After having seen all the records of the case;

After having heard the offender plead guilty to the charges at an early stage of these proceedings, which guilty plea was confirmed by the same offender after the Court warned him of the legal consequences of that guilty plea and allowed him sufficient time to re-consider his reply, and to change it;

After having heard the oral submissions on the punishment;

Considered that:

From the evidence brought forward and from the guilty plea registered by the offender himself, the Court concludes that the offender is guilty of the charges laid against him.

As regards the punishment, the Court took into consideration the fact that the offender admitted to the charges at a very early stage of the proceedings, that he co-operated with the police, and he has a clean conviction sheet.

For these reasons the Court after having seen sections 183, 184 and 189 of Chapter 9 of the Laws of Malta and section 15 of Chapter 65 of the Laws of Malta, on his admissions finds offender **Mohamed Osman Alin** guilty of the charges brought against him and conditionally discharges him under the Provision of Section 22 (1) of Chapter 446 of the Laws of Malta on condition that said offender commits no offence during the period of three (3) years as from today. Moreover, the Court is also condemning the offender to a multa of eighty euro (€80).
