, il-qorti mhijiex sejra taghti konsiderazzjoni ghal din id-disposizzjoni, ladarba ma hemmx talba ghal dikjarazzjoni ta` vjolazzjoni skont dik id-disposizzjoni.

Fl-eccezzjonijiet numru 17 u 18, l-Avukat tal-Istat jikkontendi li r-rikorrenti ma garrbu l-ebda diskriminazzjoni. L-istess kien eccepit mill-intimati Galea fl-eccezzjoni numru 5.3.

Il-Qorti Kostituzzjonali kellha okkazjoni tippronunzja ruhha dwar ilment simili fis-sentenza li tat fis-27 ta` Jannar 2021 fil-kawza fl-ismijiet : **Paul Azzopardi et v. Joseph Elich et** : fejn inghad hekk :

14. Fil-mertu, il-Qorti tqis illi f`dan il-kaz ma jirrizultax illi l-atturi sfaw vittmi ta` diskriminazzjoni ai termini l-Artikolu 14 tal-Konvenzjoni. Kull Rik. Kost. 31/18 12 persuna illi dahlet f`kuntratt ta` kiri ta` proprjeta` qabel l-1995 hija suggetta ghall-istess ligi, bl-istess restrizzjonijiet. Ghalhekk huwa car illi l-atturi ma soffrew l-ebda trattament distint minn persuni li jinsabu fl-istess posizzjoni tagghom. Huwa minnu illi persuni li dahlu f`kuntratt ta` kiri ta` proprjeta` wara l-cut off date stabbilita mil-legislatur m`humiex suggetti ghall-istess restrizzjonijiet drakonjani, izda tali differenza fit-trattament hija kagun biss tat-tibdil legislattiv li kien sehh sabiex il-posizzjoni legali Maltija fir-rigward tal-kera tersaq aktar in linja mal-obbligi imposti mill-Kostituzzjoni u mill-Konvenzjoni u ghalhekk tezisti gustifikazzjoni oggettiva u ragonevoli ghad-differenza fit-trattament ilmentat mill-atturi. F`dan ir-rispett, gie deciz proprju li :

" ... the legal restrictions and impositions complained of apply to every owner whose property was rented under a contract of lease prior to 1995 and the applicants (or their predecessor in title, were he still alive) would not have been subjected to such restrictions and impositions in respect of contracts entered into after 1995. Thus, it would appear that there is no distinguishing criterion based on the personal status of the property owner... "Furthermore, no discrimination is disclosed as a result of a particular date being chosen for the commencement of a new legislative regime (see Amato Gauci, cited above, § 71, and mutatis mutandis, Massey v. the United Kingdom, no. 14399/02, 16 November 2004) and differential treatment arising out of a legislative change is not discriminatory where it has a reasonable and objective justification in the interests of the good administration of justice (see Amato Gauci, cited above, § 71, and mutatis mutandis, Stacey v. the United Kingdom (dec.), no. 16576/90, 3 December 1990). The Court notes that the 1995 amendments, which sought in effect to improve the situation of land owners in order to reach a balance between all the competing interests, by abolishing the regime which is in fact being challenged by the applicants Rik. Kost. 31/18 13 before this Court, do not appear arbitrary or unreasonable in any way." [Bradshaw and others v. Malta

(QEDB, 23 Ottubru 2018) ; Zammit and Attard Cassar v. Malta (QEDB, 30/07/2015) 69 – 70]

15. Illi ghaldaqstant dan l-ilment tal-Avukat tal-Istat huwa fondat u qed jigi milqugh.

Din il-qorti taghmel taghha dan il-pronunzjament u ghalhekk tichad dik il-parti tal-ewwel (1) talba fejn ir-rikorrenti talbu dikjarazzjoni u decizjoni mill-qorti li garrbu vjolazzjoni tal-jeddijiet fundamentali taghhom kif protetti bl-Art 14 tal-Konvenzjoni.

d) L-Artikolu 6 tal-Konvenzjoni

Fil-premessa numru 19 tar-rikors promotur, ir-rikorrenti jilmentaw minn vjolazzjoni tal-jeddijiet fundamentali taghhom hekk kif dawn huma mharsa bl-Art 6 tal-Konvenzjoni. Madanakollu ma tressqet ebda talba ghal dikjarazzjoni ta` ksur fir-rigward tad-drittijiet kif imharsa taht l-Artikolu 6 tal-Konvenzjoni. Ir-raguni ghala sar l-ilment la tirrizulta fil-provi u lanqas fit-trattazzjoni. Ghalhekk mhijiex sejra taghti konsiderazzjoni ghall-ilment.

e) L-izgumbrament

Fl-ambitu tal-ewwel talba, ir-rikorrenti talbu l-izgumbrament tal-intimati Galea mill-fond de quo.

L-intimati laqghu ghal din il-pretensjoni bl-eccezzjoni numru tnejn (2).

Fis-sentenza li tat fis-7 ta` Dicembru 2012 fil-kawza fl-ismijiet **Angela sive Gina Balzan v. L-Onorevoli Prim Ministru et** il-Qorti Kostituzzjonali qalet hekk :-

"Dwar x`ghandu jkun ir-rimedju, l-ewwel Qorti pprovdiet billi qalet illi l-intimati Bajada ma jkunux jistghu jinqdedw bl-Artikolu 12A tal-Kap. 158 biex jilqghu ghal kull azzjoni li tista` taghmel ir-rikorrenti fil-forum kompetenti biex tikseb l-

izgumbrament tagghom. Din il-Qorti, wara li hasbet fit-tul fuq din il-materja, tara li dan mhux rimedju li tista` taghti.

