**Madeleine Carole Dargue I.D. 36941(A)**

The Tribunal,

Has taken note of the claim lodged by the plaintiff company which was filed on the 31<sup>st</sup> of August, 2012, in virtue of which it is claiming to be owed by the defendant the sum of six hundred and fourteen Euro and forty three cents (€614.43) representing payment for telecommunication services *A/C40095794* and *A/C4009794* rendered by the plaintiff company in favour of the said defendant.

The Tribunal notes that when the case was called the defendant who was duly notified, had failed to file a reply

in contestation of the said claim but appeared before the said Tribunal for the sitting held on 17<sup>th</sup> January 2013 and requested that the proceedings be continued in English, which request the Tribunal acceded to.

After having explained to her the contents of the claim being lodged by the plaintiff company, the defendant admitted the fact that the said amount was in fact due by her. The Tribunal invited the defendant to take the stand in order to confirm on oath the admission verbally confirmed by her in front of the Tribunal. The defendant in fact did take the witness stand and on oath confirmed that the amount being claimed by GO p.l.c. was in fact due by her and requested that she repays the said amount in monthly instalments of €30 every month.

Hence, the Tribunal due to this testimony, proceeded to pass judgment and therefore it is deciding the case whereby upon the admission of the defendant, the Tribunal decides the claim lodged by the plaintiff company and thereby condemns the defendant to pay the plaintiff company the amount requested of six hundred and fourteen Euro and forty three cents (€614.43), with interests to start running from the 31<sup>st</sup> August 2012 which is the date of filing of this court case and with the judicial costs at the expense of the defendant.
