The Tribunal,

Having seen all the documentation presented in this claim. Having seen the declaration by Milohanic Valter, owner of the plaintiff company as represented by Bojan Zustovic, attorney in Pazin (declaration is dated 11<sup>th</sup> October 2022 and was received by this Tribunal today 09<sup>th</sup> November 2022), in which declaration the said plaintiff unequivocally declares that the plaintiff company has no further claims towards the defendant company due to a settlement reached between the parties in this claim and payment effected by the defendant company as confirmed by a copy attached with the said declaration of a bank confirmation of the payment made by the defendant company.

The Tribunal, therefore, having seen that the plaintiff company has ceded this claim, declares that this claim is closed and decides to take no further cognition of the same.

Today, 09<sup>th</sup> November 2022.