Il-bilanc bejn l-interessi differenti jrid johlqu l-Gvern, u hu l-Gvern li jrid ibati l-konsegwenzi jekk jonqos minn dan id-dmir tieghu. Ghan-nuqqas tal-Gvern ma ghandux ibati c-cittadin. Ladarba, f` dan il-kaz, il-ligi per se ma gietx meqjusa li tikser il-Konvenzjoni Ewropea tad-Drittijiet tal-Bniedem, ma tistax tigi dizapplikata ghall-kaz. Din il-Qorti gia` osservat f` kument iehor li meta jkun hemm ordni ta` rekwizzjoni u l-Gvern iqiegħed persuna ohra in situ b`kera li titqies baxxa, ir-rimedju mhux li tithassar dik l-ordni ta` rekwizzjoni izda li jingħata kumpens adegwat bhala just satisfaction u dan talli ma nholoqx bilanc gust bejn l-interessi involuti. F` dawn ic-cirkostanzi, ma tkunx l-ordni ta` rekwizzjoni nnifisha li tkun kisret id-dritt ta` proprjeta` tas-sid, izda l-mekkanizmu ta` kumpens (ara Montanaro Gauci v. Direttur Akkomodazzjoni Socjali et, deciza minn din il-Qorti fil-25 ta` Novembru 2011). Anke l-kaz meritu ta` din il-kawza m`huwix il-passi li ha l-Gvern fl-interess generali li huma hziena izda l-mekkanizmu li holoq biex jigi determinat l-applikazzjoni tal-ligi u l-quantum tal-kumpens. Għalhekk, anke f` dan il-kaz, ir-rimedju għandu jkun ta` kumpens, kif del resto jipprovdi l-Artikolu 41 ta` Konvenzjoni Ewropea, l-uniku ligi li nstab li gie miksur.

Din il-Qorti ma tistax taghti ordni li twassal, wisq probabbli, għat-tkeccija tal-konjugi Bajada mill-fond inkwistjoni, meta l-protezzjoni nfisha, mogħtija lilhom mill-Gvern, mhux leziva għad-drittijiet tas-sid. Veru li jista` jingħad li, f` dan il-kaz, il-konjugi Bajada ma haqqhomx jibqghu fil-post ladarba għandhom proprjeta` immobbli ohra, pero`, għal dan ma hasibx il-Legislatur, u ma jahtux il-konjugi Bajada li jippruvaw jiehdu vantagg mil-ligi kif inhi.

Kif osservat il-Qorti Ewropea tal-Gustizzja fil-kaz ta` Amato Gauci, aktar qabel imsemmi, meta l-ligi ma tipprovdi li s-sid ikun jista` jikkontesta d-dritt tal-enfitewta li juzufriwixxi ruhu bil-beneficcji li tagħtih il-ligi "on the basis that they were not deserving of such protection, as they owned alternative accomodation", ir-rizultat ikun li "the application of the law itself lacked adequate procedural safeguards aimed at achieving a balance between the interests of the tenants and those of the owners". Kwindi, il-ligi għandha titqies applikabbli għall-kaz, izda peress li fl-istess ligi jezistu

nuqqasijiet procedurali biex jinholoq bilanc gust, irid jinghata kumpens adegwat lis-sid halli "jinholoq" dan il-bilanc."

[ara wkoll : **Dr. Cedric Mifsud et v. L-Avukat Generali et** (25/10/2013) ; **Maria Ludgarda sive Mary Borg et vs Rosario Mifsud et** (29/04/2016) ; u **Rose Borg vs Avukat Generali et** (11/07/2016)]

Fid-decizjoni li nghatat fit-22 ta` Frar 2012 dwar *just satisfaction* fil-kaz ta` **Frendo Randon and Others v. Malta**, l-ECtHR irrimarkat illi :-

16. As the Court has held on a number of occasions, a judgment in which the Court finds a breach imposes on the respondent State a legal obligation to put an end to the breach and make reparation for its consequences in such a way as to restore as far as possible the situation existing before the breach (see Iatridis v. Greece (just satisfaction) [GC], no. 31107/96 §32, ECHR 2000- XI, and Guiso-Gallissay v. Italy Just satisfaction) [GC], no. 58858/00, § 90, 22 December 2009). The Contracting States that are parties to a case are in principle free to choose the means whereby they will comply with a judgment in which the Court has found a breach. This discretion as to the manner of execution of a judgment reflects the freedom of choice attached to the primary obligation of the Contracting States under the Convention to secure the rights and freedoms guaranteed (Article 1). If the nature of the violation allows of restitutio in integrum it is the duty of the State held liable to effect it, the Court having neither the power nor the practical possibility of doing so itself. If; however, national law does not allow - or allows only partial reparation to be made for the consequences of the breach, Article 41 empowers the Court to afford the injured party such satisfaction as appears to it to be appropriate."

Issir referenza wkoll ghal decizjoni ohra tal-ECtHR u cioe` dik tat-12 ta` Gunju 2012 fil-kaz ta` **Lindheim and Others v. Norway** fejn inghad :-

"Whilst in reaching the above conclusion the Court has focused on the particular circumstances of the applicants`

individual complaints, it adds by way of a general observation that the problem underlying the violation of Article 1 of Protocol No. 1 concerns the legislation itself and that its findings extend beyond the sole interests of the applicants in the instant case. This is a case where the Court considers that the respondent State should take appropriate legislative and/or other general measures to secure in its domestic legal order a mechanism which will ensure a fair balance between the interests of lessors on the one hand, and the general interests of the community on the other hand, in accordance with the principles of protection of property rights under the Convention."

Bla hsara ghall-kuntest tad-dritt fejn kienet ippronunzjata l-gurisprudenza fuq riferita, din il-qorti tafterma li din il-gurisprudenza tghodd ukoll *mutatis mutandis* ghal-legislazzjoni mertu tal-kawza odjerna. Il-qorti tghid ukoll illi procediment tax-xorta tal-lum mhux il-forum appozitu sabiex tinghata decizjoni dwar jekk inkwilin ghandux jigi zgumbrat jew le. Huma t-tribunali jew qrati ordinarji li ghandhom il-kompetenza li jesprimu ruhhom dwar talba ghal zgumbrament. Ghall-fini tal-procediment odjern, dik rilevanti hija l-konsiderazzjoni ta` jekk ligi tkunx ivvjolat il-jeddijiet fundamentali tal-persuna u allura jekk abbazi tal-fattispeci ta` kull kaz dik il-ligi ghandhiex tkun applikata bejn il-partijiet kemm-il darba l-applikazzjoni taghha tkun leziva ghad-drittijiet fundamentali tal-persuna koncernata. Fil-kaz tal-lum jirrizulta li l-inkwilini gabu ruhhom skont il-ligijiet vigenti. Ghalhekk m`ghandhomx legalment tirispondi ghall-kostituzzjonalita` o meno tal-ligi kif applikata. L-Istat huwa responsabbli ghall-promulgazzjoni tal-ligi. Ghalhekk ghandu jkun l-Istat illi jwiegeb.

