After having heard the evidence and seen all the records of the case;

After having heard the accused plead guilty to the charges at an early stage of the proceedings, which admission was confirmed by the same offender after the Court, in terms of section 453 (1) of Chapter 9 of the Laws of Malta, warned him of the legal consequences of that guilty plea, and allowed him sufficient time to re-consider his reply, and to change it;

After having heard the oral submissions on the punishment;

Considered that:

From the evidence brought forward and from the guilty plea registered by the offender himself, the Court concludes that the offender is guilty of the charges laid against him.

As regards the punishment, the Court took into consideration the fact that the offender admitted to the charges at a very early stage of the proceedings and that he co-operated with the police.

Kopja Informali ta' Sentenza

For these reasons the Court after having seen sections 325 (c), 338 (dd) and 338 (ff) of Chapter 9 on his admission finds offender guilty of the charges brought against him and conditionally discharges accused Nurdin Farah Saad under the Provision of Section 22 (1) of Chapter 446 of the Laws of Malta on condition that said accused Nurdin Farah Saad commits no offence during the period of three years as from today and that he pays the damages amounting to hundred Euro (€100) to Nautic Team Ltd and/or Heike Daniela Merz within a month from today.

Finally the Court is giving accused Nurdin Farah Saad the explanation prescribed in Section 22(3) of Chapter 446 of the Laws of Malta.
