

In the Court Magistrates Malta
as a Court of Criminal Judicial

Magistrat Dr.Noel Cuschieri LL.D., Mag.Jur. (Euro. Law)

Drugs 101/01

Police
Inspector Neil Harrison
vs
Carlos Jose' Rolo.

Today the 11th February 2002.

The Court:

Having seen the charges brought by the accused,

Having seen the records of the proceedings,

Having heard the evidence produced,

Having heard the submissions of the parties,

Having considered:-

That the accused pleaded guilty to the charges levelled against him; and therefore these are to be taken as satisfactorily approved according to law.

As regards the punishment to be inflicted, the court having seen the neat conduct sheet of the accused, is of the opinion that a conditional discharge is appropriate in the circumstances.

On the strength of the above the Court finds the accused guilty as charged in terms of regulation 8 GN 292/39; However, it acquits him on condition that he does not commit another offence within one year from today in terms of Art 9 Chapter 152.

The Court explained to the accused in simple language the significance of Art 9 Chapter 152.