Konsegwentement qeghda tilqa` l-eccezzjoni numru tnejn (2) tal-intimati Galea fejn tirrigwarda l-izgumbrament taghhom mill-fond de quo. Qed tichad dik il-parti tal-ewwel domanda tar-rikorrenti fejn intalab l-izgumbrament tal-intimati Galea. Fl-istess waqt qeghda tiddikjara li l-intimati Galea ma jistghux jibqghu jistrieu fuq l-applikazzjoni tad-dispozizzjonijiet tal-Kap 69 sabiex jibqghu jokkupaw l-fond de quo.

2. It-tieni talba

Ir-rikorreni qeghdin jitolbu dikjarazzjoni u decizjoni li l-intimati jew min minnhom huma responsabbli għall-hlas ta` kumpens għall-vjolazzjoni subita tal-jeddijiet fundamentali tagħhom.

Il-qorti tghid li r-rikorreni haqqhom jithallsu kumpens għall-vjolazzjoni tal-jeddijiet fundamentali tagħhom kif fuq inghad.

L-Istat (rappreżentat f` din il-kawza mill-Avukat tal-Istat) huwa responsabbli għall-promulgazzjoni ta` ligi. Jekk bl-applikazzjoni ta` ligi s-sehh vjolazzjoni tal-jeddijiet fundamentali tal-persuna, l-Avukat tal-Istat għandu jagħmel tajjeb għall-vjolazzjoni tal-jeddijiet fundamentali u jhallas kumpens. L-intimati Galea m` għandhom ihallsu ebda kumpens jew danni lir-rikorreni għaliex huma qagħdu mal-ligijiet vigenti. M` għamlu xejn biex imorru kontra dik il-ligi. Għalhekk m` għandhom ibatu xejn, lanqas spejjez gudizzjarji.

3. It-tielet talba

Ir-rikorreni talbu l-likwidazzjoni ta` kumpens u danni.

i) Gurisprudenza

Huwa principju ben assodat illi l-kumpens li jista` jingħata fi procediment ta` natura kostituzzjonali mhuwiex ekwivalenti għad-danni civili li jigu likwidati mill-qorti ordinarji (ara : QK : **Philip Grech pro et noe v. Direttur tal-Akkomodazzjoni Soċjali et** deciza fis-17 ta` Dicembru 2010 ; **Victor Gatt et v. Avukat Generali et** deciza fil-5 ta` Lulju 2011 ; u **Ian Peter Ellis et v. Avukat Generali et** deciza fl-24 ta` Gunju 2016).

Fid-decizjoni ta` **Maria Stella sive Estelle Azzopardi et v. Avukat Generali et** deciza fit-30 ta` Settembru 2016, il-Qorti Kostituzzjonali kompliet tippreciza illi r-*"rimedju li tagħti din il-Qorti huwa kumpens għall-ksur tad-dritt fundamentali u mhux danni civili għal opportunita` mitlufa."*

Dan premiss, huma diversi l-konsiderazzjonijiet li l-qorti għandha tqis sabiex tistabilixxi l-*quantum* tal-kumpens.

Decizjoni li kkunsidrat fid-dettall din il-kwistjoni hija s-sentenza li tat il-Qorti Kostituzzjonali fil-kawza **Raymond Cassar Torreggiani et v. Avukat Generali et** (op. cit.)

Il-Qorti qalet hekk :-

*"Dwar il-quantum tal-kumpens dovut issir referenza ghas-sentenza ta` din il-Qorti **Igino Trapani Galea Feriol pro et noe et V Kummissarju tal-Artijiet et** deciza fil-31 ta` Ottubru 2014, fejn f` materja ta` komputazzjoni ta` kumpens ghal lezjoni ta` dritt fundamentali sancit fl-artikolu konvenzjonali fuq citat gie osservat:*

"Rigward il-quantum tal-kumpens stabbilit mill-ewwel Qorti, din il-Qorti tosserva fl-ewwel lok li kull kaz ghandu jigi trattat u deciz fuq il-fattispecie tieghu. Barra minn hekk, jekk il-Qorti Ewropea hasset li f` certi kazijiet kellha taghti kumpens f` ammont inferjuri ghal dak li nghata lir-rikorrenti mill-ewwel Qorti, ma jfissirx li allura l-Qrati Maltin tilfu l-awtonomija tagghom b` mod li bilfors kumpens li jinghata ikun f` ammont vicin dak li taghti l-Qorti Ewropea. Fil-kaz odjern l-ewwel Qorti hadet in konsiderazzjoni l-fatturi kollha li jimmilitaw kemm favur kif ukoll kontra r-rikorrenti u deherilha li l-kumpens xieraq li ghandha taghti f` dan il-kaz ikun fl-ammont ta` hamsa u ghoxrin elf Euro (EUR 25,000). Hija kkonsidrat id-dewmien da parti tar-rikorrenti li jiehd u l-proceduri opportuni, il-valur tal-immobbli, iz-zmien tant twil li r-rikorrenti ilhom privati mill-godiment tal-proprjeta` tagghom minghand ma nghata ebda kumpens, l-istat tal-fond u l-ezistenza tal-fattur tal-interess pubbliku. Ma` dawn ghandu jigi senjalat il-fatt li qabel l-ispossessament tal-proprjeta` tagghom ir-rikorrenti kellhom permess mill-Bord kompetenti sabiex jizviluppaw il-fond."

