[1] Hekk per ezempju hi email datata l-1 ta’ Gunju 2012 (fol. 14), Edmund Azzopardi gharraf lil Marisa La Rosa Cristofaro li *"Tenderfish food processing LTD is not in a position today to do payment for the balance of the current invoices, we have changed our portfolio from whole sale to retail shops and it will take some time to recover and gain what we lost in the past.*

I would like to emphasize that the balance due will be paid and according to the current business plan this should be around the end of the year.”.