Issa ghalkemm, huwa minnu illi l-valur tal-kumpens akkordat mill-Qorti wara sejba ta` lezjoni tad-drittijiet fundamentali ma jekwiparax necessarjament ma` likwidazzjoni ta` danni civili attwali sofferti, ma jfissirx li d-danni materjali ghandhom jigu injorati ghall-finijiet tal-ezercizzju odjern. Il-Qorti trid tqis il-fatturi kollha rilevanti ghall-kaz odjern sabiex tasal ghad-determinazzjoni tal-quantum. Dawn huma (1) it-tul ta` zmien li ilha ssehh il-vjolazzjoni konsidrat ukoll fid-

dawl tat-tul taz-zmien li r-rikorrenti damu sabiex resqu l-proceduri odjerni biex jirrivendikaw id-drittijiet kostituzzjonali taghhom ; (2) il-grad ta` sproporzjoni relatat mal-introjtu li qed jigi percepit ma` dak li jista` jigi percepit fis-suq hieles, konsidrat ukoll l-ghan socjali tal-mizura; (3) id-danni materjali sofferti mir-rikorrenti konsidrat ukoll l-ispejjez sostanzjali li ghamlu l-intimati Tabone ssabiex jirrendu l-fond abitabbli u (4) l-ordni li ser taghti din il-Qorti dwar l-ezenzjoni f` dan il-kaz mill-effetti legali tal-Artikolu 5 tal-Kap 158.”

Meta jinghata kumpens fi procediment ta` din ix-xorta, ghandu jinghata konsiderazzjoni l-ghan li jkun immotiva l-mizura u cioe` l-interess pubbliku.

Fid-decizjoni **Cassar v. Malta** tat-30 ta` Jannar 2018 (App. 50570/13) l-ECtHR qalet hekk dwar kif kellu jkun applikat l-Art 41 tal-Konvenzjoni ghal dak il-kaz :-

A. Damage

84. The applicants claimed 1,260,996 euros (EUR) in respect of pecuniary damage. That sum reflected (i) the rent due to them from 1998 to 2015 amounting to EUR 730,330 calculated on the basis of the valuation of an estate agent at EUR 3,500 per month, (EUR 42,000 annually) in 2015, projected backwards to the year 1998 based on two indices for property prices published by the Central Bank of Malta – by means of example, such projections show the rents for the respective years as follows: EUR 6,857 annually in 1988, EUR 18,476 in 1998 and EUR 41,649 in 2008; (ii) EUR 502,006 in simple interest at 8% (capped so as not to exceed the rent of a particular year); and (iii) EUR 28,660 (supported by an architect`s report) in repairs needed to the property since the tenant had failed to take adequate care of the property. In this connection the applicants noted that as things stand, they will remain suffering the effects of the violation even after the Court judgment, for an unspecified amount of years to come. In this light they also considered that their claim of EUR 54,000 in respect of non-pecuniary damage already suffered, representing EUR 2,000 annually since 1988, should be upheld in full.

85. *The Government submitted that if a violation were to be found a declaration to that effect would suffice. In any event, they considered that the valuations were exorbitant, speculative and not based on an architect's report. They noted that the property had been purchased in 1988 at EUR 25,600 it had therefore hardly been imaginable that it could now have a rental value of EUR 42,000 annually. Indeed if it had to be divided over the years, their claim in rent amounted to around EUR 27,000 annually which would surely not reflect the rental value in the eighties and nineties. They further considered that since the applicants had accepted rent until 2008, their claim should only refer to the subsequent years. Moreover, the tenant had deposited rent for the period between 2009-15 amounting to EUR 2,796 which had to be deducted from the award of compensation. As to interest the Government noted that under domestic law, interest was due only on amount liquidated, which was not the case here. Moreover a rate of 8% was far beyond any commercial rate of interest currently available in the banking sector in respect of deposits. As to the structural works the Government considered this claim unproven and hypothetical. Lastly, the Government considered that an award under this head should not exceed EUR 10,000, which would be EUR 2,123.66 annually over six years, and an award for pecuniary damage should not exceed EUR 4,000.*

86. *The Court notes that the applicants are entitled to compensation in respect of the loss of control, use, and enjoyment of their property from around 2000 to date. The Court notes on the one hand that the rent suggested by the Government is not based on any valuation or other criteria, and appears to be a simple division of an aleatory sum they proposed. On the other hand, while the applicant's valuation is based on an estate agent, and was not accompanied by an architect's report, the domestic court found that EUR 3,000 as opposed to the EUR 3,500 alleged by the applicants appeared reasonable. However, the Court also notes that the comparators used by the estate agent refer to renovated buildings with high quality finishing and furnishing. While no information has been submitted as to the quality of the interior of the applicants' property the Court observes that the applicants claim that their property needs repairs as it has not been well taken care of (see paragraph 84 above). Thus, the latter cannot be considered to be in the same condition and at the same rental value as the former. Therefore, the Court considers that the valuation submitted*

by the applicants is on the high side, but may nonetheless provide a relevant indication and workable basis.

87. In assessing the pecuniary damage sustained by the applicants, the Court has, as far as appropriate, considered the estimates provided and had regard to the information available to it on rental values on the Maltese property market during the relevant period. It further notes that from 2008 onwards, the Court found the legitimacy of the aim pursued highly questionable (see paragraph 53 above) and thus does not justify a reduction compared with the free market rental value (compare, **Zammit and Attard Cassar**, § 75; and **Amato Gauci**, § 77, both cited above). It further takes note of the sums already received by the applicants and those, following 2008, which were deposited in court and therefore remain retrievable, which are being deducted from the award.

88. In the present case the Court must, however, also take note of the fact that the applicants bought the property when it was already subject to such restrictions, and therefore it considers that the purchase price at the time reflected such restrictions. While the applicants consider that the Government's claim to that effect was unsubstantiated (see paragraphs 37 and 38 above), the Court notes that according to the evaluations submitted by the applicants, the property in 1988, date when they purchased it, had a rental market value of EUR 6,857 annually. The Court observes that such a sum in rent would not be appropriate for a property purchased in the same year at EUR 25,600, if that were its real sale value. In consequence it must be accepted that the limitations on the property affected the purchase price.

89. The Court reiterates that an award in respect of pecuniary damage under Article 41 of the Convention is intended to put the applicant, as far as possible, in the position he or she would have enjoyed had the breach not occurred (see, *mutatis mutandis*, **Kingsley v. the United Kingdom** [GC], no. 35605/97, § 40, ECHR 2002-IV). It therefore considers that interest should be added to the award in order to compensate for the loss of value of the award over time (see **Runkee and White v. the United Kingdom**, nos. 42949/98 and 53134/99, § 52, 10 May 2007). As such, the interest rate should reflect national economic conditions such as levels of inflation and rates of interest (see, for example, **Akkus v. Turkey**, 9 July 1997,

*Reports of Judgments and Decisions 1997-IV, § 35; **Romanchenko v. Ukraine**, no. 5596/03, 22 November 2005, § 30, unpublished; and **Prodan v. Moldova**, no. 49806/99, § 73, ECHR 2004-III (extracts)). It notes that the applicants claimed the statutory rate of eight per cent, and the Government's objection in that respect. The Court considers that a rate of five per cent interest is more realistic (see **Amato Gauci**, cited above, § 78, and **Ghigo v. Malta** (just satisfaction), no. 31122/05, § 20, 17 July 2008) thus a one-off payment at 5% interest should be added (see **Anthony Aquilina**, cited above, § 72, in fine).*

90. *Lastly, it is not for the Court to award the claim concerning renovation work which was not entered into by this Court.*

91. *The Court, thus, awards the applicants the sum of EUR 170,000 jointly.*

92. *The Court further considers that the applicants must have sustained feelings of anxiety and stress, having regard to the nature of the breach. It therefore awards EUR 3,000 jointly in respect of non-pecuniary damage.*

Fuq l-istess binarju kienet id-decizjoni fil-kaz ta' **Portanier v. Malta** tas-27 ta' Novembru 2019 (App. 55747/16).

Inghad hekk:

"55. The Court notes that it has repeatedly found that the sums awarded in compensation by the Constitutional Court do not constitute adequate redress. The Court makes reference to its considerations in paragraphs 24 and 25 above. The Court considers that, just like an award for pecuniary damage under Article 41 of the Convention, an award for pecuniary damage made by a domestic court must be intended to put the applicant, as far as possible, in the position he would have enjoyed had the breach not occurred. It transpires from the information and cases brought before the Court that this is often not the case. Such pecuniary awards are also often not accompanied by an adequate award of non-pecuniary damage and/or an order for the payment of the relevant costs (ibid. § 90 and Grech and Others, cited above, § 62). No

domestic case-law dispelling such conclusions has been brought to the Court`s attention in the present case.

56. In the light of the above considerations relating to the relevant time, the Court concludes that although constitutional redress proceedings are an effective remedy in theory, they were not so in practice, in cases such as the present one. In consequence, they cannot be considered an effective remedy for the purposes of Article 13 in conjunction with Article 1 of Protocol No. 1 concerning arguable complaints in respect of the rent laws in place, which, though lawful and pursuing legitimate objectives, impose an excessive individual burden on applicants.

...

62. The Court must proceed to determine the compensation the applicant is entitled to in respect of the loss of control, use and enjoyment of the property which he has suffered for the period December 2008 to September 2017, when the violation came to an end.

63. The Court notes that the annual rental value of the property estimated on the basis of its sale value according to the court-appointed architect was EUR 5,600. Nevertheless the domestic court considered its value to be more likely EUR 3,000 to 4,000 (see paragraph 14 above). The latter appears to be in line with the Government`s architect`s valuation which also reflects similar figures. With that in mind, in assessing the pecuniary damage sustained by the applicants, the Court has, as far as appropriate, considered the estimates provided and had regard to the information available to it on rental values on the Maltese property market during the relevant period. It has also considered the legitimate purpose of the restriction suffered, bearing in mind that legitimate objectives in the "public interest", such as those pursued in measures of economic reform or measures designed to achieve greater social justice, may call for less than reimbursement of the full market value (see, inter alia, Ghigo v. Malta (just satisfaction), no. [31122/05](#), § 18 and 20, 17 July 2008). Furthermore, the rent already received by the applicant for the relevant period must be deducted.

64. The Court reiterates that an award for pecuniary damage under Article 41 of the Convention is intended to put the applicant, as far as possible, in the position he would have

enjoyed had the breach not occurred. It therefore considers that interest should be added to the above award in order to compensate for the loss of value of the award over time. As such, the interest rate should reflect national economic conditions, such as levels of inflation and rates of interest. The Court thus considers that a one-off payment of 5% interest should be added to the above amount (ibid., § 20).

65. The Court thus awards the applicant EUR 8,000."

Issir referenza wkoll għall-gurisprudenza mill-aktar ricenti, senjatament id-decizjoni tal-ECtHR fil-kaz ta' **Marshall and Others v. Malta** tal-11 ta' Gunju 2020 fejn inghad :-

"94. The Court must proceed to determine the compensation the applicants are entitled to in respect of the loss of control, use and enjoyment of the property which they have suffered. However, the Court notes that the only valuation submitted by the court-appointed architect referred to 2014. The rental value of the premises was clearly not the same in the preceding decades. In consequence the Court is unable to identify in which year the disproportionality arose. For the same reasons the Court considers that it has no objective basis on which to determine the pecuniary damage for the years preceding 2014.

95. Thus, in assessing the pecuniary damage sustained by the applicants, the Court has, as far as appropriate, considered the estimates provided and had regard to the information available to it on rental values on the Maltese property market during the relevant period. It has also considered the legitimate purpose of the restriction suffered, bearing in mind that legitimate objectives in the "public interest", such as those pursued in measures of economic reform or measures designed to achieve greater social justice, may call for less than reimbursement of the full market value (see, inter alia, Ghigo v. Malta (just satisfaction), no. [31122/05](#), § 18 and 20, 17 July 2008). In the present case however, the Court keeps in mind that the property was not used for securing the social welfare of tenants or preventing homelessness (compare, Fleri Soler and Camilleri v. Malta (just satisfaction), no. [35349/05](#), § 18, 17 July 2008). Thus, the situation in the present case might be said to involve a degree of public interest which is significantly less marked than in other cases and which does not justify such a substantial reduction compared with the

free market rental value (see, Zammit and Attard, cited above, § 75).

96. Furthermore, the sums already received by the applicants for the relevant period must be deducted.

97. The Court reiterates that an award for pecuniary damage under Article 41 of the Convention is intended to put the applicant, as far as possible, in the position he would have enjoyed had the breach not occurred. It therefore considers that interest should be added to the above award in order to compensate for loss of value of the award over time. As such, the interest rate should reflect national economic conditions, such as levels of inflation and rates of interest. The Court thus considers that a one-off payment of 5% interest should be added to the above amount.

98. The Court thus awards the applicants, jointly, EUR 500,000. As requested, the amount awarded is to be paid directly into the bank account designated by the applicants' representatives.

99. Bearing in mind the Constitutional Court's award of EUR 25,000, which remains payable to the applicants, the Court need not award a further sum in non-pecuniary damage, it therefore rejects such claim."

ii) Likwidazzjoni

Il-proceduri odjerni min-natura taghhom huma diretti sabiex jindirizzaw lezzjoni kostituzzjonali u/jew konvenzjonali.

Il-qorti sabet vjolazzjoni tal-Art 1 Prot 1.

Ghalkemm id-diskrepanza bejn il-kera attwalment percepita u l-valur lokatizju li l-fond igib fis-suq hieles hija fattur determinanti sabiex ikun stabbilit jekk kienx vjolat il-principju tal-proporzjonalita`, fl-istess waqt hemm fatturi ohra li l-qorti ghandha tqis meta tigi ghal-likwidazzjoni tal-kumpens ghal-lezzjoni subita.

Dwar quantum ta` kumpens, kemm f` danni pekunjarji, kif ukoll f` danni morali, il-qorti tosserva li ma hemmx uniformita` ghaliex il-

qrati taghna kienu kawti sabiex iqisu kull kaz fuq il-fattispeci partikolari tieghu.

a) **Danni pekunjarji**

- **Osservazzjoni generali**

Il-qorti tibda billi tosserva illi ghalkemm il-kirja favur l-intimati Galea u l-antekawza taghhom ilha ghaddejja sa mis-sena 1953, bi qbil bejn il-partijiet, il-vjolazzjoni lamentata kienet cirkoskritta ghaz-zmien ta` bejn id-19 ta` Awwissu 1987 u l-25 ta` Gunju 2020.

Fejn si tratta ta` danni pekunjarji din il-qorti hija tal-fehma li wasal iz-zmien, meta tqis il-quantum tal-likwidazzjonijiet li qeghdin isiru mill-ECtHR f`kazi fejn tirrizulta vjolazzjoni tal-Art 1 Prot 1 tal-Konvenzjoni li fihom Malta tkun l-intimata, illi fl-ahjar interess tal-gustizzja, il-qrati taghna jfasslu linji gwida meta tigi biex issir likwidazzjoni, bla ma jiddipartixxu mill-principju li kull kaz ghandu jkun gudikat fuq il-fatti u cirkostanzi partikolari tieghu. Fid-decizjoni tal-lum, il-qorti sejra tghid x`ghandhom ikunu l-linji gwida u kif ghandhom jigu applikati ghall-kaz prezenti.

- **Il-massimu**

Il-kostatazzjonijiet, l-osservazzjonijiet u l-konkluzjonijiet tal-perit tekniku li kien mahtur fil-kawza tal-lum jikkostitwixxu **prova ta` fatt**.

Fir-relazzjoni peritali hemm inkluzja tabella (a fol 128). Din turi li ghaz-zmien ta` bejn id-19 ta` Awwissu 1987 u l-25 ta` Gunju 2020 il-valur lokatizju fis-suq tal-fond 125, Triq Frans Sammut gia` Triq l-Isqof Caruana, Zebbug, kien ilahhaq total ta` **€120,441**. Dan l-ammont huwa maqsum u mifruq fuq perjodi ta` hames snin bejn l-ewwel u l-ahhar data.

Aktar kmieni, il-qorti ddikjarat li kienet sejra taghmel taghha dak li rrizulta mir-relazzjoni anke ghaliex l-accertamenti tal-perit tekniku ma kienux kontestati minn ebda parti fil-kawza.

Il-figura ta` €120,441 tikkostitwixxi l-massimu tad-danni pekunjarji. Dan l-ammont ghandu pero` jkun aggjustat skont il-linji gwida li sejra taghti.

- **Linji gwida**

L-isproporzjon bejn il-kera attwalment percepita mir-rikorrenti u dik li setghet tkun ippercepita fis-suq hieles, ghalkemm hija l-fattur ewlieni li jipprova l-vjolazzjoni tal-Art 1 Prot 1 tal-Konvenzjoni, mhuwiex kriterju assolut meta tigi biex isir il-likwidazzjoni tal-kumpens.

Il-qorti rrilevat aktar kmieni li d-danni li jigu likwidati fi procediment kostituzzjonali u/jew konvenzjonali mhumiex danni civili li jigu likwidati f`kawzi kondotti fil-procedimenti ordinarji ghaliex huma danni li jigu likwidati minhabba l-vjolazzjoni accertata tal-jeddijiet fundamentali tal-persuna. Dan ifisser li meta fi procediment tax-xorta bhal dak tal-lum il-qorti tigi biex taghmel il-likwidazzjoni ghandha tqis fatturi li ghandhom rilevanza u li jincidu fuq il-komputazzjoni tal-quantum tal-kumpens.

a. Ghandha titnaqqas il-kera li kienet mhallsa u accettata fiz-zmien in kwistjoni

Jirrizulta ppruvat li l-intimati Galea dejjem hallsu l-kera dovuta saz-zmien meta din giet rifjutata mir-rikorrenti.

Il-qorti tghid illi kull kera li thallset mill-inkwilini fil-perjodu in kwistjoni ghandha tonqos mill-figura ta` €120,441.

Il-partijiet rispettivament ipprezentaw prospett (dak tar-rikorrenti a fol. 48 sa 50 u dak tal-intimati Galea a fol. 52 u 53) fejn indikaw l-ammonti illi thallsu bhala kera matul is-snin. Ezaminati dawn iz-zewg prospetti, il-qorti tghid illi sejra tistrih fuq dak prezentat mill-

intimati Galea ghar-raguni li ghal kull pagament li sar u indikat fil-prospett giet ukoll ipprezentata ricevuta tal-hlas tal-kera, kopja taccheque li bih sar il-pagament jew inkella kopja tac-cedola tad-depozitu. Skont il-prospett ipprezentat mill-intimati Galea ghaz-zmien ta` bejn Gunju 1987 u Dicembru 2020 huma hallsu kera fl-ammont komplessiv ta` **€3,953.10**. Jirrizulta illi l-hlas tal-kera ghaz-zmien ta` bejn Jannar 2009 sa Gunju 2009, ghaz-zmien ta` bejn Lulju 2009 sa Dicembru 2009 u ghaz-zmien ta` bejn Jannar 2010 sa Gunju 2010 ma kienx gie accettat mir-rikorrenti, u ghalhekk l-ammont komplessiv ta` €171.72 kien depozitat il-qorti. Ir-rikorrenti lanqas m` accettaw il-hlas tal-kera ghas-sena 2019 u ghalhekk kienet depozitata l-qorti s-somma ta` €202.80. L-istess sar ghall-kera tal-2020 fl-ammont ta` €212.55. B`hekk l-ammont komplessiv depozitat il-qorti matul iz-zmien kien ta` €587.07. Il-kirja li kienu depozitati mhux se jigu kalkolati ghall-fini tal-accertament li qeghda taghmel din il-qorti peress li r-rikorrenti ma hadux kera f`idejhom. B`hekk il-figura originali ta` **€120,441** ghandha tinzal ghal **€117,075**.

b. L-interest generali

Aktar kmieni l-qorti tat sfond storiku-legali ta` x`wassal biex saru l-ligijiet specjali tal-kera. M`ghandhiex dubju mis-siwi u mil-legittimita` tal-intervent legislattiv tenut kont tal-fatt li fiz-zmien li saru, u anke ghal snin wara, taw kenn u wens lil bosta persuni f`dawn il-Gzejjer. Dan il-fattur ghandu jwassal ghal tnaqqis ta` **35%** fil-figura ridotta ta` €117,074.97. Adottat rata ta` 35% sabiex tpatti ghas-snin l-ohra li ha l-Istat Malti sabiex jipproponi ligijiet li kienu ntizi sabiex isewwu l-isproporzjon li garrbu s-sidien tal-proprjeta` mikrija matul is-snin. Ir-rata kienet tkun diversa li kieku l-Istat Malti gharaf jintervjeni qabel ma beda jsib ruhu rinfaccjat b`decizjonijiet sfavorevoli moghtija mill-qrati Maltin u mill-ECtHR.

Il-figura tinzal ghalhekk ghal €76,098.75 li qed tigi arrotondata ghal **€76,099**.

c. Passivita` tar-rikorrenti

Ghajr ghal perijodu qasir ta` sena u nofs bejn Jannar 2009 u Gunju 2010, kemm ir-rikorrenti kif ukoll l-antekawza taghhom baqghu jaccettaw il-hlas tal-kera. Din l-accettazzjoni baqghet ghaddejja sal-2018 ghaliex mill-2019 `il quddiem ir-rikorrenti waqfu

jaccettaw il-hlas tal-kera mexxew bil-kawza odjerna. Kienet l-ghazla taghhom u/jew tal-predecessur fit-titolu li stennew 31 sena sakemm ipprezentaw l-azzjoni odjerna. Li ssir talba sabiex il-valur lokatizju tal-fond jigi stmat b`effett mid-19 ta` Awwissu 1987 hija eccessiva u sproporzjonata. Ghalhekk il-qorti jidhrilha li r-rikorrenti u l-antekawza taghhom m`ghandhomx jithallew jibbenefikaw mill-passivita` taghhom. Ghandu jkun hemm tnaqqis ulterjuri ta` **35%** minhabba l-komportament kjarament passiv tar-rikorrenti.

Il-figura ghalhekk ghandha terga` tinzal u ssir €49,464.35 arrotondata ghas-somma ta` **€49,464**.

d. Il-fond

Il-qorti rat ir-relazzjoni.

Semghet ix-xiehda tal-perit tekniku.

Tenut kont tan-natura tal-fond, il-qorti ma tarax li ghandu jkun hemm tnaqqis fid-danni pekunjarji minhabba dan l-aspett.

e. Riassunt

Id-danni pekunjarji qeghdin jigu likwidati fl-ammont ta` **€43,332**.

ii) Danni mhux pekunjarji

Indipendentement mid-danni pekunjarji li jikkostitwixxu telf effettiv ghar-ragunijiet fuq premissi, il-qorti tghid li r-rikorrenti haqqhom jircievu wkoll il-hlas ta` danni morali fl-ammont ta` **€5,000** ghaliex sprovvisi kif kienu minn rimedju ordinarju effettiv kif jindirizzaw il-lanjanzi taghhom kienu kostretti jirrikorru ghal procediment ta` din ix-xorta semplicement ghaliex l-Istat Malti qaghad lura ghal ghexieren ta` snin milli jsib tarf tal-izbilanc u tal-isproporzjon li kienu qeghdin igarrbu sidien ta` proprjetajiet b`legislazzjoni adegwata u effettiva.

4. Ir-raba` (4) talba

Is-somma globali li qeghda tigi likwidata fl-ammont ta` €54,464 ghandha tithallas biss mill-intimat Avukat tal-Istat.

Decide

Ghar-ragunijiet kollha premessi, il-qorti qeghda taqta` u tiddeciedi din il-kawza billi :-

Tastjeni milli tiehu konjizzjoni ulterjuri tal-ewwel (1) eccezzjoni tal-intimat Avukat tal-Istat.

Tichad it-tieni (2) eccezzjoni tal-intimati ahwa Galea.

Riferibbilment ghall-ewwel (1) talba, tilqa` l-eccezzjoni ndikata fil-paragrafu (a) tal-eccezzjoni hamsa (5) tal-Avukat tal-Istat safejn it-talba tittratta vjolazzjoni tal-jeddijiet fundamentali tar-rikorrenti hekk kif imharsa bl-Art 37 tal-Kostituzzjoni ta` Malta, u tastjeni milli tiehu konjizzjoni ulterjuri tal-paragrafu (b) tal-eccezzjoni hamsa (5) tal-Avukat tal-Istat.

Tichad l-ewwel (1) talba limitatament safejn intalbet dikjarazzjoni u decizjoni li r-rikorrenti garrbu vjolazzjoni tal-jeddijiet fundamentali taghhom fir-rigward tal-fond 125 Triq Frans Sammut gia` Triq l-Isqof Caruana, Zebbug, hekk kif imharsa bl-Art 37 tal-Kostituzzjoni ta` Malta.

Tichad l-eccezzjonijiet tal-intimati kollha fejn fl-ewwel (1) talba intalbet dikjarazzjoni u decizjoni li r-rikorrenti garrbu vjolazzjoni tal-jeddijiet fundamentali taghhom kif dawn huma mharsa bl-Ewwel (1) Artikolu tal-Ewwel (1) Protokoll tal-Konvenzjoni Ewropea ghall-Protezzjoni tad-Drittijiet tal-Bniedem u tal-Libertajiet Fondamentali.

Tilqa` l-ewwel (1) talba limitatament billi tiddikjara u tiddeciedi li r-rikorrenti garrbu vjolazzjoni tal-jeddijiet fundamentali taghhom fir-rigward tal-fond 125, Triq Frans Sammut gia` Triq l-Isqof Caruana, Zebbug, hekk kif imharsa bl-Ewwel (1) Artikolu tal-Ewwel (1) Protokoll tal-Konvenzjoni Ewropea ghall-Protezzjoni tad-Drittijiet tal-Bniedem u tal-Libertajiet Fondamentali.

Tilqa` l-eccezzjonijiet tal-intimati kollha fejn fl-ewwel (1) talba intalbet dikjarazzjoni u decizjoni li r-rikorrenti garrbu vjolazzjoni tal-jeddijiet fundamentali taghhom kif dawn huma mharsa bl-Artikolu 14 tal-Konvenzjoni Ewropea ghall-Protezzjoni tad-Drittijiet tal-Bniedem u tal-Libertajiet Fondamentali.

Tichad l-ewwel (1) talba limitatament safejn intalbet dikjarazzjoni u decizjoni li r-rikorrenti garrbu vjolazzjoni tal-jeddijiet fundamentali taghhom fir-rigward tal-fond 125, Triq Frans Sammut gia` Triq l-Isqof Caruana, Zebbug, hekk kif imharsa bl-Artikolu 14 tal-Konvenzjoni Ewropea ghall-Protezzjoni tad-Drittijiet tal-Bniedem u tal-Libertajiet Fondamentali.

Riferibbilment ukoll ghall-ewwel (1) talba, tichad bhala rimedju ghar-rikorrenti l-izgumbrament tal-intimati ahwa Galea mill-fond 125, Triq Frans Sammut gia` Triq l-Isqof Caruana, Zebbug ghall-vjolazzjoni riskontrata tal-jeddijiet fundamentali taghhom hekk kif imharsa bl-Ewwel (1) Artikolu tal-Ewwel (1) Protokoll tal-Konvenzjoni Ewropea ghall-Protezzjoni tad-Drittijiet tal-Bniedem u tal-Libertajiet Fondamentali.

Riferibbilment ukoll ghall-ewwel (1) talba, tiddikjara u tiddeciedi li peress li d-disposizzjonijiet tal-Kap 69 tal-Ligijiet ta` Malta jaghtu dritt ta` rilokazzjoni lill-intimati Galea, dawn ma jistghux jibqghu jistrieħu fuq il-Kap 69 sabiex jibqghu jokkupaw il-fond 125, Triq Frans Sammut gia` Triq l-Isqof Caruana, Zebbug.

Tilqa` t-tielet (3) talba limitatament kontra l-intimat Avukat tal-Istat filwaqt li tichad l-istess talba safejn tirrigwarda lill-intimati ahwa Galea.

Riferibbilment ghat-tielet (3) talba, tillikwida favur ir-rikorrenti kumpens komplessiv fl-ammont ta` erbgha u hamsin elf u erbgha mija erbgha u sittin ewro (€54,464) in kwantu ghal disgha u erbghin elf u erbgha mija erbgha u sittin ewro (€49,464) bhala danni pekunjarji u in kwantu ghal hamest elef ewro (€5,000) bhala danni mhux pekunjarji ghall-vjolazzjoni tal-jeddijiet fundamentali taghhom hekk kif dawn huma mharsa bl-Ewwel (1) Artikolu tal-Ewwel (1) Protokoll tal-Konvenzjoni Ewropea ghall-Protezzjoni tad-Drittijiet tal-Bniedem u tal-Libertajiet Fundamentali.

Riferibbilment ghar-raba` (4) talba, tikkundanna lill-intimat Avukat tal-Istat sabiex ihallas lir-rikorrenti s-somma hekk likwidata bhala kumpens, bl-imghax legali b`effett millum.

Tordna li l-ispejjez kollha ta` din il-kawza ghandhom jithallsu in kwantu ghal nofs mir-rikorrenti u in kwantu ghal nofs mill-intimat Avukat tal-Istat.

Tordna lir-Registratur tal-Qorti sabiex kif appena din is-sentenza tghaddi in gudikat jibghat kopja taghha lill-Ispeaker tal-Kamra tad-Deputati kif irid l-Art 242 tal-Kapitolu 12 tal-Ligijiet ta` Malta.

**Onor. Joseph Zammit McKeon
